# Memorandum

To: Council  
From: Dane Bullard, Finance Director  
Date: September 4, 2007  
Subject: CAFR Proposals

Attached are the two CAFR proposals issued per Council's request. These items were not received until the afternoon of Friday, August 31<sup>st</sup> and therefore and being sent to you as an addendum to the agenda. A breakout of the proposal costs are as follows:

**Lisa Lumbard & Associates**

Audit - \$18,500  
CAFR - 5,340  
Total - \$23,840

**Heinfeld & Meech**

Audit - \$24,500  
CAFR - 1,000  
Total - \$25,500

If you have any questions, please contact me at extension 104.

### **III. PRICING SECTION - REVISED**

Upon acceptance of this proposal submitted herewith, the undersigned hereby agrees to enter into a contract with the Town of Camp Verde, Arizona (the Town) to perform the services as described in the Request for Proposals for Financial Auditing Services. The undersigned agrees to perform the services for a total cost "not to exceed" the amount proposed below.

Total charges, including expenses, will not exceed:

Audit of the Year Ended	Annual Audit	CAFR	Total
June 30, 2007	\$24,500	\$1,000	\$25,500

The above fees are based on anticipated cooperation from your personnel in that the Town will provide all information and complete all forms in a timely manner. In addition, these fees are based on the assumption that unexpected circumstances will not be encountered during the audit. The fees do not include additional time required for expansion of the scope of the audit due to changes, subsequent to the date of this proposal, in audit and/or reporting requirements that increase the scope of work. Any such additional time would be in addition to the above cost proposal.

#### **HOURLY RATES FOR ADDITIONAL SERVICES:**

Any additional work authorized by the Town completed before June 30, 2008 will be billed at the following hourly rates. These hourly rates may be adjusted for inflation for any work completed after June 30, 2008.

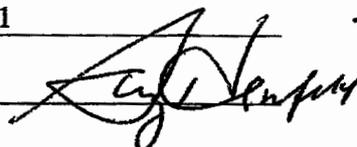

Additional Audit Services: Principal \$175 ; Manager \$135 ; Senior \$105 ; Staff \$82

Other Management Advisory Services: Principal \$225 ; Manager \$195 ; Senior \$135 ;  
Staff \$110

Re: Request for Audit Proposal – CAFR Addendum

Dear Mr. Bullard:

Please accept the following proposal for expanding the reporting package for the fiscal year ended June 30, 2007 to include the additional schedules and requirements for preparation of a Comprehensive Annual Financial Report (CAFR), for submission to the Government Finance Officer's Association for the Certificate of Excellence in Financial Reporting. The reporting package will include the following additional items as applicable to the Town of Camp Verde for the year ended June 30, 2006:

**Introductory Section**

Letter of Transmittal (Estimated 5 pages)

List of Principal Officials

Organization Chart

**Combining and Individual Fund Statements  
and Schedules**

Explanation of individual funds within fund types

Combining Balance Sheet - Non-major governmental funds

Combining Stmt of Revenues & Expenditures and

changes in fund balance - non major governmental funds

Individual Funds - Schedule of Revenues of Expenses and

changes in fund balance - budget actual for all non-major  
funds

**Statistical Section**

Financial Trends

Revenue Capacity

Debt Capacity

Demographic and Economic Information

Operating information

**Comprehensive Annual Financial Report (CAFR)**

The CAFR Certificate of Achievement for Excellence in Financial Reporting was established by the Government Finance Officers Association (GFOA). The reports are sent by the GFOA to a state other than the state of origination and reviewed based upon an extensive checklist by a minimum of 3 different reviewers. Lisa B. Lumbard is a GFOA CAFR reviewer and brings the benefit of this experience to your engagement. However, there is no guarantee that an award will be issued. If issued, a Certificate of Achievement is valid for a period of one year.

### **Comprehensive Annual Financial Report (CAFR) – continued**

The CAFR does include extensive narrative sections that permit the Town to highlight achievements and service accomplishments, as well as discuss future plans. The financial statements of the municipality are audited in accordance with generally accepted auditing standards, *Government Auditing Standards (GAS)* and for municipalities with expenditures of federal funds in excess of \$500,000, in accordance with the Single Audit Act of 1984 whether they are included in a CAFR or not. The CAFR involves additional reporting; it does NOT provide any additional assurances as to the adequacy of internal controls.

### **Independent Auditor's Report**

Our Independent Auditor's Report is expected to include the following additional paragraph as required for the issuance of a CAFR:

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Town's basic financial statements. The introductory section, combining and individual fund financial statements and schedules and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements. The combining and individual fund financial statements and schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion are fairly stated in all material respects in relation the basic financial statements taken as whole. The introductory and statistical sections have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

### **Town's Responsibility**

We will assist the Town's personnel by providing guidance on the required reporting in the introductory section, the combining and individual fund statements and schedules and the statistical section. However, the Town is responsible for the preparation of the drafts of the reports and for performing the historical research for the 10 years of data required in the statistical section. Additionally, the Town's personnel are responsible for the completion of the application form and for payment of the application fee charged by the Government Finance Officer's Association.

### **Time Period**

Upon awarding of the audit contract, a pre-audit package will be sent to the Town of Camp Verde. The Town of Camp Verde is requested to send to the auditor, the year end adjusted trial balance by fund and the basic financial statements preliminary draft prepared by the Town's finance department from the computerized accounting system in accordance with GASB 34 requirements. For submission of the CAFR, all appropriate items must be postmarked or e-mailed to the Government Finance Officers Association (GFOA) no later than six months after the government's fiscal year end. Accordingly, all of the additional documents to be included in the June 30, 2007 CAFR submission package must be submitted to the Audit Firm no later than October 31, 2007.

Town of Camp Verde  
August 29, 2007

**Initial Year Fees**

The additional procedures to assist the Town with their initial CAFR and expand the audit reporting package are estimated to take 76 hours and to cost, including out-of-pocket costs, a total of \$5,340. A detailed time budget is included in the attached appendix. Please note that this time budget includes our completion of the extensive GFOA CAFR disclosure checklist. The initial CAFR will require extensive time from both the audit firm and the Town's personnel. Should the Town choose to prepare and submit a CAFR in subsequent years, significantly less time should be required.

This quote represents a valid offer for 30 days from the date of this letter.

**Firm Representatives**

The person authorized to represent the firm is Lisa B. Lumbard, C.P.A., C.G.F.M., 4143 North 12th Street, Suite 100, Phoenix, Arizona 85014, (602) 274-9966.

We look forward to focusing our experience and talents on your CAFR. Thank you for the opportunity to submit this proposal. If you have any questions, please feel free to call our office.

Respectfully,

Lisa B. Lumbard, C.P.A., C.G.F.M.

**h) Possible approval to renew the contract with the Verde Lakes Homeowners Association (HOA) for joint use of a 1.21 acre park owned by the HOA.**

On a motion by Hauser, seconded by Kovacovich, the Consent Agenda was unanimously approved as presented, with the meeting of August 22, 2007 canceled.

Mayor Gioia pointed out that the meeting scheduled for August 22, 2007 is canceled.

5. **Call to the Public for Items not on the Agenda.**

John Teague thanked the Council for donation of the money to buy the softballs for the Jacob Teague Memorial Softball Tournament; the Tournament will be on August 25<sup>th</sup>, starting at 8:00

a.m., at Riverfront Park in Cottonwood with 12 teams signed up as of tonight. It is anticipated that more money will be made this year; the proceeds are shared among Clarkdale, Cottonwood and Camp Verde to support their K-9 units.

There was no further public input.

5.a **DISCUSSION, CONSIDERATION, AND POSSIBLE SUPPORT OF ELAINE BELL'S REQUEST TO ADOT TO CHANGE THE NAME OF THE BRIDGE ON I-17 FROM "VERDE RIVER BRIDGE" TO THE "DAN BELL MEMORIAL BRIDGE" IN HONOR OF HER DECEASED HUSBAND, DAN BELL.**

On a motion by Hauser, seconded by Parry, the Council voted unanimously to table this item.

Vice Chairperson Hauser commented that she felt it was not appropriate to make a decision on the subject request inasmuch as Elaine Bell was not present.

6. **Discussion, consideration, and possible selection of an audit firm to conduct the FY 2006-2007 year-end audit.**

On a motion by Gioia, seconded by Hauser, the Council voted unanimously to continue this item to the next Council meeting, or at a Special Session.

Finance Director Bullard said that pursuant to Council direction, staff has solicited proposals from audit firms, all of whom have come highly recommended and are outstanding firms in the field of government auditing. Bullard said that three firms have been selected for consideration; Lisa Lumbard, representing Lumbard & Associates, and Scott Kies from Heinfeld & Meech were present to make brief presentations regarding their firms and qualifications. Bullard also gave a brief summary of the previous presentation by Scott Graff of Colby & Powell, the third highly recommended firm.

**Lisa Lumbard** introduced herself, outlined the firm profile, background and qualifications, and reviewed in detail the scope of the proposed audit and how the audit process is followed throughout as detailed in her proposal document, copies of which had been provided to the Council members. In response to some of the questions from the Council, Ms. Lumbard said that the audit would take approximately a month or so, depending on coordination of information from and with staff; she reviewed the process for auditing the status of Federal grants; she will submit a proposal for the cost to add a CAFR (Comprehensive Annual Financial Report) to the audit; and her firm would be prepared to begin possibly the second week in September.

**Scott Kies**, a partner with Heinfeld & Meech, gave a presentation on his firm's qualifications, pointing out that 100 percent of their business is governments and not-for-profits, and clients include seven of the ten largest municipalities in the State of Arizona and several towns around the State. Mr. Kies briefly reviewed how his firm conducts audits, which he said was similar to the Lumbard firm, adding that his firm stresses excellent customer service and keeping the client advised throughout the process. The additional cost to add a CAFR would be no more than \$1,000; the deadline for a final report would be no later than February 28<sup>th</sup>. During discussion with members, Mr. Kies said that focus should not only be on finding problems but on implementing internal controls to try to prevent those problems in the future.

Gioia suggested that since the original proposal from Colby & Powell did not include a bid for a CAFR, and the Lumbard firm will be providing a bid as requested, a selection could be made at the next Council meeting or by calling a Special Meeting, if Council would agree to wait; it was also suggested that the final decision should be made by all members of the Council.

There was no public input.

7. **Call to the Public for Items not on the Agenda.**

There was no public input.

8. **Advanced Approvals of Town Expenditures**

a) **There are no advanced approvals.**

There were no requests for advanced approvals.

9. **Manager/Staff Report**

Dave Smith announced that the Senior Center now has a new roof, as well as a new cooler that has been donated by a local area business.

10. **Council Informational Reports**

Elmer said that with the start of Youth Football, everyone should plan to turn out on Saturdays to help support the youth activities.

Hauser reported on her attendance at the Verde Watershed meeting, and also commented on Youth Football and her enjoyment with conducting the physicals for the youngsters.

Gioia said that the South Verde Middle and High School Annex had their official opening last night, and described the addition to the school system providing internet one-on-one on-line instruction for the students. An extension of the \$510,000 Heritage Grant looks promising; it may require an appearance before the State Parks Board. The Forest Service has been requested to have the original appraiser again do an appraisal on the proposed park site; they have been provided with the recent appraisal funded by the Town.

11. **Adjournment**

On a motion by Hauser, seconded by Kovacovich, the meeting was adjourned at 7:38 p.m.

If there are concerns that cannot be resolved between the Applicant and the Director or if the proposal does not clearly meet the criteria set forth in Subsection J, the application shall be forwarded to the Board for consideration.
  - a) Any and all resurfacing of vertical structures.
  - b) Signs that are 64 square feet or less in area, are building-mounted or monument style, and clearly meet both the requirements and intent of this Ordinance and the requirements of Sections 118 (Sign Regulations) and 120 (Outdoor Lighting Ordinance).
  - c) A proposed building or vertical structure that:
    - i. is either an addition or an accessory structure to an existing building and does not exceed twenty-five percent (25%) of the existing building floor area or five thousand (5,000) square feet
    - ii. conforms to the criteria set forth in Section J of this Ordinance for all proposed and existing buildings, vertical structures, signs and landscaping on the site, and
    - iii. is complimentary with surrounding properties as well as with the existing building.
  - d) An addition or accessory building that does not substantially or detrimentally alter the appearance of the site as seen from off-site.
5. The Design Review Board shall have the power to approve, conditionally approve, or deny all applications for Design Review.
6. Upon receiving approval or a conditional approval from the Design Review Board, the Applicant may proceed with the preparation of a complete set of plans for submittal to the Department for a building permit. Prior to issuance of a building permit, the Building Inspector shall determine that all Design Review requirements have been met.

## **J. CRITERIA**

1. In considering an application for Design Review, the Design Review Board shall be guided by the following criteria:
  - a) The general design of buildings, structures, signs, and the surrounding site shall reflect the simple building style historically prevalent within the Town, and should draw on the western, rural, and historic military influences that have shaped Camp Verde's architecture since its inception. Comfortable simplicity is to be preferred over architectural complexity, while still addressing massing and scale considerations.

INTERGOVERNMENTAL AGREEMENT  
RECYCLING FACILITY

This Intergovernmental Agreement (“Agreement”) for use of a Recycling Facility is entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2007, by and between Camp Verde Unified School District No. 28, a political subdivision of the State of Arizona (“CVUSD”), and the Town of Camp Verde, an Arizona municipal corporation (the “Town”), each individually a “Party” and jointly “the Parties”.

RECITALS

The Town and CVUSD have constructed a community recycling program facility (the “Facility”) as a public facility on CVUSD property.

The Parties desire to cooperatively act to maintain the Facility and desire to enter into this Agreement for the use and management of the Facility.

CVUSD is authorized to enter into this Agreement pursuant to Arizona Revised Statutes Section 15-342(13), Section 15-364(A), and Section 11-952.

The Town is authorized to enter into this Agreement under ARS Section 15-364(B) and Section 11-952.

Now therefore, for the mutual covenants and consideration contained herein, the Parties agree as follows:

AGREEMENT

1. TERM. The term of this Agreement shall commence on \_\_\_\_\_, 2007, and end on \_\_\_\_\_, 2011. This Agreement may be extended by either Party for successive terms of four years upon written notice of intent to extend delivered to the other Party not less than thirty (30) days prior to the end of the then-current term.
2. PURPOSE. The purpose of this Agreement is to set forth the responsibilities and contributions of the Parties with respect to the operation of the Facility and the sharing of operational costs and maintenance of the Facility.
3. USE. The Parties each represent that the Facility will be used only for the purpose of a recycling facility. The Parties agree to comply with all applicable state, federal or city laws and regulations, and with the policies and regulations of CVUSD pertaining to the use and occupancy of the Facility. Neither Party shall use or allow any portion of the Facility to be used for any unlawful purpose. Neither Party shall commit or allow to be committed any waste or nuisance in or about the Facility, or subject the Facility to any use that would damage any portion of the Facility or raise or violate any insurance coverage maintained by CVUSD. CVUSD, in its sole discretion, shall determine the location of the Facility.

4. SCHEDULING.

A. The Town will schedule the use of the Facility.

B. The Town will hire and schedule all staff and employees for operation of the Facility. The Town assumes all responsibility and liability for its employees hired pursuant to this Agreement.

5. FINANCIAL CONTRIBUTIONS.

A. Pursuant to ARS Section 15-1105(A), CVUSD may lease school property to any organization for purposes in the interest of the community. CVUSD must charge a reasonable use fee for such lease, which fee may include goods contributed or services rendered by the Town to CVUSD.

The reasonable use fee for lease of CVUSD property shall be services rendered by the Town as follows:

Town will schedule use of the Facility as provided in Section 4 above.

Town will operate and maintain the Facility.

Town will set fees for use of the Facility and collect such fees and recycling revenues into a separate bank account from which Town will pay all expenses of operation and maintenance (including but not limited to utilities, supplies, and personnel) of the Facility except as expressly provided elsewhere in this Agreement.

B. CVUSD shall pay for all water and electricity used by the Facility.

C. CVUSD shall provide insurance coverage for the Facility.

D. The Parties shall review the income and expenses relating to the Facility as frequently as the Parties shall agree, but not less than once during each Term of this Agreement.

E. Each Party shall include in its budget each year an amount necessary to meet the Party's financial responsibilities described in the grant application and as set forth in this Agreement.

6. INSURANCE.

A. CVUSD will procure, at its expense, and maintain during the term hereof, a property insurance policy and a policy of general liability insurance against claims for bodily injury, death and property damage occurring in connection with the use of the Facility as part of its general policy.

B. Town will procure, at its expense, and maintain during the term hereof, a property insurance policy and a policy of general liability insurance against claims for bodily injury, death and property damage occurring in connection with the use of the Facility as part of its general policy.

8. LIABILITY AND INDEMNITY. Town agrees to conduct its activities in the Facility in a careful and safe manner. As a material part of the consideration to CVUSD, Town hereby assumes all risk of damage to and loss or theft of property, and injury or death to persons related to the use or occupancy of any portion of the Facility from any cause whatsoever, and Town hereby waives all claims in respect thereof against CVUSD. Town shall indemnify, defend, and save harmless CVUSD and all of its employees, agents, and representatives from any and all claims, demands, suits, actions, proceedings, loss, cost, and damages of every kind and description, including any attorney's fees and/or litigation expenses, which may be brought or made against or incurred by CVUSD, on account of loss or damages to any property and for injuries to or death of any person arising out of any act or omission by Town, its employees, agents, representatives, or subcontractors, or arising out of its use of the Facility, or arising out of workers' compensation claims or unemployment disability compensation claims of employees of TOWN or out of claims under similar such laws. Town's obligation under this Section 8 shall not extend to any liability caused by the sole negligence of CVUSD, or its employees. Where both CVUSD and Town, including their employees, agents or representatives participated in the liability causing event, each Party shall contribute to the common liability a pro rata share based upon its relative degree of fault as established by compromise, arbitration or litigation.

9. ENTIRE CONTRACT. This Agreement and the grant application upon which it is based embody the entire contract between Town and CVUSD. The Parties shall not be bound by or be liable for any statement or representation of any nature not set forth in the grant application or this Agreement. Changes of any of the provisions of this Agreement shall not be valid unless reduced to writing and signed by both Parties.

10. TERMINATION. This Agreement may be terminated by a majority vote by the governing board of either Party. The Party terminating the Agreement must notify the other Party in writing prior to December 15 of the year prior to the effective date of termination. The effective date of termination will be June 30 of the year after notification.

11. REMOVAL ON SALE. If CVUSD sells the real property upon which the Facility is located, CVUSD shall, not less than thirty days before close of such sale, notify Town of such sale and Town shall remove the recycling center from the real property prior to the closing date of the real estate sale.

12. WAIVER. The failure of either Party to insist upon strict performance of any of the provisions of this Agreement or to exercise any rights or remedies provided by this Agreement, or either Party's delay in the exercise of any such rights or remedies shall not release the other Party from any of its responsibilities or obligations imposed by this

Agreement and shall not be deemed a waiver of any right of the Party to insist upon strict performance of this Agreement.

13. ASSIGNMENTS AND SUBLETTING. Town shall not have the right to assign this Agreement or allow any other person or entity to use or occupy any or all of the Facility without the prior written consent of CVUSD, which consent may be granted or withheld at CVUSD's sole discretion.

14. DEFAULT. In the event that the Town fails to pay any fee or other sum required to be paid by the Town hereunder when due, or otherwise fails to comply with or observe any other provisions of this Agreement, in addition to any other remedy that may be available to the CVUSD by reason of such failure, whether at law or in equity, the CVUSD may immediately terminate this Agreement and all rights of the Town hereunder.

15. ARBITRATION. In the event of a dispute hereunder, the parties agree to use arbitration insofar as required by Arizona Revised Statutes Sections 12-1518 and 12-133, and the rules promulgated thereunder.

16. CONFLICT OF INTEREST. This Agreement is subject to cancellation pursuant to Section 38-511 of the Arizona Revised Statutes.

17. GOVERNING LAW. This Agreement shall be governed by the laws of the State of Arizona, and the courts of Arizona shall have jurisdiction of the subject matter hereof.

18. RELATIONSHIP.

A. The Parties agree that neither the Town nor any employees or other personnel of the Town will for any purpose be considered employees of CVUSD, and with respect to the Town and any employees or other personnel of the Town, CVUSD shall not be responsible in any manner for the supervision, daily direction and control of the Town and any of its employees or other personnel or the payment of salary (including withholding income taxes and social security), workers' compensation and disability benefits for Town and any of its employees or other personnel.

B. The Parties agree that neither CVUSD nor any employees or other personnel of the CVUSD will for any purpose be considered employees of the Town, and with respect to CVUSD and any employees or other personnel of CVUSD, the Town shall not be responsible in any manner for the supervision, daily direction and control of CVUSD and any of its employees or other personnel or the payment of salary (including withholding income taxes and social security), workers' compensation and disability benefits for CVUSD and any of its employees or other personnel.

19. AUTHORITY.

A. The individual signing below on behalf of the Town hereby represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of the Town and that this Agreement is binding upon the Town in accordance with its terms.

B. The individual signing below on behalf of CVUSD hereby represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of CVUSD and that this Agreement is binding upon CVUSD in accordance with its terms.

INTERGOVERNMENTAL AGREEMENT  
SKATEBOARD PARK

This Intergovernmental Agreement (“Agreement”) for use of a Skateboard Park is entered into this \_\_\_\_ day of \_\_\_\_\_, 2007, by and between Camp Verde Unified School District No. 28, a political subdivision of the State of Arizona (“CVUSD”), and the Town of Camp Verde, an Arizona municipal corporation (the “Town”), each individually a “Party” and jointly “the Parties”.

RECITALS

The Town and CVUSD agreed in February of 1999 to construct a community skateboard park (the “Facility”) as a public outdoor recreation facility on CVUSD property and to cooperatively act to maintain the Facility.

The Facility has been built by the Parties and the Parties desire to enter into this Agreement for the use and management of the Facility.

CVUSD is authorized to enter into this Agreement pursuant to Arizona Revised Statutes Section 15-342(13), Section 15-364(A), and Section 11-952.

The Town is authorized to enter into this Agreement under ARS Section 15-364(B) and Section 11-952.

Now therefore, for the mutual covenants and consideration contained herein, the Parties agree as follows:

AGREEMENT

1. TERM. The term of this Agreement shall commence on \_\_\_\_\_, 2007, and end on \_\_\_\_\_, 2011. This Agreement may be extended by either Party for successive terms of four years upon written notice of intent to extend delivered to the other Party not less than thirty (30) days prior to the end of the then-current term.
2. PURPOSE. The purpose of this Agreement is to set forth the responsibilities and contributions of the Parties with respect to the operation of the Facility and the sharing of operational costs and maintenance of the Facility.
3. USE. The Parties each represent that the Facility will be used only for the purpose of a skateboard park. The Parties agree to comply with all applicable state, federal or city laws and regulations, and with the policies and regulations of CVUSD pertaining to the use and occupancy of the Facility. Neither Party shall use or allow any portion of the Facility to be used for any unlawful purpose. Neither Party shall commit or allow to be committed any waste or nuisance in or about the Facility, or subject the Facility to any use that would damage any portion of the Facility or raise or violate any insurance coverage maintained by CVUSD. The Parties shall not allow a number of persons in any

portion of the Facility at any time in excess of the legal or normal capacity of such portion of the Facility. The Parties shall not permit any food, drink or smoking in any portion of the Facility.

#### 4. SCHEDULING.

A. The Town will schedule the use of the Facility, primarily through the Town's Parks and Recreation Department.

B. The Town will hire and schedule all staff and employees for operation of the Facility. The Town assumes all responsibility and liability for its employees hired pursuant to this Agreement.

#### 5. FINANCIAL CONTRIBUTIONS.

A. Pursuant to ARS Section 15-1105(A), CVUSD may lease school property to any organization for recreational purposes in the interest of the community. CVUSD must charge a reasonable use fee for such lease, which fee may include goods contributed or services rendered by the Town to CVUSD.

The reasonable use fee for lease of CVUSD property shall be services rendered by the Town as follows:

Town will schedule use of the Facility as provided in Section 4 above.

Town will operate and maintain the Facility.

Town will set fees for use of the Facility and collect the same.

Town will use fees collected to pay all expenses of operation and maintenance (including but not limited to utilities, supplies, and personnel) of the Facility except as expressly provided elsewhere in this Agreement.

B. CVUSD shall provide water, electricity and insurance coverage for the Facility.

C. The Parties shall review the income and expenses relating to the Facility as frequently as the Parties shall agree, but not less than once during each Term of this Agreement.

D. Each Party shall include in its budget each year an amount necessary to meet the Party's financial responsibilities described in the grant application and as set forth in this Agreement.

#### 6. INSURANCE.

A. CVUSD will procure, at its expense, and maintain during the term hereof, a policy of general liability insurance against claims for bodily injury, death and property damage occurring in connection with the use of the Facility as part of its general policy.

B. Town will procure, at its expense, and maintain during the term hereof, a policy of general liability insurance against claims for bodily injury, death and property damage occurring in connection with the use of the Facility as part of its general policy.

8. LIABILITY AND INDEMNITY. Town agrees to conduct its activities in the Facility in a careful and safe manner. As a material part of the consideration to CVUSD, Town hereby assumes all risk of damage to and loss or theft of property, and injury or death to persons related to the use or occupancy of any portion of the Facility from any cause whatsoever, and Town hereby waives all claims in respect thereof against CVUSD. Town shall indemnify, defend, and save harmless CVUSD and all of its employees, agents, and representatives from any and all claims, demands, suits, actions, proceedings, loss, cost, and damages of every kind and description, including any attorney's fees and/or litigation expenses, which may be brought or made against or incurred by CVUSD, on account of loss or damages to any property and for injuries to or death of any person arising out of any act or omission by Town, its employees, agents, representatives, or subcontractors, or arising out of its use of the Facility, or arising out of workers' compensation claims or unemployment disability compensation claims of employees of TOWN or out of claims under similar such laws. Town's obligation under this Section 8 shall not extend to any liability caused by the sole negligence of CVUSD, or its employees. Where both CVUSD and Town, including their employees, agents or representatives participated in the liability causing event, each Party shall contribute to the common liability a pro rata share based upon its relative degree of fault as established by compromise, arbitration or litigation.

9. ENTIRE CONTRACT. This Agreement and the grant application on which it is based embody the entire contract between Town and CVUSD. The Parties shall not be bound by or be liable for any statement or representation of any nature not set forth in the grant application or this Agreement. Changes of any of the provisions of this Agreement shall not be valid unless reduced to writing and signed by both Parties.

10. TERMINATION. This Agreement may be terminated by a majority vote by the governing board of either Party. The Party terminating the Agreement must notify the other Party in writing prior to December 15 of the year prior to the effective date of termination. The effective date of termination will be June 30 of the year after notification.

11. RIGHT OF FIRST REFUSAL. If CVUSD sells the real property upon which the Facility is located, CVUSD shall first offer to the Town the Facility and real property of a size to effectuate the purpose for which the Facility was constructed at a price which is fair market value less an amount which is the total of the funds contributed by Town for original construction of the Facility plus all subsequent capital contributions to the Facility by Town.

12. WAIVER. The failure of either Party to insist upon strict performance of any of the provisions of this Agreement or to exercise any rights or remedies provided by this Agreement, or either Party's delay in the exercise of any such rights or remedies shall not

release the other Party from any of its responsibilities or obligations imposed by this Agreement and shall not be deemed a waiver of any right of the Party to insist upon strict performance of this Agreement.

13. ASSIGNMENTS AND SUBLETTING. Town shall not have the right to assign this Agreement or allow any other person or entity to use or occupy any or all of the Facility without the prior written consent of CVUSD, which consent may be granted or withheld at CVUSD's sole discretion.

14. DEFAULT. In the event that the Town fails to pay any fee or other sum required to be paid by the Town hereunder when due, or otherwise fails to comply with or observe any other provisions of this Agreement, in addition to any other remedy that may be available to the CVUSD by reason of such failure, whether at law or in equity, the CVUSD may immediately terminate this Agreement and all rights of the Town hereunder.

15. ARBITRATION. In the event of a dispute hereunder, the parties agree to use arbitration insofar as required by Arizona Revised Statutes Sections 12-1518 and 12-133, and the rules promulgated thereunder.

16. CONFLICT OF INTEREST. The Parties understand that this Agreement is subject to cancellation pursuant to Section 38-511 of the Arizona Revised Statutes.

17. GOVERNING LAW. This Agreement shall be governed by the laws of the State of Arizona, the courts of which state shall have jurisdiction of the subject matter hereof.

18. RELATIONSHIP.

A. The Parties agree that neither the Town nor any employees or other personnel of the Town will for any purpose be considered employees of CVUSD, and with respect to the Town and any employees or other personnel of the Town, CVUSD shall not be responsible in any manner for the supervision, daily direction and control of the Town and any of its employees or other personnel or the payment of salary (including withholding income taxes and social security), workers' compensation and disability benefits for Town and any of its employees or other personnel.

B. The Parties agree that neither CVUSD nor any employees or other personnel of the CVUSD will for any purpose be considered employees of the Town, and with respect to CVUSD and any employees or other personnel of CVUSD, the Town shall not be responsible in any manner for the supervision, daily direction and control of CVUSD and any of its employees or other personnel or the payment of salary (including withholding income taxes and social security), workers' compensation and disability benefits for CVUSD and any of its employees or other personnel.

19. AUTHORITY.

A. The individual signing below on behalf of the Town hereby represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of the Town and that this Agreement is binding upon the Town in accordance with its terms.

B. The individual signing below on behalf of CVUSD hereby represents and warrants that he/she is duly authorized to execute and deliver this Agreement on behalf of CVUSD and that this Agreement is binding upon CVUSD in accordance with its terms.

**INTERGOVERNMENTAL AGREEMENT**

BETWEEN  
THE STATE OF ARIZONA  
AND  
TOWN OF CAMP VERDE

THIS AGREEMENT is entered into \_\_\_\_\_, 2007, pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between the STATE OF ARIZONA, acting by and through its DEPARTMENT OF TRANSPORTATION (the "State") and The TOWN OF CAMP VERDE acting by and through its TOWN COUNCIL (the "Town").

**I. RECITALS**

1. The State is authorized by Arizona Revised Statutes Section 28-401 to enter into this agreement and has delegated to the undersigned the authority to enter into this agreement.
2. The Town is authorized by Arizona Revised Statutes Section 9-240 and 11-951 et seq. to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the Town.
3. SAFETEA-LU Funds has been authorized between the State and the Town to jointly participate in Safe Routes to School (SRTS) project with SRTS funds in the amount of \$34,675. ADOT has recommended the approval of such funds to be expended per the tasks proposed in the Town's approved application, and the State Transportation Board has approved the project.

THEREFORE, in consideration of the mutual agreements expressed herein, it is agreed as follows:

---

## **II. SCOPE OF WORK**

### **1. The Town shall:**

- a. Accomplish construction of the Project by utilizing internal resources or by public bidding, in strict compliance with State and federal laws, rules and regulations. The Town will award the contract after concurrence by the State and will be fully responsible for administration of the contract through completion and acceptance of the project including maintenance.
- b. Invoice the State on a quarterly basis along with quarterly project status reports. Provide the quarterly program evaluation data with the invoice. Reimbursement for SRTS funds shall be address to Arizona Department of Transportation, ATTN: SRTS Program Coordinator, 206 S. 17<sup>th</sup> Ave., MD310B, Phoenix, AZ 85007, in an amount not to exceed \$34,675.
- c. Provide the State a copy of the executed Project contract(s), expend the State SRTS funds no later than eighteen (18) months after the effective date of this agreement. Provide the State detailed written reports of all SRTS fund expenditures, supported by invoices, receipts or other suitable and appropriate documentation, and a final accounting report no later than thirty (30) days after SRTS funds are fully expended.
- d. Comply with all applicable State, Federal and local requirements. The Town will comply with all applicable provisions of Titles 23 (FHWA) and 49 (United States DOT) and other applicable Codes of Federal Regulations (C.F.R.'s).
- e. Comply with the requirement of Title 21 V.S.A. Chapter 5, Subchapter 6, relating to fair employment practices, to the full extent applicable. The Town shall also ensure to the full extent required by the Americans with Disabilities Act of 1990 that qualified individuals with disabilities receive equitable access to the services, programs and activities provided by the Town under this agreement.

### **2. The State will:**

- a. Within thirty (30) days after receipt and approval of the SRTS contract(s) and subsequent monthly progress payment invoices, reimburse the Town for work completed on the Project in an amount not to exceed \$34,675.
- b. Will review the National Environmental Policy Act (NEPA) environmental document (Categorical Exclusion CE), Environmental Assessment (EA), or Environmental Impact Statement (EIS) for the Town and after ensuring that it is in order, will process Environmental Clearance (attached).

## **III. MISCELLANEOUS PROVISIONS**

1. The State assumes no financial obligation or liability under this agreement. The Town assumes full responsibility for the design, plans and specifications, reports, the engineering in connection therewith, cost over-runs and claims. It is understood and agreed that the State's participation is confined solely to securing federal aid. Any damages arising from carrying out, in any respect, the terms of this agreement or any modification thereof, shall be solely the liability of the Town. The Town hereby agrees to save and hold harmless and indemnify from loss the State, any of its departments, agencies, officers or employees from any and all cost and/or damage incurred by any of the above and from any other damage to any person or property whatsoever which is caused by any activity, condition, or event arising out of the performance or nonperformance of any provisions of this agreement by the State, any of its departments, agencies, officers and

employees, the Town, or any of its agents, officers and employees, or any of its independent entities. Costs incurred by the State, any of its departments, agencies, officers, or employees shall include in the event of any action, court costs, and expenses of litigation or attorneys' fees.

2. The total amount of SRTS funds expended under this agreement shall not exceed the total Project cost. Should the Project not be completed, be partially completed, or be completed at a lower cost than the advanced amount, or for any other reason should any of these SRTS funds not be expended, a proportionate amount of the funds provided under this agreement shall be reimbursed to the State.
3. This agreement shall remain in force and effect until completion of said Project, reimbursement and subsequent reports; provided, however, that this agreement, except any provisions herein for maintenance, which shall be perpetual, unless assumed by another governmental agency, may be cancelled at any time prior to the award of a contract, upon thirty (30) days written notice to the other party. Further, this agreement may be terminated and the SRTS grant cancelled by the State if the Town, in the opinion of and by action of the Transportation Board, fails to pursue due diligence on the Project or in the performance of any of the terms of this agreement.
4. This agreement shall become effective upon filing with the Secretary of State.
5. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511 as regards to conflicts of interest on behalf of State employees.
6. The provisions of Arizona Revised Statutes Section 35-214 pertaining to 5-year records retention and audit by the State are applicable to this contract.
7. In the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth in Arizona Revised Statutes Section 12-1518.
8. In accordance with Arizona Revised Statutes Section 11-952 (D), attached hereto and incorporated herein is the written determination of each party's legal counsel that the parties are authorized under the laws of this state to enter into this agreement and that the agreement is in proper form.
9. The provisions of Arizona Revised Statutes, 41-1463 of the State of Arizona are incorporated by this reference as a part of this intergovernmental Agreement. (Non-Availability of Funds. Every payment obligation of the State under this contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. If funds are not allocated and available for the continuance of this contract, this contract may be terminated by State at the end of the period for which the funds are available. No liability shall accrue to the State in the event this provision is exercised, and the State shall not be obligated or liable for any future payments or for any damages as a result of termination under this paragraph.)
10. This agreement is subject to all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, USC. 12101-12213) and all applicable federal regulations under the ACT, including 28 CFT Parts 34 and 36. (Non-Discrimination. The Town shall comply with Executive Order 99-4, which mandates that all persons, regardless of race, color, religion, sex age, national origin or political affiliation shall have equal access to employment opportunities, and all other applicable state and federal employment laws, rules and regulations, including the Americans With Disabilities Act. The Town shall take affirmative action to ensure that applicants for employment and employees are not discriminated against due to race, creed, color, religion, sex, age, national origin or political affiliation or disability.)

11. All notices or demands upon any party to this agreement, except as otherwise specified herein, shall be in writing and shall be delivered in person or sent by mail addressed as follows:

4. Complete and mail quarterly reimbursement request forms to ADOT.
5. On a quarterly basis, complete and submit the evaluation form entitled "Project Evaluation Form – Quarterly Data" (see below) that includes the required walking/biking data and summarizes your project's performance for that period. In order for your quarterly reimbursements to be processed, you must submit your evaluation forms.
6. At the close of your project, submit with your final Quarterly Reimbursement Request the evaluation form entitled "Project Close-Out Evaluation Report."
7. Use the funds in a timely manner. Grant awards for non-infrastructure projects will be valid for an eighteen-month period beginning at the time of the award; infrastructure projects are valid for twenty-four months. If the project is not completed within this time, ADOT has the right to discontinue reimbursements to the applicant, unless the applicant can prove that sufficient progress has been made. ADOT then may then grant the applicant a six-month extension for utilizing the funds.

**RESOLUTION NO. 2007-717**

**A RESOLUTION OF THE MAYOR AND COMMON COUNCIL OF THE TOWN OF CAMP VERDE, YAVAPAI COUNTY, ARIZONA, AUTHORIZING AN APPLICATION FOR AN ARIZONA DEPARTMENT OF TRANSPORTATION SAFE ROUTES TO SCHOOLS PROGRAM GRANT ON BEHALF OF THE TOWN AND THE CAMP VERDE UNIFIED SCHOOL DISTRICT, NUMBER 28 FOR SAFETY IMPROVEMENTS, ENFORCEMENT AND EDUCATION TO POSITIVELY IMPACT STUDENT BICYCLE AND PEDESTRIAN ROUTES TO SCHOOL AND THE STUDENTS, PARENTS, DISTRICT STAFF AND COMMUNITY MEMBERS UTILIZING SAID ROUTES.**

**WHEREAS**, the Common Council of the Town of Camp Verde has designated the area surrounding Camp Verde Unified School District, Number 28 as the focus for safety improvements, enforcement and education to promote bicycling and walking as transportation alternatives for elementary and middle school students; and

**WHEREAS**, the Town of Camp Verde recognizes the need for aggressive, coordinated public action to improve the safety of bicycle and pedestrian routes for youth and community members in the two-mile radius of the school district; and

**WHEREAS**, the safety improvements, enforcement and education proposed in the Cycle One non-infrastructure grant project for the Camp Verde Unified School District area will result in: the encouragement of healthy and active lifestyles for our local youth; the planning, development and implementation of equipment acquisition and safety enforcement/education projects and events to improve safety, control traffic speed and reduce fuel consumption and air pollution within our community and near our local schools; as well as increasing student, parent and citizen involvement in these essential efforts.

**NOW, THEREFORE, BE IT RESOLVED** that the Mayor and Common Council of the Town of Camp Verde, Arizona, hereby authorize the submission of an application for a Safe Routes to Schools Program Grant.

**PASSED AND ADOPTED** by the Mayor and Common Council of the Town of Camp Verde, Arizona, this 17th day of January 2007.

### **Post-Selection Responsibilities**

If your project is selected you will be required to do the following:

1. Enter into a written contract with ADOT.
2. Submit the evaluation form entitled "Project Evaluation Form – Baseline Data" (see below) within the first school month after your project has been selected.
3. Communicate regularly with ADOT Safe Routes To School Program coordinator.
4. Complete and mail quarterly reimbursement request forms to ADOT.
5. On a quarterly basis, complete and submit the evaluation form entitled "Project Evaluation Form – Quarterly Data" (see below) that includes the required walking/biking data and summarizes your project's performance for that period. In order for your quarterly reimbursements to be processed, you must submit your evaluation forms.
6. At the close of your project, submit with your final Quarterly Reimbursement Request the evaluation form entitled "Project Close-Out Evaluation Report."
7. Use the funds in a timely manner. Grant awards for non-infrastructure projects will be valid for an eighteen-month period beginning at the time of the award; infrastructure projects are valid for twenty-four months. If the project is not completed within this time, ADOT has the right to discontinue reimbursements to the applicant, unless the applicant can prove that sufficient progress has been made. ADOT then may then grant the applicant a six-month extension for utilizing the funds.

**Town of Camp Verde/Camp Verde Unified School District**  
**Safe Routes to Schools Program Abstract**

**APPLICANT ORGANIZATION:** The Town of Camp Verde (TOCV) will be the applicant and fiscal agent for Arizona Department of Transportation (ADOT) Safe Routes to Schools (SRTS) funds on behalf of Camp Verde Unified School District (CVUSD)'s elementary and middle schools. CVUSD is a pre-kindergarten through twelfth grade district with an enrollment of 1,604 students. The District encompasses five (5) schools: elementary, middle school, junior high, high school and (as of January 1, 2007) a (9 - 12) charter school facility, which plans to add grades 6 - 8.

**NEED:** The Transportation and Circulation Element within the TOCV's General Plan includes the following Implementation Strategies: "Provide for bike paths and lanes...linking neighborhoods and commercial areas, when road widening and resurfacing projects are considered..."; "Utilize the Trails/Parks...as a way to provide alternate means of transportation"; "Identify and develop walkways and trails that link neighborhoods and preserve a "sense of community" and the ability to interact with neighbors"; and "Maintain and improve existing roads in a safe and cost-effective manner..."...coordinating "...funding of improvement and expansion projects with ADOT and other entities when possible."

The Town will complete a Small Area Transportation Study by early June 2007 to formally plan and guide the revamping of its pavement management system; including roadways, transportation and recreational trails, bike lanes and bike paths. Thus, the timing is right to kick off a three phase safety-focused Safe Routes to Schools campaign whereby Phase I is this non-infrastructure bicycle and pedestrian education, enforcement, encouragement and evaluation project to increase the number of elementary and middle school students bicycling and walking to school. Phase II will be the infrastructure follow up to incorporate SRTS' fifth "E", engineering, so that roadways within a two-mile radius of CVUSD are corrected to allow safer bicycling and walking access for students. Phase III then will be continued work by CVUSD with \$8 - 10 million in potential bond referendum dollars upon which Camp Verde residents will vote in November 2007. Funds could construct more sidewalks, complete additional road marking, striping, signage and traffic flow improvements by potentially straightening out one arterial roadway through District property to improve safety for children across the CVUSD campus.

According to the 2000 U.S. Census, the median income for households in Camp Verde in 1999 was \$31,868, and for families, the median income in 1999 was \$37,049. For this reason, many families are not able to afford bicycles and/or bicycle safety gear; e.g., helmets, reflective vests, headlights, etc. for their children.

Camp Verde Unified School District, Number 28, indicates that there are (721) elementary and (400) middle school children enrolled for the 2006-07 school year, and anticipates that in the next few years the local charter school will host an enrollment of 20 - 30 students. Approximately (5) of these children regularly walk or bicycle to school, while the balance of the student population is being bussed to school despite the fact that (110) students live within .5 to 1 mile from the school.

An SRTS Team comprised of the CVUSD Transportation Director, TOCV Public Works Engineer and Street Inspector, the SRTS Team Coordinator/Grant Writer and a recognized local SRTS bicycle safety trainer/advocate was formed for the purpose of preparing this Cycle One Non-Infrastructure grant. The Team also was charged with reviewing current numbers of students walking and bicycling to school and the "walkability" and "bikeability" of the most trafficked routes to the schools. The Transportation Director, a Camp Verde resident born and raised in the community, stated that for several generations precious few students have walked or bicycled to school in Camp Verde, because parents, community members and school staff believe the roadways are not safe enough for young people to do so.

A "walkabout" conducted by the SRTS Team indicated that indeed the following bicycle/pedestrian safety and infrastructure problems must be addressed: As regards "bikeability", there are relatively few safe places to bicycle, because roadways within a two-mile radius of CVUSD are: too narrow, limiting available space for bicyclists to ride; poorly lit for riding to/from dusk or evening games, sporting practices, school events or meetings; littered with debris and constructed of materials that create uneven surfaces and gaps. While the visibility at and construction of local intersections is not too bad, drivers often pass bicyclists and pedestrians too closely and with too much speed. There are currently no detached biking facilities and very limited bike lane facilities. As regards "walkability", sidewalks exist only at the school district, so student pedestrians within a two-mile radius of CVUSD must walk on road shoulders along roadways where crosswalks and striping are nearly invisible or totally non-existent, visibility is poor due to brush, landscaping, hills and blind curves, and street lighting is lacking.

**PROJECT OBJECTIVES:** The **Camp Verde B Safe Project (CVBSP)** is Phase I in a three phase campaign that will achieve the following bicycle and pedestrian-focused safety goals and objectives to:

- **EDUCATE** - Because so few students and older community members historically have bicycled or walked to Camp Verde schools, the education campaign to encourage these behaviors must begin with parents, CVUSD and TOCV staff and community members, as well as the elementary and middle school children. Education will include: (1) bicycle and pedestrian safety (especially an introduction to vehicular bicycling in an environment that currently lacks adequate infrastructure); (2) proper utilization of bicycle safety gear; (3) simple bicycle maintenance and repair; (4) the long-term health and wellness benefits associated with a lifestyle which incorporates these activities; and (5) events, training sessions, pamphlets and publications to accomplish the above.
- **ENFORCE** - Via the purchase of a Kustom Signals Smart Model I mobile speed radar trailer devoted exclusively to use within a two-mile radius of the school district, the TOCV Marshal's Office and District staff will amass speed-related data essential for enforcement planning and activities. By backing this trailer up with marshals in speed traps in close proximity, school zone speed limits can better be enforced, which can have lasting influence on improving safety around CVUSD property and local neighborhoods. The Explorer's, a youth group aged 14 to 20 that completes a mini academy curriculum designed to "explore" careers in law enforcement, have been solicited to assist in bicycle and pedestrian safety enforcement efforts around CVUSD and the community. These young people may potentially attend introduction to vehicular bicycling and pedestrian safety training, as well as any available bicycle law enforcement training to perform voluntary supervision of bike train, walking bus, bike rodeo and trail bike/hike events.
- **ENCOURAGE** - By first providing mandatory bicycle and pedestrian safety education, then providing (4) fun and exciting bike rodeos and (2) 5K/10K trail bike/hikes to which attendance is rewarded and encouraged with "give aways", safe bicycle riding and walking to school will naturally increase. Thus, under the **Camp Verde B Safe Project** every CVUSD elementary and middle school student will receive a bicycle helmet. Further, the project will give away (50) bicycles for bike rodeo, bike/hike and safety essay contest event winners. (200) additional bicycle helmets will be given to parents and/or community volunteers that complete **CVBSP**-sponsored bicycle and pedestrian safety training to assist at bike rodeo, bike train, walking bus, and trail bike/hike events. Reflective bike vests, headlights and blinking leg lights, horns, locks, tire pumps, water bottles, interactive safety video games, event t-shirts and trophies will be given away not only to encourage bicycling, but to further educate students and ensure that as they do bicycle, they have the essential protective gear. Additionally, collaboration with the local Wal Mart, local businesses, hospital and diabetes project for the purchase of these items and the use of their expertise to train the young people at events in how to maintain and repair their bikes, and live healthy and active lifestyles will create a foundation upon which this SRTS project will be sustained for many years to come.
- **EVALUATE** - The CVUSD Grant Writer, TOCV Grant Administrator, CVUSD teaching staff, students and parents will work together to evaluate project success by several methods compiling results and data obtained during the course of the project to complete required baseline data, quarterly and close-out project evaluation reports and completion of a final report, which includes goals and objectives achieved, funds expended by line item and results of the Safety Gear and Training surveys. Additionally, bicyclists using the bike lane along Montezuma Castle Road will be tracked quarterly and at the project's end for use in reporting back to the SRTS program, the TOCV Engineer and Streets Department and CVUSD for planning of upcoming bicycle infrastructure projects; e.g., adding an additional bike lane along the east side of the roadway.

**STAFF:** Bill Lee, TOCV Town Manager; Dr. Jeff Van Handel, CVUSD Superintendent; Michael Casebier, TOCV Grant Administrator; CVUSD's Grant Writer, Elementary and Middle School teaching staff, Parent-Teacher Association members and high school student volunteers; TOCV Marshal's Office, Parks and Recreation, Public Works and Streets Department staff; TOCV Trails and Pathways Commission members; potential Explorer group members; potential Yavapai-Apache Nation Diabetes Project and Cliff Castle Casino staff; Verde Valley Medical Center staff; and **CONTRACTED BICYCLE/PEDESTRIAN TRAINING SERVICES:** Randy Victory, Verde Valley Cyclists Coalition President, and other local bicycle and pedestrian training consultants.

**BUDGET & LENGTH OF PROJECT:** The Town is requesting approximately \$35,000.00 in grant funds from the Safe Routes to Schools Cycle One Non-Infrastructure Program for the **Camp Verde B Safe Project**. SRTS funds need to be utilized within (18) months from the grant award date. Grant awards will be announced in May 2007 with funds being awarded in September 2007. The Town and CVUSD are committed to sustaining the **CVBSP** well into the future; thus, will seek \$45,000.00 in additional grant funds from the upcoming Safe Routes to Schools Cycle Two Infrastructure Program as well as leveraging other sources of grant funding, including, but not limited to, the ADOT's Transportation Enhancement Program (T-21) funding, the Association for Supervision and Curriculum Development's \$10,000.00 Healthy School Communities grant, and the \$300,000.00 Carol M. White Physical Education Program.

1. Why do you want to serve on this commission? The availability of affordable/attainable housing is a vital component of a community's economic viability and its sustainability. As a Council member, I was a strong proponent of developing the Town's housing program and the Housing Department.

2. Tell us about yourself. How long have you lived in the area, your experience, your interest in the community. Any general information you believe pertinent. I have been a permanent resident for 21 yrs and a visitor since the early 1940s when my parents moved here. I have 4 generations that are all very proud to call Camp Verde home. I served twice as a Council member, once as a Vice Mayor, the Executive Board of NACOG and the Piste pool.

3. What experience and/or knowledge do you have that makes you uniquely qualified to serve on this commission?

As a Council member, I remained committed to the housing efforts, never missing one Gov Conference or Rural Development, which focuses on housing efforts throughout the state. I was the only Council member that participated in these conferences. I never missed an opportunity to discuss our housing needs with regional, county, and state officials. I'm very proud of the work that staff and Council have accomplished in such a short period of time!

4. What do you believe the duties of this commission are and how much time do you expect to spend accomplishing these tasks? \_\_\_\_\_

*The duties are defined by the Town Code and determined by the Town's needs. A Commissioner's duty is to research, advise, and make recommendations to Council.*

5. (Answer only if you are applying for Planning & Zoning Commission) Have you read the Camp Verde General Plan? How does the General Plan relate to decisions you will be making as a commissioner? What do you think of the General Plan as it is now and where do you see it going in the future? \_\_\_\_\_

**PLEASE ANSWER THE FOLLOWING QUESTIONS**

(Attach additional sheet if necessary)

1. Why do you want to serve on this commission? Camp Verde has a situation of limited and often expensive housing. I desire to be part of developing a strategic approach to improve housing opportunities. Critical to this is public engagement (open meetings, etc) and collaboration with other CV committees for infrastructure and amenities (parks, trails, streets)
2. Tell us about yourself. How long have you lived in the area, your experience, your interest in the community. Any general information you feel pertinent. We have had property here since 1993, built a home in 2000, and became a resident in 2002. I supervise employees who need long and short term affordable housing. I am concerned about lack of housing as well as lack of public engagement in overall planning. Camp Verde can develop housing and retain its appeal of open space, friendly community, and quality of life.
3. What experience and/or knowledge do you have that makes you uniquely qualified to serve on this commission?

I have been federally employed for 30 years as an ecologist and manager. I have extensive experience in planning, public engagement, compliance, and completing projects. I have written many reports and scientific ~~reports~~ articles.

4. What do you believe the duties of this commission are and how much time do you expect to spend accomplishing these tasks?

I believe the duties include examining the housing needs of Camp Verde to prepare a gap analysis of what exists and what is needed in the future. With this information, develop strategic action to bridge the gap, which can include demographic analysis,

5. (Answer only if you are applying for Planning & Zoning Commission) Have you read the Camp Verde General Plan? How does the General Plan relate to decisions you will be making as a commissioner? What do you think of the General Plan as it is now and where do you see it going in the future?

accessibility (Americans with Disabilities Act), infrastructure, traffic and roadways, sanitation, cost, housing type (single family, multiple family, apartments, etc), neighborhood parks, etc. Critical to success is working collaboratively with other committees, commissions, town hall, town council, and public. I expect a minimum of 10 hours monthly

**PLEASE ANSWER THE FOLLOWING QUESTIONS**  
(Attach additional sheet if necessary)

1. Why do you want to serve on this commission? For years my children and I have enjoyed the activities that Parks n' Rec has provided. Now I feel it is time to give back and help to provide these services to other citizens. Having become somewhat involved in the town, I realize that these events and activities require the time and effort of town staff and volunteers.

2. Tell us about yourself. How long have you lived in the area, your experience, your interest in the community. Any general information you feel pertinent. I am a native Arizonian and have lived in Camp Verde for the past 22 years. I and my children have been regular patrons of town events and activities. I support the festivals and activities the town sponsors. It is these events and activities that set us apart from other towns in the Verde Valley.

3. What experience and/or knowledge do you have that makes you uniquely qualified to serve on this commission?

My strongest quality in serving on this commission is the fact that I love my community. Camp Verde has been my home for the last twenty plus years and will be for the rest of my life. I would like to volunteer my time in making Camp Verde the best it can be.

4. What do you believe the duties of this commission are and how much time do you expect to spend accomplishing these tasks? I believe the duties involve making recommendations  
to the town council regarding concerns and ideas relating to the  
commission. Other duties might include assisting the Parks n' Rec.  
department in organizing and running town events. I would  
be available to the commission anytime except work hours.

5. (Answer only if you are applying for Planning & Zoning Commission) Have you read the Camp Verde General Plan? How does the General Plan relate to decisions you will be making as a commissioner? **PLEASE ANSWER THE FOLLOWING QUESTIONS**

(Attach additional sheet if necessary)

1. Why do you want to serve on this commission? As a resident I am an interested citizen . I have observed the increasing complexity of plots, plans, and ordinances proposed by different staff and councils. Camp Verde needs correctness. We have good people serving in many capacities and knowledge, concern and conformance to the codes in place is important – to guarantee a level playing field.
2. Tell us about yourself. How long have you lived in the area, your experience, your interest in the community. Any general information you believe pertinent. Have been a resident since August 1993. Own a motel which is being remodeled. Assisted in Parks and Recreation projects. Served on the Board of Adjustments, attended the training from the Department of Commerce. I work as a manager for a licensed, bonded, registered contractor and bid, perform and complete work in accordance with various Towns (Prescott Valley, Sedona, Jerome, Clarkdale, Prescott, Phoenix, Flagstaff, Yuma) regulations, Codes and ordinances.
3. What experience and/or knowledge do you have that makes you uniquely qualified to serve on this commission? A working knowledge of Codes, visual concept of plans
4. What do you believe the duties of this commission are and how much time do you expect to spend accomplishing these tasks? To evaluate the data submitted and participate in public hearings as required.
5. (Answer only if you are applying for Planning & Zoning Commission) Have you read the Camp Verde General Plan? How does the General Plan relate to decisions you will be making as a commissioner? What do you think of the General Plan as it is now and where do you see it going in the future? Yes. The GP is a guideline for decisions. It's an interesting concept and the citizens of the community will determine its direction in the future.

## Agreement for Contracted Services

This AGREEMENT entered into by and between SEDONA RECYCLES, IN., a nonprofit corporation of Sedona, Yavapai county, Arizona, hereinafter referred to as "RECYCLES" and the TOWN OF CAMP VERDE, a municipal corporation, hereinafter referred to as "[TOWN]", this 15th day of August, 2007.

WHEREAS, the TOWN is a municipal corporation organized under the laws of the State of Arizona and entitled to provide services and enter into contracts for the purpose of obtaining services or benefits which otherwise could not provide; and

WHEREAS, RECYCLES is a non-profit corporation that provides services and programs that benefit the reside within the local community; and

WHEREAS, the TOWN desires to contract for certain services for the benefit of the residents of the TOWN, and RECYCLES desires to provide to the TOWN certain services for the benefit of the residents of the TOWN;

NOW THEREFORE, in consideration of the mutual promises and covenants of the parties, and to the good and valuable considerations, the parties agree as follows:

1. Recycling Center. All material collected shall be taken to RECYCLES facilities for the purpose of collecting, separating and processing various recyclable materials, including aluminum cans, steel cans, glass bottles and containers, cardboard, newspapers, and plastics and shall be responsible to pay the cost for operation said facilities.

2. Subcontractors. Subcontracting the work shall not be allowed without approval of the TOWN.

3. Containers & Signing. RECYCLES will provide containers in which the materials are to be collected. All bins shall be of a design approved by the TOWN. It is the responsibility of RECYCLES to provide signing indicating the type of material and requirements of recycling that material on each bin. In addition, signing is required stating general information about the operation of the site. Signing must be pre-approved by the Town Clerk.

4. Site & Site Maintenance. The site will be supplied by the TOWN. All necessary site improvements are to be made by the TOWN. It is the responsibility of the TOWN to provide monitoring and clean up of the site, including recyclable or non-recyclable materials left outside of the bins.

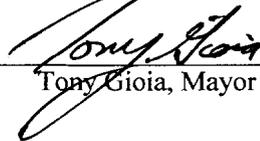

5. Fees. The TOWN shall reimburse RECYCLES for such service. This amount shall be based on the following table:

Item	Cost
Hauling & Recycling Cardboard per 30 yd. Roll-off Container	\$90 per pull

**Type(s) of Presentation:** Verbal Only

**AGENDA TITLE:** Public Hearing, Discussion and possible Action on Ordinance 2007 A340 amending the Planning and Zoning Ordinance Section 108 I Use Permits language and explaining under what circumstance a use permit may be granted and why limitations may be placed in the use permit.

**PURPOSE AND BACKGROUND INFORMATION:** The attached amendment to Section 108I is to change the language to address when use permits should be used in place of re-zonings and better explain the limitations that could be placed on the activity.

**Commission Recommendation:** The P& Z Commission held a public hearing on August 9, 2007 and voted to recommend to Council approval of AMD 2007-06 to the Planning & Zoning Ordinance Section 108 I Use Permit language. During their discussion, the following issues were raised:

1. Why use permits should be used, rather than rezoning, for activities requiring permanent facilities.
2. The reason for the removal of the time limit.
3. Why some of the new language was added.
4. The revisions were good and cleaned up the current language.
5. Citizen participation in the use permit process.
6. Limitations that could be imposed on locations for Fire Houses and other intensive facility uses.

**AN ORDINANCE OF THE MAYOR AND COMMON COUNCIL OF  
THE TOWN OF CAMP VERDE, YAVAPAI COUNTY, ARIZONA  
AMENDING SECTION 108 I OF THE ZONING ORDINANCE AMENDING THE LANGUAGE TO  
INCLUDE CIRCUMSTANCES A USE PERMIT MAY BE GRANTED AND ADDING THE CRITERIA  
UNDER WHICH LIMITATIONS MAY BE PLACED ON THE USE PERMIT.**

**WHEREAS**, the Town of Camp Verde adopted the Planning and Zoning Ordinance in Ordinance 87 A23, approved July 9, 1987, and

**WHEREAS**, Section 108 of the Planning and Zoning Ordinance allows for the amendment, supplement or change of zoning text regulations of the Planning and Zoning Ordinance by the Town Council, and

**WHEREAS**, the Town Council has an abiding interest in protecting the public health safety and welfare by establishing requirements for provisions of the Planning and Zoning Ordinance by including definitions.

**NOW, THEREFORE BE IT ORDAINED BY THE MAYOR AND COMMON COUNCIL OF THE TOWN OF CAMP VERDE AS FOLLOWS:**

**Section 1.** Section 108 I of the Zoning Code is hereby amended as the following:

**I. USE-PERMITS:**

1. **Purpose:** Use Permits (UP) are provided for instances where a use or uses normally prohibited by a use district should be allowed due to the unique characteristics of the property and of the surrounding areas, but a rezoning to a less restrictive use district is not appropriate **to ensure the orderly use of land in conformance with the General Plan and applicable Town standards where uses are proposed that may require special limitations or conditions to provide compatibility with other uses.** ~~The UP is combined with some other zoning district.~~
2. **Uses Permitted:** ~~All uses allowed in the use district with which the UP is combined.~~ Any use permitted under the specific terms of the UP **and noted as (UP) in Section 109.**
3. **Special Provisions:**
  - a. ~~Use Permits are applied for in the same manner as zoning district changes.~~ **The procedure to obtain a use permit**

**shall be that procedure set forth in Section 113 A & B of this ordinance.**

- b. Use Permits will be issued for a maximum period of 10 years and may be extended, and modified, by the Town Council for additional periods **granted only upon a finding by the council that the use covered by the permit, the manner of its conduct, and any structure which is involved, will not be detrimental to persons residing or working in the vicinity, to adjacent property, to the neighborhood, or to the public welfare in general, and that the use will be in conformity to any conditions, requirements, or standards prescribed by the Town Code or Council.**
- c. Use Permits may contain specific limitations on the scope, nature and duration of the use, as deemed proper **in accordance with the following criteria:**
- (1) Any significant increase in vehicular or pedestrian traffic;**
  - (2) Nuisance arising from the emission of odor, dust, gas, noise, vibration, smoke, heat, or glare at a level exceeding that of ambient conditions;**
  - (3) Contribution to the deterioration of the neighborhood or to the downgrading of property values which, is in conflict with goals, objectives or policies of the General Plan;**
  - (4) Compatibility with existing surrounding structures and uses; and**
  - (5) Adequate control of disruptive behavior both inside and outside the premises, which may create a nuisance to the surrounding area or general public.**
- d. **The burden of proof for satisfying the above requirements shall rest with the applicant. A refusal of a use permit shall not be interpreted as the denial of a right, conditional or otherwise.**

- e. ~~To secure the objectives of this Ordinance,~~ use permits may be for a fixed time period, and a use permit does not grant a vested right beyond the term of the permit. Where an application involves a definite development scheme, the applicant must submit a layout and landscape plan, building elevations and other pertinent data as may be requested. **and the council may condition the Use Permit to fully carry out the provisions and intent of the Ordinance.**
- f.d. the Permittee must obtain building permits within six months from the date the use permit was issued. Failure to obtain a building permit or begin the use shall void the permit unless a delay to start the construction has been granted or an extension has been applied for with the Community Development Director prior to the expiration of the six-month period. Additional extensions must go to Council.
- g.e. Violation of the terms of the Use Permit or this Ordinance voids the Use Permit.
- h.f. If the use or uses for which a Use Permit has been granted are discontinued for a continuous period of six months, the Use Permit is voided.
- i.g. Decisions by the Community Development Director which result in the voiding of the Use Permit may be appealed to the Town Council, subject to an application for appeal being on file in the Community Development Department within thirty (30) days of notification of the Use Permit being voided.
- j.h. Within thirty (30) days of any change, permittees shall notify the Community Development Department of any changes.
- k. ~~If the Use Permit was granted on a non-transferable basis, the new owner/operator of the Use Permit must apply for a transfer of the Use Permit within thirty (30) days of the effective date of the change~~ **The Use Permit is valid and operable only for the specific use as granted and subject to any specified time limit. No use may be modified, changed, altered or increased in intensity, in any manner that conflicts with the Use Permit and/or required conditions of approval, without approval of a new Use Permit.**

**Section 2.** All ordinances or parts of ordinances in conflict with the provisions of this ordinance or any part of the code adopted herein by reference, are hereby repealed, effective as of the effective date of this ordinance.

**Section 3.** If any section, subsection, sentence, clause, phrase or portion of this ordinance is for any reason held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions thereof.

**Section 4.** This ordinance is effective upon completion of publication and any posting as required by law.

**PASSED AND APPROVED** by a majority vote of the Town Council of the Town of Camp Verde, Arizona on this 5th day of September 2007.

Dear Mr. Smith:

It is time to update our Comprehensive Economic Development Strategy (CEDS) Goals and Priorities List for 2007-2008. A copy of the Goals and Priorities for 2006-2007 is enclosed for your reference. **A copy is also being provided to each of your Economic Development Council members for their input and updates.**

As a reminder, Economic Development Council sponsored funding opportunities can only be considered for those projects listed within the NACOG CEDS Goals and Priorities List. Therefore, it is important that you update the enclosed project list for your City, Town or County. The District also utilizes the information provided to identify and track local economic development activity for planning purposes. Completed updates should be returned to my office no later than **September 14, 2007**. If an update is not received from your area, those projects will be considered "as is".

**Please have your NACOG EDC member review the CEDS and update, identify and prioritize their projects.** Indicate projects that have been completed with an asterisk (\*) and provide the date that it was completed. Delete any items that are no longer appropriate by striking through and placing a "D" after that item/project. New or anticipated projects can be added and priority numbers revised/updated, using 1 = urgent, 2 = intermediate, 3 = long range. (Please see the enclosed example)

Thank you for your assistance. If you have any questions or need additional information, please do not hesitate to contact me or Kris Mass at 928/778-1422 or [kmass@nacog.org](mailto:kmass@nacog.org).

Sincerely,

Teri Drew

Sept 6, 2007 – Regular Session – 6:30 p.m.

On a motion by German, seconded by Burnside, the Consent Agenda was unanimously approved as presented.

**5. Call to the Public for Items not on the Agenda**

There was no public input.

**6. Public Hearing, Discussion and possible Recommendation: to Council on Amendment AMD 2007-06 amending the Planning & Zoning Ordinance Section 108 I Use Permits language per the attorney's recommendation as directed by the Council to better clarify the language and explain under what circumstances a use permit may be granted and why limitations may be placed on the use permit.**

On a motion by Bullard, seconded by Hisrich, the Commission voted unanimously to recommend to Council approval on Amendment AMD 2007-06 amending the Planning & Zoning Ordinance Section 108 I Use Permits, as written.

Community Development Director Buckel reviewed the background leading up to the subject proposed amendment, explaining that the Town Attorneys have worked with staff on the amendment language, and are proposing that the Commission move forward with that. The Camp Verde Fire District needs a new

fire house, and the question revolved around whether to apply for a rezoning or develop it under a Use Permit. The attorneys have indicated that the Town could go either with rezoning or a Use Permit, or just do an IGA since the Fire District is a quasi-government agency. Buckel said that the Council has directed staff to pursue construction of policies within zoning ordinances in order to facilitate public facilities in an expedient manner through the Use Permit process; Buckel then pointed out the proposed necessary amendments as set forth in Sections 108-I and 109.

The Commission discussed with Buckel the issues of special districts, or private utilities serving the public, the amendments in the language that address those entities, and in particular the conditions that can be imposed through the Use Permit process. Buckel pointed out that input from the public as well is required during the Use Permit process. During the discussion Witt said he is frustrated that government does not have to follow the same rules as everyone else, that it can do whatever it wants to do under any exception, which the proposed amended language appears to support. However, Witt agreed that changes needed to be made. Buckel confirmed that the proposed language was submitted by the attorneys, that it will work, that the prior language did not work, and reiterated that the amendments were made pursuant to the direction by the Council regarding the Use Permit process in connection with private utilities and public service facilities. There was general consensus that the Commission should move forward with recommending approval of the subject amendment, and comment that government needs to have the ability to do what needs to be done for the community. As the discussion ended, Greg Terry spoke from the audience, informally opening a dialog with Chairperson Witt regarding the broad authority of government to impose certain conditions through Special Use Permits.

**7. Public Hearing, Discussion and possible Recommendation: to Council on AMD 2007-07 amending the Planning and Zoning Ordinance Sections 109 A,B, & C adding Use Permits language per the attorney's recommendation and as directed by Council to better clarify the allowance of locating government facilities and facilities required for the provision of utilities and public services in residential zoning districts.**

On a motion by German, seconded by Bullard, the Commission voted unanimously to recommend to Council approval on AMD 2007-07 amending the Planning and Zoning Ordinance Sections 109 A, B & C adding Use Permits language, as written.

Buckel said the subject amendment is a continuation of the prior item, showing the language that has been added under Permitted Uses to provide for government facilities and facilities required for the provision of utilities and public services; Buckel reviewed the zoning districts where Permitted Uses might apply.

Witt commenced the discussion, expressing his concern that a private utility might ultimately benefit at the expense of the public. The references to "utilities" and "public services" were questioned, with Buckel citing examples and explaining the necessary criteria that would apply.

After the motion was made and seconded recommending approval, Commissioner Burnside requested a definition of "public services" as referenced in the proposed language, and after discussion indicated he was satisfied with the definition Buckel provided from the Town Code regarding "public use."

**8. Commission Informational Reports:**

German reported on the status of the ad hoc committee that was formed in connection with the swine issue; they will be meeting tomorrow morning at 10:00 a.m., and there appears to be good representation at this point.

**9. Staff Report**

Buckel reviewed the items that have been continued or tabled, giving an update on each, including the issues of signage/sandwich boards and the input from the Town Engineer; use of shipping containers for storage purposes; the Use Permit for the Water Company; design of the off premise sign for the Gilberts; rezoning application and work with neighbors on the engineering of the drainage; and Section 108 language.

Buckel confirmed that the September meeting will include elections of a new Chairperson and Vice Chairperson; Commissioner Burnside has submitted his application to continue as a Commissioner, and he has been appointed to the Design Review Board in place of Bullard.

Buckel also advised the Commission that she will be attending the Governor's Rural Conference next week and will be gone from Tuesday afternoon to Friday.

**10. Adjournment**

On a motion by German, seconded by Bullard, the meeting was adjourned at 7:38 p.m.
