Memorandum

To: Mayor and Council
From: Russ Martin, Town Manager
Date: May 10, 2012
Cc: Department Heads
Re: Manager's report for the period ending April 30th, 2012

The following is a general Manager's report regarding activities in the month of April and what is being worked on in the month of May:

Consider long-term solutions in the Animal Control Department in order to discuss the best course of action with the Animal Control Committee.

At our last Council meeting there was a citizen, representing homeowners, and asking for a discussion regarding a previous request to consider the definitions of modular/factory built versus a mobile home. Staff has worked to secure a time to discuss this matter with all parties including the State and community, including the Council. This meeting is, tentatively, scheduled on May 21 as 'open house/informational style'. More details will follow.

The Yellow-star thistle is alive and doing well again, unfortunately. However, Yavapai County Extension and Coconino National Forest will present/discuss this item in a public forum, Friday, May 18, 9 am to 12 noon, at the Rockin' River Ranch on Salt Mine Road. It includes a free lunch, but you must pre-register by calling Lisa Gerber at 928-554-8996. Today (May 10th), staff hand-delivered notices to the neighborhood along Quarterhorse Lane in hopes of informing them of this opportunity to learn about this noxious weed.

I attended with other staff, community members and a council member an 'after action meeting' concerning the March Petapalooza Event. During the meeting, we discussed with the sponsor of the event, Yavapai Broadcasting, the positives and negatives of the venue and our processes. We continue to learn and strive to provide the timeliest and the most proper information to the event sponsors, as possible. We will continue to look into adjusting our process to make it better, yet, remain stewards of the community assets and protect them from liability. This has also led me to host a meeting with the other Verde Valley City/Town Managers, in the near term, to do some networking on several items including insurance requirements standards.

We continue to work with the Verde Valley Archaeology Center and Chamber of Commerce on alternatives to begin a transition that will be beneficial to Camp Verde.

April 27th's Free Fourth Friday was a success. The popular venue was the star gazing at the Lowell Observatory "Star Party" at Wingfield Plaza, as well as, a packed house for an Archeoastronomy

presentation by Ken Zoll. My utmost appreciation goes to the volunteers, the businesses that have participated and staff as great things are happening at all the venues. I believe the community is responding.

Staff is finalizing agreements for 1) Arizona Central Land & Home Real Estate and Camp Verde Realty for the sale of Town-owned property; and 2) preparing a new agreement in the next couple of weeks with Arizona State Parks for our continued partnership with Fort Verde State Historic Park.

Finally, a couple of upcoming events that staff and volunteers are working on include: 1) a July 4th patriotic family celebration with a parade and lots of family fun. This event is sponsored by the David C. Johnson American Legion Post #53. If any anyone is interested in helping the American Legion with this event, please call: 928.567.9460 or 928.300.6826 or 928.567.9131; 2) additionally, please mark your calendar for the Cornfest, scheduled for July 20 and 21, 2012.

For questions, please contact me at russ.martin@campverde.az.gov or at 567-6631 ext. 102. If you need to schedule an appointment please contact Carol at ext. 106.

TOWN OF CAMP VERDE

General Fund Report

3rd QTR - Mar 2012

GENERAL FUND REVENUES

	FY 11-12 Budget	FY 11-12 Actual	% of Budget Realized
Local Taxes	1,692,000	1,286,292	76%
Franchise Fees	210,000	188,068	90%
State Sales Tax	822,612	626,166	76%
Urban Revenue Sharing	917,727	688,257	75%
Vehicle License Tax	577,351	413,442	72%
Yav County Flood Control	743,000	0	0%
Operations & Misc	639,740	508,101	79%
TOTAL	5,602,430	3,710,326	66%

Most revenue lines are coming in ahead of budget. Only the Vehicle License Tax is lagging behind budget by 3%. County flood control revenues are zero again as we have not had any expenses in that category. If the Flood control budget is removed from the overall percentage calculation, we are at 76% of Budget Revenues Realized or roughly \$65,000 over budget. 5 categories of our sales tax revenue are coming in higher than last year, the largest of which are real estate rentals, manufacturing and wholesale trade both Restaurant & bar and Retail Trade, our two largest sales tax revenue lines, are nearly identical to last years numbers. It is worth noting that last quarter, Retail Trade was dramatically behind last years numbers. Construction is still lagging the farthest behind of all categories.

GENERAL FUND EXPENDITURES by DEPARTMENT

	FY 11-12 Budget	FY 11-12 Actual	% of Budget Expended
General Admin	1,457,122	998,992	69%
Court	308,011	214,372	70%
Public Works	1,276,362	365,408	29%
Community Development	270,061	183,214	68%
Marshall's Office	2,090,718	1,443,459	69%
Library	326,285	220,119	67%
Parks & Rec	218,629	140,528	64%
TOTAL	5,947,188	3,566,092	60%

Expenses have continued to fall short of budget a full 15% year-to-date. As seen in revenues, if the stormwater expenses are removed from the above numbers, Public Works would come in at 69% of budget expended and the overall amount would be 69% as well. The variances in both revenues and expenditures amount to the Town actually being \$144,000 to the black in the General Fund through March 2012 as opposed to a budgeted \$258,000 in the red through the first 3 quarters.

Office of the Town Clerk

Our Vision:

We succeed only when we meet or exceed the expectations of our citizens. We have a passion for excellence and endeavor to set and deliver the highest standards of service, value, integrity, and fairness. We celebrate the diversity and power of our democracy through its people, ideas, and cultures. We feel a sense of responsibility to lead by examples of creativity, enthusiasm, and loyalty to our community in which we are honored to serve.

Monthly Report for April 2012 ~

Business Licenses – We processed 7 new business licenses, and 40 renewals, during the month of April, bringing our total business licenses on file to 581.

Liquor Licenses

We processed one Special Event liquor license application during the month of April, and posted two Liquor License applications that Council will hear on May 16, 012.

Special Events

The Clerk's Office administered two Special Event Permit applications for Events located in the Town Limits.

Information Requests/Research Hours – We had 15 in-house (Staff & Council) requests for information and two public requests, requiring two hours of research time.

Citizen Complaints – There were no written complaints filed in April.

Customer Assistance – After 5 months of tracking visitors and phone calls, we are noting that the monthly average is 60 assists per day, with some months particularly higher than others (i.e. the Christmas/New Year holidays are notably slower), while the contacts seem to increase as the seasons change. Perhaps this is due to the return of vacationing residents and/or visitors to our community both in the spring and winter months. We have also logged an increase in requests for assistance (shelter, food, utilities, etc.). Calls also increase substantially when a matter of public concern arises (i.e. sales tax).

Meetings – There were 4 Council meetings in April, for which we prepared agendas, agenda packets, minutes, addenda, amendments, etc. We posted 3 public notices.

Ordinances and Resolutions – We did not process any Ordinances or Resolutions during the month of April.

Records Management – Due to the lack of staffing, we have been unable to continue work on this project.

Special Assignments –

CDBG

#100-11 Hollamon Street Improvement Project – This project continues to remain in the Public Works Dept. and cannot move forward until the easement issues are resolved. The

2-year completion date for the project is October 2012. There are no changes to report during the month of April.

ADOH HOME Grant

#302-11 Owner-Occupied Housing Rehabilitation Project –

I recently discovered that the Town is required to spend the money that is in the Revolving Loan Fund *before* using HOME grant funds. There is \$104,000 in the RLF. Unfortunately, there are only two qualified applicants needing \$130,000 in improvements. We are asking NACOG for assistance in administering this program since additional applicants, inspections, work write-ups, and construction estimates are needed for new applications.

On the upside, we received one bid for the replacement project currently underway and it is from a local contractor. We are excited that our project is benefitting our local contractors!

Training

Staff did not attend any training sessions during the month of April.

“How-to” Corner

Roberts Rules of Order & Types of Motions

Robert’s Rules of Order was first created by U.S. Army Brigadier General Henry Martyn Robert in 1876 because, even back then, meetings were difficult to manage and General Robert decided that there had to be a better way to get things done. There is no doubt that Robert’s Rules of Order is a powerful tool that can make meetings more productive and rewarding, but only if everyone is on the same page and understands how to use it! And this is the problem...

It is important to have ‘ground rules’ for meetings to function properly and more importantly, to avoid frustration, confusion, and anger amongst the board members. Over the years, Robert’s Rules of Order has gotten too complicated for 99% of boards and groups to be able to use it effectively. Further, Robert’s Rules often conflict with statutes. For example, Robert’s Rules limit public access and input during meetings and the Rules allow votes in Executive Sessions. For these reasons, the Town of Camp Verde and other communities have based their parliamentary procedures ‘loosely’ on Robert’s Rules of Order. “Loosely” means that we abide by those procedures in Robert’s Rules of Order that are not in conflict with state law or public participation.

The Council has designated the Town Clerk as the Parliamentarian. The Clerk is responsible for advising Council when they have questions regarding the appropriateness of an agenda item, a motion, or if the discussion strays from the agenda topic.

The procedures for conducting meetings are outlined in detail in the Council’s Policies, Rules, and Procedures approved by Resolution 2011-844 on April 20, 2011. The following is a quick summary of the way meetings are conducted and the types of motions to consider:

1. The Mayor (or Chair) is responsible for the maintenance of order and decorum at all times.

2. All questions and remarks from the audience should be addressed to the Council and not to the audience.
3. When a motion is made and seconded, it shall be restated by the Mayor before debate begins.
4. The maker of the motion has the right to modify or withdraw the motion. The member who made the second also has the right to withdraw or affirm the second.
5. If another Member makes a modification to a motion, the Member who made the second shall be requested to reaffirm his/her second after the modification.
6. The Town Code requires a quorum majority (4) votes to approve or defeat a motion. (Robert's Rules differs here, requiring only a majority of those present.)
7. If a Council member does not speak or otherwise indicate how they are voting, their silence is considered to be an 'opposing' vote. For example, if the Mayor says, "All opposed?" and no one responds – it is considered that no one is opposed. If the Mayor asks, "All those in favor?" you do not respond, and he does not follow with the "All opposed" question, your vote is considered in favor of. If you believe that your intent has not been captured, it is important for you to speak up to set the record straight.
8. In the case of a tie, the motion is considered defeated.
9. At times, the Members are asked to 'disapprove or deny' an item. This again differs from Robert's Rules of Order. A motion in the negative is actually considered out of order, as to deny a matter takes no action at all. It is best not to list an item on the agenda as "Possible Approval or Denial". "Possible Approval" is sufficient since the matter will be considered defeated if the Council makes no motion to approve or if the motion to approve fails.
10. A motion to postpone is used to postpone an item until a definite time or indefinitely. This motion is debatable and can only be made while the main motion is pending with a second. This motion is commonly used to postpone an item until a more appropriate time. A motion to postpone requires a simple majority.
11. A motion to table lays the matter on the table. This motion is a proposal to suspend consideration of the pending motion in order to deal with another matter that has unexpectedly arisen which must be resolved before the pending motion can be properly addressed. For example, the Council makes a motion to purchase property and during the discussion, they learn that there are title issues that need to be addressed before the purchase can proceed. A motion to table would be appropriate until the issues were resolved.

A motion to table is also appropriate when a presenter has been delayed. When the delayed person arrives, the Council can then take the item from the table and resume discussion.

12. The use of a motion to "table" with the purpose to 'kill' a motion is improper. A Member that seeks to avoid a direct vote on a main motion while cutting off debate should move 'objection to consideration of the question'. This motion requires a 2/3 vote (5 votes) and is used before the debate has begun.

13. A motion to “close or limit discussion” is used to limit or close debate on the main motion. This motion is commonly referred to as “Calling the Question”. Any Member who wishes to force an end to debate must move the *Previous Question*. Such a motion must be seconded and then adopted by at least 2/3 vote to cut off debate. When made, the Mayor shall immediately ask the Members to vote on whether to call for a vote on the main motion. The next vote will be on the main motion, which the Mayor must state. Note: it is inappropriate to interrupt a speaker with a Call for the Previous Question.
14. Motion to amend is debatable only as to the amendment. A motion to amend an amendment shall be in order, but a motion to amend an amendment to the amendment is not in order. Amendments are voted on first, and then the main motion as amended is voted on.
15. A motion to continue shall be to a definite time; otherwise, a motion to postpone or table is more appropriate.
16. An area that sometimes causes confusion for many members is the abstention or recusal process. If a Member has a Conflict of Interest, it should be declared and the Member shall *recuse* himself or herself from voting. If a Member has a reason that is not based on statute or rules, but rather believes that there is something that hinders, compromises, or impairs their ability to cast a vote, they may *abstain* from voting.
17. Reconsideration is another area that leads to confusion. Reconsideration is a method used to temporarily suspend an action that was taken during a meeting. Any Member **who voted with the majority** may move for reconsideration of any action taken **at the same meeting**. If the motion receives a second from either side (prevailing or non-prevailing), no further discussion can occur and no vote is required. The motion to reconsider will be placed on the next available agenda for action. If the reconsideration is approved, the item in question will be placed on the next available agenda.

Discussions of items that Council addressed at previous meetings are not considered a ‘reconsideration’.

This concludes the April “How-to Corner”.

As always, please let us know if we can be of assistance or if you have any questions, comments, or concerns.

Respectfully submitted,

Debbie Barber, MMC
Town Clerk

Reflection of the month:

Planning & Zoning Monthly Report

April 2012 MJ

April 11, 2012

- **Mike Jenkins, Becky Oium & Robert Forman met with the Architects from Looker & Capello regarding the Burger King exterior façade changes and interior remodel.**
- **Mike Jenkins, Becky Oium & Jenna Owens met with Ms. Jan Grogan from the Sanitary District. Discussion regarding the installation of a Factory Built Building for the new District Office to be located at the District's Treatment Plant property.**

April 12, 2012

- **Mike Jenkins, Becky Oium & Robert Foreman met with Melissa Preston to discuss further actions for the development of current commercial clients associated with the wine industry.**

April 17, 2012

- **Full Community Development staff meeting to discuss any possible changes to the existing Fee Schedule.**

April 19, 2012

- **Full Community Development staff met with Mr. Martin regarding the 2012-2013 Budget.**

April 24, 2012

- **Mike Jenkins & Jenna Owens prepared mail outs for properties within 300' of parcel 404-02-0362 on a non-conforming use.**

April 30, 2012

- **Mike Jenkins and Robert Foreman participated in an after event review for the Petapalooza.**

Memorandum

To: Russ Martin, Town Manager
From: Mel Preston, Economic Development Director
Date: May 3, 2012
Cc: Department Heads
Re: Monthly Report – March 2012

Week of Mar 5

- Budget discussions, Russ
- Tourism Group meeting, recap & planning for FFF
- Discussion with Ed Lee
- Staffing levels meeting, Clerk's Office
- CIP work session

Week of Mar 12

- E.D. presentation to Council preparation
- Volunteer lunch hour-Senior Center blood pressure readings
- Budget planning

Week of Mar 19

- Frank Brinkman, American Legion Hall
- Visit to Casey Rooney, Cottonwood Business Assistance Center tour/talk
- AOT marketing to your target workshop
- Met with Robin Bryer, BlueSky Adventures, ZipLine addition at Out of Africa
- Tim Kinney, Kinney Construction, offer for free contracting services, Town projects: toured Fort, Rio Verde Plaza, Chamber Bldg and Senior Center
- Council Presentation review
- Casey Rooney toured Rio Verde Plaza/incubator discussion

Week of Mar 26

- NACET Tour, Russ Yeltin, Linda Buchanan, Kurt Haskell (Coconino College SBDC)
- VV Ag Coalition Meeting, Cottonwood
- Verde River, Econ Sustainability conversation, Yavapai College
- Visited Yavapai broadcasting Cottonwood, marketing topics
- CIP formatting
- FFF event

Lots of focus this month on finalizing CIP first year plan. Spent time on FFF planning, business outreach, training and incubator research.

Memorandum

To: Russ Martin, Town Manager
From: Mel Preston, Economic Development Director
Date: May 3, 2012
Cc: Department Heads
Re: Monthly Report – April 2012

Week of Apr 2

- Tourism meeting, FFF recap
- CIP mtg
- Meeting with Sharon Dorn
- AAED luncheon Phx
- Budget mtg with Michael Showers
- Budget research and planning
- Presentation to Council E.D. update Nov '11 to present
- VVREO mtg-asked to participate in Value Chain Mapping 5/14 and 5/15 & 6/11 & 6/12

Week of Apr 9

- FFF program and flyer creation, solicited sponsorships, distributed flyers and posters
- Met with Latahna Fulton, Relay for Life coordinator
- Volunteer at Sr Ctr, Blood Pressure reading
- Met with DCT Director, Jeff Hall

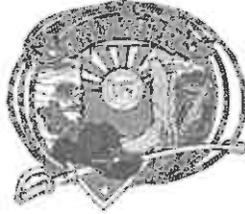

Week of Apr 16

- Council mtg, Jeff Hall presenting
- Wine Consortium Quarterly Mtg
- SEDI mtg, Flagstaff
- Budget Meeting with Russ
- Met with Janet Kissinger & Bobbie Tennant, Women Taking Action

Week of Apr 23

- Met with Ed Lee, potential SBDC partnership, request for space
- Full day with Greg Fister and Gary Marx, Prescott Valley
- Volunteer at Sr Ctr, Blood Pressure reading
- Met w/Russ on Ed Lee's request
- Archaeology Center lease meeting
- Successful FFF Stargazing event, 125 at telescopes and 90 at Archaeology Center presentation

Majority of this month was spent on budget preparation, planning and research. Lots of focus on Jeff Hall's presentation, the Stargazing event at FFF and some discussion with Ed Lee regarding a potential partnership with a future Small Bus. Development Center. He asked for space now in the building, and for a number of reasons, this is not something the Town is prepared to offer at this time.

Public Works Monthly Report for April 2012

Engineering:

- Completed Application for access easement for the Community Park from the forest service.
- Coordinated the donation of 3 fuel tanks with George Reeves and Western Refineries for the Public Works Yard.
- Prepared Plans, Specifications, and Estimates for the Hollamon Street Improvement Project and met with Toni Lombardozi (Arizona Dept. of Housing) to discuss the progress on the project.
- Prepared Draft Budgets in Streets, Maintenance, Public Works, Stormwater, Parks and Recreation, & CIP for FY 12-13
- Prepared/Facilitated the Bid and Award of the Irrigation and Paint Projects and inspected work .
- Worked with the Structural Engineer and the Contractor to revise/value engineer the structural plans and specifications for the concrete channel portion of the Finnie Flat Channel improvements Project, inspected work, and reviewed material submittals.
- Attended the NACOG Technical Subcommittee and the State Transportation Board Meetings representing Camp Verde.
- Assisted 2 teams of NAU Senior Engineering Students with the preparation of engineering designs and alternatives to improve the Verde Lakes Drive low water crossing at West Clear Creek for the Town and attended their presentations.
- Attended the Arizona Municipal Utilities Leadership Institute Forum in Payson.
- Review Development Plans for the Fire Station on the corner of Main and Head Street and the plans for Caduceus Cellars off Old Highway 279.

Streets:

- Kick-off meeting with Jacobs and ADOT to discuss Planning for Rural Areas (PARA) Grant. This grant will evaluate traffic flows at the "Y" Intersection of Finnie Flat, Main & MCH as well as SR 26 & Goswick Way and provide possible alternatives to the current
- Since the opening of Millwood Estates the crew has been called out to clean trash that was dumped. And was called out the day after fire crews had to put out a fire set to trees in the North side of the property.
- One half of the annual crack seal project is complete, the crew will do the remainder in the fall.
- Outstanding progress is being made to the buildings at the Public Works Yard on Industrial Drive. Crews, including the use of Temporary/Part-Time labor, have installed doors, windows, began roofing as well as interior improvements to the buildings; cleaning and clearing of the ground is well underway. Staff is working with APS to get electrical connections to the buildings.
- Part-time labor is being used to start clearing weeds in Town Rights of Way.

Stormwater:

- Eagle Mountain Engineering Co. began the Finnie Flat/Cliffs Drainage project; utilities were located and conflicts with the channel were identified. Both lanes on Finnie Flat Rd. will remain open for the next six weeks; crews will be posting signs to reduce the speed limit to 15 MPH in the construction area. Once the box culverts are delivered, lane restrictions will be in place again, including the detour at the post office.
- By using Temporary/Part-Time labor staff has started clearing road side drainage ditches of overgrown weeds.

- Staff has received calls from citizens of Verde Lakes complaining of people damming up Clear Creek and changing water flows; at this time a responsible party has not been identified.

Parks and Recreation: Parks and Recreation:

- The 5th & 6th grade Grasshopper Basketball is preparing for their tournament games that will be played on May 7th. Staff is considering running the 5th through 8th grade league through the summer next year in hopes of getting a better turn out. This would keep our program from competing with Little League and spring school sports.
- Registration is still being taken for the British Soccer Challenge. There are only two kids signed up at this time.
- Co-Rec Softball will get underway the first of June. We are extremely happy to have 6 teams this year. Games will be played at Butler Park on Monday nights.
- We are preparing for the opening of the pool on May 26th. I have attached a pool schedule. I think our Aqua Zumba classes are going to be a success. We will be offering Aqua Zumba, Aqua Zumba for Seniors and Aqua Zumba Atomic for Kids.
- Upcoming Diamondback trips are May 12th and June 22nd.

Maintenance:

- Assisted mason, carpenters to prepare campus buildings for paint
- Assisted Landscape Magic with sprinkler system
- Assisted at Ft. Verde State Park for event set-up
- Installed new window unit on IT/Server Room (Bldg. 100)
- CVMO landscaping
- Preparing park grounds for summer growth season and heavy use
- Vandalism and trash is increasing on Town grounds at the Ramada and in the gymnasium restrooms. Cleaning and repairs take additional time from scheduled projects and delay progress on import tasks.

POOL FEES

PER VISIT SEASON	10 VISITS
Adult (18 & over)	\$15.00
Youth (up to 17)	\$12.50

PRICE INCLUDES WATER SLIDE USE

SEASON PASS:

- Family \$125.00
- 10 Visit Family \$30.00
- (Immediate family members only)
- 50% PAID BY JUNE 1st

Library Director's Report

April 2012

Statistical Report

In April we had 2356 people come through the door. We circulated 7215 items in March and 5567 items in April. A separate statistical report will accompany this narrative

Physical Changes to the Current Library / New Library Developments

Other than routine maintenance, everything has been working fine.

There is nothing new to report on the loan/grant application to USDA this month. I will keep you posted

Books Videos, Computer Updates

In April, we add 35 ebooks to our collection through our Overdrive service. We will resume adding to the collection again in May. We also added 10 copies of the 1BookAZ book for adults and 10 copies of the 1BookAZ children's book for circulation.

All of our new computers are functioning as they should. We have a volunteer who is keeping our public access computers and laptops up dated. This should help their performance.

We are also in the process of setting up a new computer for folks looking for employment. People will be able to create resumes and cover letters, find job opportunities, and apply for jobs online. We need to work out some space and connection issues and relocate some existing programming to complete the setup. The printer / copier / scanner / fax machine is set up and is functional. We need to learn how to operate it and work out a connection issue.

Programs & Activities

In April, we hosted 7 adult programs, 6 children's program, and 3 school visits. We had a total of 127 adults 2 teens and 163 children at our programs.

Our adult book discussion group continues to be well attended. There were 8 folks in attendance this month. We will be continuing it into the summer

We had another session about how to check out e-books from our Overdrive service to their Kindles or Nooks. We had 9 people come in for that program. This continues to be very popular

We will be spending the summer months planning for programs in the Fall.

Funding & Fund Raising

We are in the thick of this year's budget process for 2012 / 13. We will be asking for a staffing increase to allow us to open 5 days a week. We are also asking for modest increases in our book and program lines to provide better services to the public. I presented this to council on April 30th. Now it is wait and see.

The Library Endowment continues to hold their monthly book sales. In April they took in over \$800. The Denim & Lace fundraiser April 14th netted about \$11,000. The event was a complete sellout and there were many enthusiastic bidders.

The Basha's "Shop and Give" program will be starting up. You will be able to link your Thank You cards to the numbers for the Library Endowment (23066) and CCCVL (25034) when the program resumes again in the spring. You may attach up to 3 numbers to your Thank You Card and your shopping dollars will be split that many ways.

Publicity

In April, we concentrated on publicity for the OneBook AZ speaker coming April 11th. We also publicized our adult reading club that met on April 24th.

Meetings Attended

Because of our staffing situation, no network meetings were attended. I continue to attend town department head meetings and Alice participated in revising the town personnel manual. As we adjust to the present staffing level, we look to attending network meeting in May
