comprehensiveness, and order only. The Agenda Meeting will not be used for discussion or deliberation of the proposed agenda items. **Note: to avoid potential violations of Open Meeting Laws, no more than two Council members, in addition to the Mayor, may attend Agenda Meetings.** To avoid a possible quorum in attendance at an Agenda Meeting, interested members must notify the Town Clerk prior to an Agenda Meeting that he or she plans to attend.

Incomplete or inaccurate items and/or the timeliness of items shall cause them be removed from the agenda and returned to the appropriate department with a request to resubmit the item(s) upon resolution of the issue.

5.10 Presentations

This section of the Agenda is for allowing the Mayor, Council members, Town Staff, and invited interested parties to make informational presentations to the Town Council and the public. No action may be taken on Presentation items unless properly agendized. The Mayor or the Chair will monitor this.

5.11 Consent Agenda

- A. The Consent Agenda includes items that (i) are of such a nature that discussion may not be needed or required or (ii) have been previously studied by the Town Council. These items may be adopted by a single motion, second, and affirmative vote of a majority (4) Council members. All routine, administrative-type items, such as contract awards and approvals, etc. shall be placed on the Consent Agenda.

5.13 Adjournment

The open public meeting of the Town Council may be adjourned by a motion, a second, and an affirmative majority vote or by the Presiding Officer with voicing 'without objection' to Council Members. If there is 'objection', adjournment is delayed until objection is cleared. Process would be repeated for adjournment to occur."

Section 6 Procedures for Conducting the Meeting

Where practicable, executive sessions will be held prior to the regular business meetings, as opposed to during a meeting and/or following a meeting. Meetings will conclude at 10:00 p.m. unless a majority of Council votes to continue the meeting to a later time. Council member discussion may be limited by a majority vote if the agenda is large and the meeting is expected to last past 10:00 p.m. A break will be scheduled as close to 8:00 p.m. as possible.

6.1 Call to Order

All meetings shall be called to order by the Presiding Officer.

6.2 Participation of Presiding Officer

The Presiding Officer shall conduct the meeting. The Presiding Officer may debate and vote, subject only to such limitations of debate as are imposed on all Members.

6.3 Introduction/Explanation of Agenda Items

Consent Agenda Items: The Presiding Officer shall read the title and description. For other agenda items the Presiding Officer shall introduce those items by reading its full title and description, if any, and may provide additional information he or she deems necessary or reasonable.

6.4 Maintenance of Order

The Presiding Officer is responsible for the maintenance of order and decorum at all times. All questions and remarks shall be addressed to the Presiding Officer.

Section 7 Motions

7.1 Motion Procedure

- A. When a motion is made and seconded, it shall be stated by the Presiding Officer before debate.
- B. The maker of the motion has the right to modify his or her motion or to withdraw it entirely. If the motion is modified, the Member who has seconded it has the right to withdraw or affirm his or her second.
- C. If a modification to a motion made by another Member is accepted by the maker of the motion, the Member who seconded the unmodified motion shall be requested to reaffirm his or her second after modification. If the Member refused to reaffirm the second, the second is presumed made by the Member suggesting the modification.
- D. In the case of a tie in votes on any motion, the motion shall be considered defeated.

7.2 Motion to Approve or Adopt

A motion to approve or to adopt shall be to approve the Agenda item as proposed or as proposed with an amendment(s) or stipulation(s). After the motion is made and seconded, it shall require an affirmative majority vote (4 votes) to pass, unless the matter is subject to a super majority vote (two-thirds or three-quarters majority). If the motion fails, the Agenda item shall be deemed defeated, unless a new motion is introduced and seconded.

7.3 Motion to Deny or Disapprove

A motion to deny or to disapprove shall be to reject the Agenda item as proposed. After the motion is made and seconded, it shall require an affirmative majority vote (4 votes) to defeat the item. If the motion fails, the Agenda item will not be deemed approved, unless a separate motion to approve or adopt is made and seconded and passes by the requisite majority vote.

7.4 Motion to Postpone

A motion "to postpone" is used to postpone an item on the Agenda until a definite time or indefinitely. This motion is debatable, and because it can be applied only to the main question, it can, therefore, only be made while the main question is immediately pending (a motion and second is on the floor). This motion is commonly used to postpone an item until a more appropriate time.

7.5 Motion to Table

Motions to table or more properly, to "lay on the table" is a proposal to suspend consideration of the pending motion. Under Robert's Rules of Order, a motion to table is properly used only when it is necessary to suspend consideration of a main motion in order to deal with another matter that has unexpectedly arisen and which must be dealt with before the pending motion can be properly addressed. Tabling a motion can be very useful to an assembly when 1) a presenter has been delayed or 2) timely information is not available, and staff needs to leave to retrieve or copy the information. Using the Motion to Lay on the Table enables Council to move on. When the delayed person arrives or the information is available, Council can then "take the item from the table" and resume discussion.

The use of a motion "to table" in order to 'kill' a motion is improper. A Member that seeks to avoid a direct vote on a main motion while cutting off debate should make a motion that requires a 2/3 vote, such as an "objection to consideration of the question" which is in order *before* debate has begun or a motion to "postpone indefinitely" (in order at any time with a simple majority), followed by an immediate motion for the "previous question" (2/3 vote required).

Although the motion is undebatable, the Chair can ask the maker of the motion to state his or her reason in order to establish the urgency and legitimate intent of the motion or the maker can state it on his or her own initiative.

7.6 Motion to Close, Limit, or to Extend Discussion

Commonly referred to as "Calling the Question," this motion is used to limit or close debate on, or further amend, the main motion. This motion cuts off debate. The Presiding Officer shall immediately ask the Members to vote on whether to call for a vote on the main motion. The next vote will be on the main motion, which the Chair must state.

7.7 Motion to Amend

- A. A motion to amend shall be debatable only as to the amendment. A motion to amend an amendment shall be in order, but a motion to amend an amendment to the amendment shall not be in order.
- B. Amendments shall be voted on first, then the main motion as amended.

7.8 Motion to Continue

Motions to continue shall be to a definite time. Such motions shall be amendable and debatable only as to the propriety of postponement and the time set.

7.9 Division of Question

If the question or motion contains two or more propositions that could be divided, the Presiding Officer may, upon his or her own initiative or upon the request of a Member, divide the question or motion into multiple questions or motions for separate consideration and action.

Section 8 Voting Procedure

8.1 Casting a Vote

- A. In acting upon every motion, the vote shall be taken by casting an affirmative (“yes” or “aye”) or negative (“no” or “nay”) voice, roll call, or other vote method as determined by the Presiding Officer from which the vote of each Member *can be clearly ascertained*.
- B. The vote on each motion shall be entered into the Record by number of and the names of Members casting votes for and against, if called for by voice, roll call, or other method.
- C. If a Member has declared a Conflict of Interest and is absent during the roll call vote, the Town Clerk shall include “Absent for the vote due to declared conflict of interest” in the Official Minutes as part of the results of the vote.

8.2 Abstention and Recusal

- A. If a Member has a conflict of interest on a matter before the Council or Board, Commission or Committee, he or she shall declare a conflict of interest pursuant to Section 10 and recuse him or her from voting on a particular Agenda item on grounds of a declared conflict of interest.
- B. Sometimes a Member may have a reason other than a statutory or non-statutory conflict of interest that he or she believes hinders, compromises, or impairs his or her ability to cast a vote for or against a particular Agenda item. In such event, the Member may abstain from voting.

8.3 Tie Votes

When there is a tie vote on a motion requiring a majority vote (4 votes) for adoption or approval, the motion shall be deemed defeated.

8.4 Reconsideration

Any Member who voted with the majority may, at the same meeting, move for reconsideration of any action taken at that meeting. A request may be made at a subsequent meeting to have the item be placed on the next available Agenda for reconsideration and action. Thus, reconsideration provides ample opportunity for staff and Council to further research the matter.

After a motion for reconsideration has been acted upon, no other motion for reconsideration thereof shall be made without the unanimous consent of the Town Council or Board, Commission or Committee.

8.5 Appointments by the Town Council of Board, Commission and Committee Members

- B. For Regular, Special, and Emergency Meetings, written action Minutes instead of verbatim Minutes shall be taken so that a brief accounting of the issues discussed and actions taken is compiled and entered into the permanent Minute Book of the Town and kept on file and of record in the Office of the Town Clerk. The Minutes shall reflect Member attendance for the entire meeting (including notations indicating when a Member arrives late or leaves early). Audio or video recordings of meetings will be retained 90 days after being transcribed or in accordance with the current State of Arizona approved Records Retention and Disposition Schedules.
- C. Executive Session Minutes shall be confidential. Executive Session Minutes shall be taken in summary form and shall be restricted to indicating the topic discussed, the speakers, and a brief summary of what was said by each speaker. Executive Session Minutes shall be kept in a separate secure confidential file in the Office of the Town Clerk. Executive Session Minutes may be accessed only as provided by the Arizona Revised Statutes or court order.
- D. All Minutes of Meetings are Public Records under the Arizona Public Records Law (A.R.S. §§ 39-121 *et seq.*, as amended), with the exception of Executive Session Minutes. Audiotapes and videotapes of public Meetings are also Public Records.

Section 10 Conflict of Interest

10.1 Arizona Conflict of Interest Law -- Introduction

Sometimes a member of the Town Council or Board, Commission or Committee may face a situation which requires that Member not to participate in a discussion and voting on an agenda item. This situation exists when the member has a pecuniary or proprietary interest in the outcome of the vote. (*This results in a "conflict of interest" as defined by the Arizona conflict of interest law, A.R.S. §§ 38-501, et seq.*) This law establishes minimum standards for the conduct of public officers and employees who, in their official capacity, are, or may become involved with, a decision that may unduly affect their personal interests or those of their close relatives.

10.2 Purpose of Conflict of Interest Laws

The purpose of Arizona's conflict of interest law is to prevent self-dealing by public officials and to remove or limit any improper influence, direct or indirect, that may bear on an official's decision, as well as to discourage deliberate dishonesty.

10.3 Applicability of Arizona Conflict of Interest Law

The Arizona conflict of interest law, as now in effect and as it may be amended in the future, applies to all matters considered by and all actions taken by the Town Council or Boards, Commissions and Committees.

10.4 Disclosure of Interest

Any Member who believes he may have a conflict of interest should seek the opinion of the Town Attorney as to whether a conflict exists under the Arizona conflict of interest law. Any Member who has a conflict of interest in any agenda item or other matter discussed by the Council or Board, Commission or Committee must disclose that interest. The Member must file a signed written disclosure statement fully disclosing the interest, and declare the existence of the conflict and the reasons therefore at a Town Council or Board, Commission or Committee meeting. The Disclosure of the conflict shall include a statement that the Member withdraws from further participation regarding the matter. The Town Clerk shall maintain for public inspection all documents necessary to memorialize all disclosures of a conflict of interest by a Member.

10.5 Withdrawal from Participation

Having disclosed the conflict of interest and withdrawn from the matter, the Member must not participate in the decision-making process of the Council or Board, Commission or Committee. Further, the Councilmember should remove himself/herself from the room while the matter is being considered and decided.

10.6 Rule of Impossibility

In the unlikely situation that a majority (4) of the Members have a conflict of interest on a matter such that the Town Council or Board, Commission or Committee is unable to act in its official capacity, less than a quorum may act on the matter upon approval of the Town Attorney.

10.7 Improper Use of Office for Personal Gain

Public officers and employees are prohibited from using or attempting to use their official positions to secure valuable things or benefits for themselves, unless such benefits are part of the compensation they would normally be entitled to for performing their duties.

10.8 Sanctions for Violations

Violations of the conflict of interest provisions set forth herein shall be punished as provided for by state law.

10.9 Non-Statutory Conflicts of Interest

The Council is committed to an open and transparent government and as such, endeavors to avoid all *appearances* of impropriety. As such, if a Member feels ethically constrained from participating in the discussion and voting on an agenda item, even though the circumstances may not technically amount to a conflict of interest under the Arizona conflict of interest law. Such conflicts may not violate the state law, but may create an appearance of impropriety. Under such circumstances, the Member should consider disclosing the conflict on the record, formally recusing himself, and stepping down from the dais until the Town Council or Board, Commission or Committee has concluded the public hearing and its discussion and voting upon the item.

Section 11 Boards, Commissions, and Committees

- G. Each vacancy will be voted on separately or together if applicable.

12.4 Staff Communications through Town Clerk

During the Campaign Period, all communications to Town staff regarding the pending election by Town Council members running for re-election and candidates to Town Staff shall be made through the Town Clerk, and the Clerk shall notify all other candidates of each communication. This provision shall not preclude a Councilmember speaking directly to the Town Manager regarding any matter related to Town business.

12.5 Prohibition against Using Town Resources for Election

Incidental correspondence may be answered by the Mayor or other Council members. Note cards with the Town logo are available for Council use. Individual Council members may review the correspondence and comment to the Mayor or a Council member on a particular response or request a review by the full Council.
- B. **Policy Correspondence** is that which purports to set or explain official policy of the Town, such as letters of support, expressions of position or opinion, or assertions of intent. It must first receive approval of a majority (4) of the Council at public meeting and will then be signed by the Mayor or other such member authorized by Council on behalf of the Council.

Section 15 Code of Conduct for Elected and Appointed Officials

15.1 Summary

The Three Rs of Camp Verde Government Leadership: Roles, Responsibilities and Respect

The Town Code provides information on the roles and responsibilities of Council Members, the Vice Mayor and the Mayor. This is a Code of Conduct for the Town of Camp Verde's elected officials.

This Code of Conduct is designed to describe the manner in which Council Members and appointed officials of the Town (collectively, "Public Officials") should treat one another, Town staff, constituents, and others they come into contact with in representing the Town of Camp Verde. It reflects the work of defining more clearly the behavior, manners and courtesies that are suitable for various occasions. This is designed to make the public meetings and the process of governance run more smoothly.

The content of this Code of Conduct includes:

- Overview of Roles and Responsibilities
- Policies and Protocol Related to Conduct

- Council Conduct with One Another
- Council Conduct with Town Staff
- Council Conduct with the Public
- Council Conduct with Other Public Agencies
- Council Conduct with Boards and Commissions
- Council Conduct with the Media
- Sanctions
- Principles of Proper Conduct
- Checklist for Monitoring Conduct

The constant and consistent theme through all of the conduct guidelines is “respect.” Public Officials experience significant workloads and tremendous stress in making decisions that could impact thousands of lives. Despite these pressures, Public Officials are called upon to exhibit appropriate behavior at all times. Demonstrating respect for each individual through words and actions is the touchstone that can help guide Public Officials to do the right thing in even the most difficult situations.

15.2 Overview of Roles and Responsibilities

Other resources that are helpful in defining the roles and responsibilities of Public Officials can be found in the Town of Camp Verde Code and in the Elected Officials Guide published by the League of Arizona Cities & Towns.

All Council Members

All members of the Town Council, including those serving as Mayor and Vice Mayor, have equal votes. No Council Member has more authority than any other Council Member, and all should be treated with equal respect.

All Council Members should:

- Fully participate in Town Council meetings and other public forums while demonstrating kindness, consideration, and courtesy to others.
- Prepare in advance of Council meetings and be familiar with issues on the agenda.

- Maintains order, decorum, and the fair and equitable treatment of all speakers
- Keeps discussion and questions focused on specific agenda items under consideration
- Makes parliamentary rulings. Chair rulings may be overturned if a Council Member makes a motion as an individual and the majority of the Council votes to overrule the Chair.

Former Council Members

Former members of the Town Council who speak to the current Town Council about a pending issue should disclose for whom they are speaking.

15.3 Policies and Protocol Related to Conduct

A. Ceremonial Events

Requests for a Town representative at ceremonial events will be handled by Town staff. The Mayor will serve as the designated Town representative. If the Mayor is unavailable, then Town staff will determine if event organizers would like another representative from the Council. If yes, then the Mayor will recommend which Council Member should be asked to serve as a substitute. Invitations received at Town Hall are presumed to be for official Town representation. Invitations addressed to Council members at their homes are presumed to be for unofficial, personal consideration.

B. Correspondence Signatures

Council Members do not need to acknowledge the receipt of correspondence, or copies of correspondence, during Council meetings. The Town Clerk will prepare official letters in response to public inquiries and concerns. These letters will carry the signature of the Mayor unless the Mayor requests that they be signed by another Council Member or the Town Clerk.

If correspondence is addressed only to one Council Member, then that Council Member may check with staff on the best way to respond to the sender.

C. Endorsement of Candidates

Council Members have the right to endorse candidates for all Council seats or other elected offices. It is inappropriate to mention endorsements during Council meetings or other official Town meetings.

D. Public Announcements in Council Meetings

Council Members who want to speak during the Call to the Public or Council Members Report portion of the Council meeting should notify the Chair in advance. Council Members, like members of the public who use this portion of the agenda to recognize achievements or promote an event, will be limited to three minutes each, and should keep the focus on matters of community-wide interest. Matters that may require Council action or direction should not be discussed and those items on the agenda should not be used for any form of campaigning.

E. **Public Hearing Protocol**

The applicant shall have the right to speak first. The Chair will determine the length of time allowed for this presentation. Speakers representing either pro or con points of view will be allowed to follow. All speakers should be heard. All statements should be made to and through the Chair. The applicant will be allowed to make closing comments. The Chair has the responsibility to run an efficient public meeting and has the discretion to modify the public hearing process in order to make the meeting run smoothly.

Council Members should not express opinions during the public hearing portion of the meeting, except to ask pertinent questions of the speaker or staff. All Council Member comments or questions should be directed to the Chair. "I think" and "I feel" comments by Council Members are not appropriate until after the close of the public hearing. Council Members should refrain from arguing or debating with the public during a public hearing and shall always show respect for different points of view.

Main motions may be followed by amendments, followed by substitute motions. Any Council Member can call for the question or a point of order. Only Council Members, who voted on the prevailing side, may make motions to reconsider. Motions to reconsider must be made prior to adjourning the meeting.

F. **Travel Expenses**

The policies and procedures related to the reimbursement of travel expenses for official Town business by Council Members is according to the Town of Camp Verde Financial Operations Guide, as may be amended. All Council travel in excess of the allowed budget, in which the Council Member expects to officially represent the Town and/or be reimbursed by the Town for travel costs, must be approved in advance by the Council. In addition, all out of state travel for which the Council Member expects to officially represent the Town and/or be reimbursed by the Town for related travel costs, must be approved by the entire Council PRIOR to taking the trip. The travel policy and budget for Council should be reviewed at each annual budget cycle.

15.4 **Council Conduct with One Another**

Councils are composed of individuals with a wide variety of backgrounds, personalities, values, opinions, and goals. Despite this diversity, all have chosen to serve in public office in order to preserve and protect the present and the future of the community. In all cases, this common goal should be acknowledged even as Council may "agree to disagree" on contentious issues.

A. **IN PUBLIC MEETINGS**

1. **Practice civility and decorum in discussions and debate**

Difficult questions, tough challenges to a particular point of view, and criticism of ideas and information are legitimate elements of a free democracy in action. This does not allow, however, Council Members to make belligerent, personal, impertinent, slanderous, threatening, abusive, or disparaging comments. No shouting or physical actions that could be construed as threatening will be tolerated.

2. **Honor the role of the Chair in maintaining order**

It is the responsibility of the Chair to keep the comments of Council Members on track during public meetings. Council Members should honor efforts by the Chair to focus discussion on current agenda items. If there is disagreement about the agenda or the Chair's actions, those objections should be voiced politely and with reason, following procedures outlines in parliamentary procedure.

3. **Avoid personal comments that could offend other Council Members**

If a Council Member is personally offended by the remarks of another Council Member, the offended Council Member should make notes of the actual words used and call for a "point of personal privilege" that

challenges the other Council Member to justify or apologize for the language used. The Chair will maintain control of this discussion.

4. Demonstrate effective problem-solving approaches

Council Members have a public stage to show how individuals with disparate points of view can find common ground and seek a compromise that benefits the community as a whole.

B. IN PRIVATE ENCOUNTERS

1. Continue respectful behavior in private

The same level of respect and consideration of differing points of view that is deemed appropriate for public discussions should be maintained in private conversations.

2. Be aware of the lack of security of written notes, voicemail messages, and e-mail

Technology allows words written or said without much forethought to be distributed wide and far. Would you feel comfortable to have this note faxed to others? How would you feel if this voicemail message were played on a speakerphone in a full office? What would happen if this e-mail message were forwarded to others? Written notes, voicemail messages and e-mail should be treated as potentially "public" communication.

3. Even private conversations can have a public presence

Elected officials are always on display – their actions, mannerisms, and language are monitored by people around them that they may not know. Lunch table conversations will be eavesdropped upon, parking lot debates will be watched, and casual comments between individuals before and after public meetings noted. Remember the open meeting law prohibits conversations of four or more council members or the "linking" together through a common source of four or more individual conversations.

4. Other Town Public Officials

The foregoing guidelines concerning "Conduct with One Another" shall be followed not only by Council Members but also by other Town Public Officials.

15.5 Council Conduct with Town Staff

Governance of a Town relies on the cooperative efforts of elected officials, who set policy, and Town staff, who implements and administers the Council's policies. Therefore, every effort should be made to be cooperative and show mutual respect for the contributions made by each individual for the good of the community.

A. Treat all staff as professionals

Clear, honest communication that respects the abilities, experience, and dignity of each individual is expected. Inappropriate behavior towards staff is not acceptable.

B. Limit contact to specific Town staff

Consequently, remember Town staff is accountable to their supervisors. Tasks performed by staff that comes from outside the normal chain of supervision could cause staff confusion, inadequate work product and inefficient performance. Questions of Town staff and/or requests for additional background information should be directed only to the Town Manager, Town Clerk or Department Heads, or the Department Head's designee. The Office of the Town Manager should be copied on any request. In accordance with Town Code Section 3-2-1-E, no Council Member shall give orders or instructions to any subordinate of the Town Manager other than instructions for the purpose of inquiry without the consent of the Town Manager.

Requests for follow-up questions to staff should be made only through or with the consent of the Town Manager. When in doubt about what staff contact is appropriate, Council Members should ask the Town Manager for direction. Materials supplied to a Council Member in response to a request will be made available to all members of the Council so that all have equal access to information.

C. **Do not disrupt Town staff from their jobs**

Council Members should not disrupt Town staff while they are in meetings, on the phone, or engrossed in performing their job functions in order to have their individual needs met.

D. **Never publicly criticize an individual employee**

Council should never express concerns about the performance of a Town employee in public, to the employee directly, or to the employee's manager. Misdirected comments could violate the Town's personnel rules and limit the Town's ability to deal fairly and efficiently with personnel matters. Comments about staff performance should only be made to the Town Manager through private correspondence or conversation.

E. **Do not get involved in administrative functions**

Council Members must not attempt to influence Town staff on the making of appointments, awarding of contracts, selecting of consultants, processing of development applications, or granting of Town licenses and permits.

F. **Check with Town staff on correspondence before taking action**

Before sending correspondence, Council Members should check with the Town Manager to see if an official Town response has already been sent or is in progress.

G. **Do not attend meetings with Town staff unless requested by staff.**

Even if the Council Member does not say anything, the Council Member's presence implies support, shows partiality, intimidates staff, and hampers staff's ability to do their job objectively.

H. **Limit request for staff support**

Routine secretarial support will be provided to all Council Members by Clerk's Office staff. Routine secretarial support consists of simple requests that consume minimum staff time, such as an occasional letter or note, travel arrangements for Council-approved events, or providing copies of requested material. Secretarial support does not include making phone calls or other support for non-Council-sanctioned events and/or maintaining an appointment calendar.

The Clerk's Office staff will prepare and/or process all correspondence and documents that have been approved in a duly convened Council meeting by a majority of the members. All requests for secretarial support must be made through the Town Clerk.

Requests for additional staff support – even in high priority or emergency situations – should be made through the Town Manager who is responsible for allocating Town resources in order to maintain a professional, well-run Town government.

The Clerk's Office opens all mail for Council Members and distributes per the Correspondence policy. Mail delivered to Town Hall and marked 'confidential' will not be treated as confidential unless permitted under the Arizona Public Records Act, but will be distributed according to the Correspondence policy.

I. **Do not solicit political support from staff**

Council Members should not solicit any type of political support (financial contributions, display of posters or lawn signs, name on support list, etc.) from Town staff; to do so could violate the law. Town staff may, as private citizens with constitutional rights, support political candidates for other government entities but all such activities must be done away from the workplace.

J. **Other Town Public Officials**

The foregoing guidelines concerning "Conduct with Town Staff" shall be followed not only by Council Members but also by other Town Public Officials.

15.6 **Council Conduct with the Public**

A. **IN PUBLIC MEETINGS**

1. **Making the Public Feel Welcome** is an important part of the democratic process. No signs of partiality, prejudice or disrespect should be evident on the part of individual council Members toward an individual participating in a public forum. Every effort should be made to be fair and impartial in listening to public testimony.

Be welcoming to speakers and treat them with respect

Be fair and equitable in allocating public hearing time to individual speakers

Generally, each speaker will be allocated three minutes. If many speakers are anticipated, the Mayor may shorten the time limit and/or ask speakers to limit themselves to new information and points of view not already covered by previous speakers.

No speaker will be turned away unless he/she exhibits inappropriate behavior. After the close of the public hearing, no more public testimony will be accepted.

2. **Give the appearance of active listening**
It is disconcerting to speakers to have Council Members not look at them when they are speaking. It is fine to look down at documents or to make notes, but reading for a long period of time or gazing around the room gives the appearance of disinterest. Be aware of facial expressions, especially those that could be interpreted as "smirking," disbelief, anger or boredom.
3. **Ask for clarification, but avoid debate and argument with the public**
Only the Mayor, no individual Council Members, can interrupt a speaker during a presentation. However, a Council Member can ask the Mayor for a point of order if the speaker is off the topic or exhibiting behavior or language the Council Member finds disturbing.

If speakers become flustered or defensive by Council questions, it is the responsibility of the Mayor to calm and focus the speaker and to maintain the order and decorum of the meeting. Questions by Council Members to members of the public testifying should seek to clarify or expand information. It is never appropriate to belligerently challenge or belittle the speaker. Council members' personal opinions or inclinations about upcoming votes should not be revealed until after the public hearing is closed.

4. **No personal attacks of any kind, under any circumstances**
Council Members should be aware that their body language and tone of voice, as well as the words they use, can appear to be intimidating or aggressive.

B. **IN UNOFFICIAL SETTINGS**

1. **Make no promises on behalf of the Council**
Council Members will frequently be asked to explain a Council action or to give their opinion about an issue as they meet and talk with constituents in the community. It is appropriate to give a brief overview of Town policy and to refer to Town staff for further information. It is inappropriate to overtly or implicitly promise

Council action, or to promise Town staff will do something specific (fix a pothole; remove a library book; plant new trees, etc.)

2. Make no personal comments about other Council Members

It is acceptable to publicly disagree about an issue, but it is unacceptable to make derogatory comments about other Council Members, their opinions and actions.

3. Remember Camp Verde is a Small Town

Council Members are constantly being observed by the community every day that they serve in office. Their behaviors and comments serve as models for proper deportment in the Town of Camp Verde. Honesty and respect for the dignity of each individual should be reflected in every word and action taken by Council Members, 24 hours a day, seven days a week. It is a serious and continuous responsibility.

Other Town Public Officials

The foregoing guidelines concerning "Conduct with the Public" shall be followed not only by Council Members but also by other Town Public Officials.

15.7 Council Conduct with Other Public Agencies

A. Be clear about representing the Town or personal interests

If a Council Member appears before another governmental agency or organization to give a statement on an issue, the Council Member must clearly state: 1) if his or her statement reflects personal opinion or is the official stance of the Town; 2) whether this is the majority or minority opinion of the Council.

Council Members should be clear about which organizations they represent and inform the Mayor and Council of their involvement in order to assure their independence and impartiality on behalf of the common good. Public Officials should not use their official positions to influence government decisions in which they have a substantial financial interest or a relationship that may give the appearance of a conflict of interest. Public Officials should abstain from participating in deliberations and decision-making where conflicts of interest may exist as defined under Arizona law. Public Officials should discuss issues of conflict of interest with the Town Attorney.

B. Correspondence also should be equally clear about representation

Town letterhead may be used when the Council Member is representing the Town and the Town's official position. A copy of official correspondence should be given to the Town Clerk to be filed as part of the permanent public record.

Town letterhead should not be used for correspondence of Council Members representing a personal point of view, and is best not used to express a dissenting point of view from an official Council position. However, should Council Members use Town letterhead to express a dissenting point of view, the official Town position must be stated clearly, so the reader understands the difference between the official Town position and the viewpoint of the Council Member.

C. Other Town Public Officials

The foregoing guidelines concerning "Conduct with Other Public Agencies" shall be followed not only by Council Members but also by other Town Public Officials.

15.8 Council Conduct with Boards and Commissions

The Town has established several Boards and Commissions as a means of gathering more community input. Citizens who serve on Boards and Commissions become more involved in government and serve as advisors to the Council. They are a valuable resource to the Town's leadership and should be treated with appreciation and respect.

- A. **If attending a Board or Commission meeting, be careful to only express personal opinions**
Council Members may attend any Board or Commission meeting, which are always open to any member of the public. However, they should be sensitive to the way their participation - especially if it is on behalf of an individual, business or developer – could be viewed as unfairly affecting the process. Any public comments by a Council Member at a Board of Commission meeting should be clearly made as individual opinion and not a representation of the feelings of the entire Town Council.
- B. **Limit contact with Board and Commission members to questions of clarification**
It is inappropriate for a Council member to contact a Board or Commission member to lobby on behalf of an individual, business, or developer. It is acceptable for Council Members to contact Board or Commission members in order to clarify a position taken by the Board or Commission.
- C. **Remember that Boards and Commissions serve the community, not individual Council Members**
The Town Council appoints individuals to serve on Boards and Commissions, and it is the responsibility of Boards and Commissions to follow policy established by the Council. But Board and Commission members do not report to individual Council Members, nor should Council Members feel they have the power or right to threaten Board and Commission members with removal if they disagree about an issue. Appointment and re-appointment to a Board or Commission should be based on such criteria as expertise, ability to work with staff and the public, and commitment to fulfilling official duties. A Board or Commission appointment should not be used as a political “reward.”
- D. **Be respectful of diverse opinions**
A primary role of Boards and Commissions is to represent many points of view in the community and to provide the Council with advice based on a full spectrum of concerns and perspectives. Council Members may have a closer working relationship with some individuals serving on Boards and Commissions, but must be fair and respectful of all citizens serving on Boards and Commissions.
- E. **Keep political support away from public forums**
Board and Commission members may offer political support to a Council member, but not in a public forum while conducting official duties. Conversely, Council Members may support Board and Commission members who are running for office, but not in an official forum in their capacity as a Town Council Member.
- F. **Inappropriate behavior can lead to removal**
Inappropriate behavior by a Board or Commission member should be noted to the Mayor, and the Mayor should counsel the offending member. If inappropriate behavior continues, the Mayor should bring the situation to the attention of the Council.

15.9 Council Conduct with the Media

Council Members are frequently contacted by the media for background and quotes.

- A. **The best advice for dealing with the media is to never go “off the record”**
Most members of the media represent the highest levels of journalistic integrity and ethics, and can be trusted to keep their word. But one bad experience can be catastrophic. Words that are not said cannot be quoted.
- B. **The Mayor is the official spokesperson for the Town.**
The Mayor is the designated representative of the Council to present and speak on the official Town position. If an individual Council Member is contacted by the media, the Council Member should be clear about whether their comments represent the official Town position or a personal viewpoint.
- C. **Choose words carefully and cautiously**

Comments taken out of context can cause problems. Be especially cautious about humor, sardonic asides, sarcasm, or word play. It is never appropriate to use personal slurs or swear words when talking with the media.

D. Other Town Public Officials

The foregoing guidelines concerning "Conduct with the Media" shall be followed not only by Council Members but also by other Town Public Officials.

15.10 Enforcement of the Ethics Policy

A. Complaints

1. Public Officials themselves have the primary responsibility to assure compliance with this Code of Conduct.
2. The Chairs of commissions, boards, and committees and the Mayor have the additional responsibility to intervene when actions of the Public Officials appear to be in violation of this Code of Conduct as allowed under Arizona Revised Statutes.
3. If the Mayor or the chair of the applicable board, commission or committee fails to intervene, two members of the Council, board, or commission may make a written request that the Mayor or the chair of the applicable public body to intervene. If the complaint arises out of actions or inactions of the Mayor or the chair, the matter shall be directed to the vice-mayor or vice-chair. If the Mayor, chair, vice-mayor or vice-chair fails to intervene, then the matter shall be referred to the Town Attorney. The written request to intervene shall include the specifics of the perceived violation by the offending member(s).
4. The Town Attorney shall review the complaint and shall simultaneously notify in writing the Town official subject to the complaint of such review.

Within 30 days, the Town Attorney shall submit the results of his or her review to the complainant, to the official who is the subject of the complaint, and to the Mayor or chair of the public body on which the official who is the subject of the complaint sits. If the matter cannot be resolved within ten days, the matter shall be referred to the Town Council. The Town Council shall consider the Town Attorney's report at a public meeting. If the Town Council finds an ethical violation by a person serving on a commission, board or committee, then the Town Council may remove the member from the Town board, commission, or committee.

5. The Town Council may impose sanctions on Public Officials whose conduct does not comply with this Code of Conduct, such as reprimand, censure, loss of seniority or committee assignment, or official travel restrictions. The Town Council may choose to vote to make a public warning to the offending party in order to cause the unethical behavior to cease and warn removal could be made upon an additional incident.

B. Resolving Complaints against the Mayor and/or other Members of the Town Council.

1. When complaints are levied against the Mayor or members of the Town Council, the Town Attorney shall have the authority to decide either to (a) act directly on any complaint filed against the Mayor and/or other members of the Town Council pursuant to subparagraph A above, or (b) refer a complaint to an independent reviewing authority such as a city or town attorney from another jurisdiction or an attorney from the office of the county attorney.

15.11 Sanctions

A Public Disruption

Members of the public who do not follow proper conduct after a warning in a public hearing may be barred from further testimony at that meeting or removed from the Council Chambers.

B. Inappropriate Staff Behavior

Council Members should refer to the Town Manager any Town staff that does not follow proper conduct in their dealings with Council Members, other Town staff, or the public. These employees may be disciplined in accordance with standard Town procedures for such actions.

C. Council Members Behavior and Conduct

In addition to sanctions imposed pursuant to paragraph A.6 above, Town Council Members who intentionally and repeatedly do not follow proper conduct may be reprimanded or formally censured by the Council, lose seniority or committee assignments (both within the Town of Camp Verde or with inter-government agencies) or have official travel restricted.

Section 16 Summary of Good Government Rules for Elected and Appointed Officials

- 16.1 Summary and Notice of Statutory Authority.** The following is a brief summary of many of the items addressed in this document, along with the statutory authority. If you have a question or concern about any situation, it is best to speak to your Department Liaison, the Town Clerk, or the Town Manager *before* taking action.
- 16.2 The Public's Property.** Public property belongs to the people in general, and should not be used to benefit specific public officers. *Examples* of misuse of public property are requiring employees to do tasks for superiors that are not work-related; using public computers or personnel for a personal side business; claiming false travel expenses; destroying public records; using public vehicles for personal errands; and using public employees, equipment, supplies, or facilities for political campaigns.
- Personal use of public resources is *theft* (ARS §13-1802)
 - Making false representations to obtain a benefit is punishable *fraud* (ARS §13-2310)
 - Computer fraud occurs when a person exceeds authorization of use of any computer (ARS §13-2316)
 - Destroying, altering, or falsifying a public record is *tampering with a public record* (ARS §13-2407/§38-421)
 - Using public personnel or equipment to influence the outcome of an election is *prohibited political activity* (ARS §500.14.A)
- 16.3 Public Money.** Arizona law strictly regulates the receipt, custody, control, and expenditure of public money to protect taxpayers (ARS §35-196/301). Arizona Constitution, Article IX, Section 7, prohibits governmental bodies from expending public monies to give advantage to special interests or engage in non-public enterprises. **Use of public money must always be for a public purpose.**
- 16.4 Public Procurements.** Laws regulate the expenditure of public money for procurement or any materials, services, construction, or property in order to promote competition, obtain the best product or service at the lowest price, and treat vendors equally. *Examples* of violations of this policy are sharing confidential bid information with vendors or third parties; purchasing an item outside of the required process simply because the product or price seems superior; obligating public funds without authorization; contracting for services without a purchase order (PO) and without quotes; bid-rigging to eliminate competition; and misuse of change orders to exceed budget or authorization. Intentional violations of the State code are class 4 felonies, with lesser penalties for violations of local ordinances. Personal civil liability even for inadvertent

violations may also attach, including a 20% penalty, interest, costs, and damages. (ARS §41-2616.A). Contracts may be canceled and all amounts paid recovered by the public body. (ARS §38-506.A/511). State and federal *antitrust laws* apply, regardless of which procurement code is being followed, and procurement personnel risk being implicated in an anti-competitive combination if a vendor seeks direct influence by writing the specifications, seeks removal of a competitor from a vendor list, seeks inside information about competitors' bids before a bid award, asks about competitors' prices, or seeks modification of the contract after the bid is awarded. There are treble civil damages and criminal penalties for violations.

- 16.5 Conflicts of Interests.** Public policy requires that personal interests not exist as a possible factor influencing a public official in the performance of his duties. Any pecuniary or proprietary interest, direct or indirect, of public officers or employees (or their relatives), is deemed a "substantial interest" which triggers a conflict, unless it falls within one of the 11 statutory exceptions set out in ARS §38-502.10. A conflict must be declared on the public record and by filing a paper signed by the public officer or employee which fully discloses the substantial interest (ARS §38-502.3). The filing shall be in a special file established pursuant to ARS §38-509. If a conflict is made known, it is not enough to simply refrain from voting. The public officer or employee may not participate in the discussion or decision of the matter on which there is a conflict with other members of the public body before, during, or after the meeting. These steps must be taken even if there is little or no likelihood that the public servant would participate in the matter, and even if the person is confident that neither his nor her objectivity nor the public interest would be harmed by participation. The conflict of interest statutes are mandatory. Criminal penalties apply for knowing violations of the statutes, and public servants may be subject to prosecution even if they were unaware of a conflict when they took official action (ARS §38-510.A.2). In addition to civil and criminal penalties, assessment of damages, attorneys fees and costs, removal from office, and other equitable relief, a contract made on behalf of the public agency in violation of the conflict of interest laws is voidable at the discretion of the agency (ARS §38-506.A/511).
- 16.6 Compensation.** Arizona law prohibits all public officers and employees from receiving any money, tangible thing of value, or financial benefit, whether directly or indirectly, for any service rendered in connection with their duties (ARS §38-505)(Class 4 felony under ARS §38-444). The acceptance of a gift, even if given in the best intentions (without attempting to influence the public servant though rarely will gifts be brought by persons other than those who are dealing with the Town!), can still violate the law. State code section R2-5-501.C.4 prohibits employees from receiving anything of economic value as a gift, gratuity, favor, entertainment, or loan, which may even appear to be designed to influence the employee's official conduct.
- 16.7 Favoritism.** Federal and state laws are numerous which prohibit discrimination, and the reverse conduct of favoritism. Related to this are requests by constituents for assistance in dealing with other agencies or branches of government. Public officials should not use their positions to improperly influence the outcome of proceedings in which they play no official role, such as matters in other agencies or branches of government. Responses to requests by constituents should be limited to inquiry about the status of a matter, and to help the constituent understand the procedures that may be involved, and not directly or indirectly interfere.
- 16.8 Public Records.** Public records and other matters in the office of any officer at all times during office hours shall be open to inspection by any person (ARS §39-121). The public records include records reasonably necessary or appropriate to maintain an accurate knowledge of the public officer's or public body's official activities. "Other matters" means documents which are not required by law to be filed as public records, and are held by the public officer in his or her official capacity, and in which the public's interest in disclosure outweighs the governmental interest in confidentiality. These may include informal communications such as notes, memos, calendars, and e-mail that is related to or could be related to some future Town business. *Examples* of problems areas are refusing to produce public records; purposefully delaying the release; refusing to release records based on speculation that they may contain information that does not need to be produced; refusing to disclose records because they are "only drafts" or are incomplete; refusing to disclose

because of a promise of confidentiality when there is no statutory basis of confidentiality. One example of confidentiality of interest is that during and for 2 years following a public servant's position, that person may not disclose or use for personal profit confidential information acquired in the course of official duties (ARS §38-504.B). Portions of personnel files containing a peace officer's home address, home telephone number and personal cell phone, and photograph if serving or scheduled to serve as an undercover agent, are confidential.
