6. Discussion and update from the Town of Camp Verde Youth Commission on the presentation they will give to Town Council on March 19, 2008 asking to designate a Town owned building located next to the Marshals' Office for a future teen center.

Recreation Supervisor Joe Perez introduced two members of the Youth Commission, Seairah Ebert and Destinie Ebert who presented the Youth Commission's proposal for a teen center. Seairah Ebert explained that at the Council meeting scheduled for March 19, 2008 they plan to request that the Town Council designate the building located next to the Marshals' Office for a future teen center, and outlined donations of equipment and volunteer participation already lined up in support of the project. The Commission assured the youth that members of the Parks & Recreation Commission will attend on March 19th to support their presentation to Council.

Joe Perez discussed with the Commission the current activities of the Youth Commission and the Youth Development Team working together, and the suggestion by Marshal

Dave Smith to consider the possibility of using the subject building for the much-needed Teen Center. Perez also briefly referred to the idea of possibly using the balance of funds remaining from an amount authorized by the Town Council for the Youth Development Team to help get the Youth Commission into operation. Perez added that it is understood that the Boys & Girls Club is interested in partnering with the Youth Commission on the Teen Center endeavor. The members of the Youth Commission are in the process of gathering signatures at the school to show the support of all the students and their willingness to actively participate. The next meeting of the Youth Commission is set for March 14th from 12:00 to 1:30 at the Marshal's Training Room.

7. **Discussion and update on Black Bridge Park.**

Parks & Recreation Director Lynda Moore distributed copies of a sketch illustrating the proposed entry road and amenities for the Park. Moore said she is working with the Town Engineer on the questions of the sewer and restrooms, and outlined the information she has received from the County and Flood Control regarding serious costs faced on the issue of site-built restrooms. Their recommendation is absolutely the portable toilets with privacy walls. Moore said that she is in the process of seeking permission from the State to use the grant funds for the privacy walls, and if not allowed, to use the grant money for paving the road. Moore said she is confident that solid information will be available to bring back to Council, hopefully on the March 19th Agenda; she will advise the members when the matter is scheduled.

8. **Discussion and update on the Community Park that will be located at the 118 acre site, Parcel A purchased from the U.S.F.S.**

Director Moore said that the closing date for the purchase is March 24th at which time the Town will own the subject parcel. At the Council meeting tomorrow night approval will be requested for the Mayor to send a letter to State Parks to seek a waiver of Retroactivity for Acquisition Projects, which in effect will assist in the property purchase through a Heritage Grant. Because of the years involved in working on a community park in the past, in order to establish the Town's credibility, approval will also be requested to hire a consultant to work on preparing a master plan for the new park. The Clerk's office is arranging a tour of the new area with Dee Hines, to include the different Commission members and any interested public. Moore said that everyone will be advised of the date and time when the tour has been scheduled.

9. **Discussion and report on the 2008 Pecan, Wine and Antique Festival that was held February 8-10, 2008.**

Director Moore reported that at this time the event shows a minus-\$70, and there is no staff time that has been included yet. Moore added that the current economy seems to have taken its toll on events, but all in all staff is happy with the outcome of the Festival. As a result of a meeting with the Town Manager, Moore said that the plan for next year is to discontinue reimbursing the wineries for their participation; two wineries have already shown interest in setting up booths again regardless. The money saved could potentially pay for staff time, which would be a positive step toward showing a profit. The members briefly discussed ways to better publicize the event, and suggested that more cooperation is needed from the Chamber of Commerce.

10. **Discussion and update on upcoming programs and events**

Director Moore reviewed details on upcoming programs and events, including the popular Golf League, Gun & Knife Show, Canoe Challenge, and Easter Egg Hunt; Moore

said that because of the current river flow, the Game & Fish event may have to be postponed until it will be safer for the young children to attend. Moore said that donations are being requested for Operation Prom, the program that helps those who cannot afford the expense to be able to attend the Prom each year.

11. Director's Report & Discussion.

Director Moore reported that the Youth Recreation programs received a 40% portion of the check for \$46,368.75 presented to the Town recently. Based on the recollection of Suzy Burnside, the septic system for the pool was investigated and steps were taken to correct a potential problem, and to allow regular maintenance in the future.

There will be a meeting with civic groups, merchants and the Chamber next Wednesday at 5:30 in the Parks & Rec Conference Room to present and discuss future events, what it takes to make them happen, and the costs. Moore outlined the steps being taken by her younger staff to get a My Space website up and operating. A representative from the Arizona Diamondbacks called Moore in response to a grant application for the Build-A-Field program; Mike Johnson, APS, has recommended Camp Verde, although Moore said Camp Verde would not be ready for one until maybe next year. Staff has been working on getting the site ready for the new restrooms being installed through the CDBG grant. Moore explained that she has been advised that the proposed solar system for the pool will be cost-prohibitive after all, although she would still like to go ahead and purchase the solar blankets which would be an energy-saving benefit.

12. Commission Informational Reports:

Whatley said she had a great time volunteering at the Pecan & Wine Festival; she also suggested that the Commission might consider electing a new Vice Chairperson in light of frequent absences of the current officer. *Moore said she would check on the procedure.*

Chairperson Moore apologized for being absent from the Work Session; he had a family emergency at that time.

13. Adjournment.

On a motion by Whatley, seconded by Clawson, the meeting was adjourned at 6:30 p.m.

Trapper Moore, Chairperson

Memo

To: Town Commissions
From: Housing & Neighborhood Revitalization
Date: April 29, 2008
Re: Parkway Homes

To All Town Commissioners:

After a year-long public participation and planning process, the Town Council has directed the Housing Commission and Housing Department Staff to move forward with the future development of the Town-owned five-acre parcel on Cliffs Parkway.

The goal of the proposed Parkway Homes development is to create funds for a new Town Library and to further attainable housing opportunities in Camp Verde.

The Housing Commission would like to invite all other Town Commissions to appoint a liaison to represent their Commission at future work sessions to provide input and to help clarify what the Town's priorities should be in drafting a Request for Proposals (RFP). The Housing Commission agrees that getting the cooperation of the other Commissions is important to help with achieving the Town's goals.

Copies of the Drachman Report, which presents a potential master plan proposal for the property, are available for checkout at the Camp Verde Library, and online at www.cvaz.org/townhall/Housing .

ON THE DRAWING BOARD by Lynda Moore

It has been a busy month at Parks & Recreation. I have been occupied with the 2008/2009 Fiscal Budget. We have combined some of our department budgets into one (Maintenance), and making changes in the way we prepare them. It was a bit time consuming this first year, but it is such an improvement. After I have my first meeting with Town Manager Mike Scannell and Lisa Elliot in Finance, I will include the budget on the next Commission agenda. Staff is also compiling an asset list. With the size of our department we have spent a great deal of time on this project. Thanks to your support and that of the Town Council, canceling the Crawdad Festival has allowed staff the time to work on projects important to the department. Operation Prom was a success. Jessie Jones did an outstanding job. We were able to assist several girls with dresses, make-up, hair and flowers and also provide three young men with tuxedo rental and flowers. Jessie made sure that it was an unforgettable experience for these teenagers. The pool is now open for the schools use and will be opening for water aerobics on April 28th. We are getting ready to start our Fort Verde Days committee meetings. If you would like to be part of the committee please let me know. I am sure most of you have read the "Letter to the Editor" regarding Parks & Recreation cutting the Independence Day Celebration. I did reply to the letter, but I just want to clarify that we did not cut this event. We have been partners with Cliff Castle Casino for many years on this event. Rather than sponsoring the fireworks as they have done in the past, this year they chose to try and hold a family event on their premises. We cannot compete with what they are able to do. I am in hopes that next year, they will decide to once again sponsor the fireworks. If you get a chance stop by and see the new Restroom located behind the gym.

RECREATION by Joe Perez

April saw the end to programs like the Verde Valley Golf League, Jr. Suns Grasshopper Basketball 08, Men's League, & Co-Rec. Volleyball. A sigh of relief is all I can get out as we roll into spring. Now that these leagues are at a close, I am gearing up for summer activities.

Some other programs that came to a conclusion were, the Verde River Canoe Challenge and a bus trip to see the Red Hot Diamond Backs at Chase field. The trip was nearly a sell out and everyone is looking forward to another trip on Tuesday June 17, 2008. All and all the months of March and April have flown by.

Now that May is here the Summer Program is at my attention. Registration for the children is out and the employment opportunities are growing smaller by the day. The program will begin June 9, 2008 and run until July 17, 2008. Classes will be offered from 8:00 A.M. to 12:00 P.M. Monday thru Thursday. The classes offered are: Cooking, Bowling, Arts & Crafts, Model Cars, Archery, Rocketry, Sports, Life on the Verde, Cheerleading & Dance.

The other programs that are right around the corner are the Father/Child Golf Tournament, the British Soccer Camp and Family Fun Nights at the pool & skate park. These programs are being marketed as we push straight into summer fun

MAINTENANCE by Mike Dumas

The month of April has been very busy. Staff has dedicated their time to completing the Restroom project. The ADA sidewalks are close to completion. All work must be complete by April 30th, in order for the Clerk's office to close out the CDGB grant by May 11th. Staff has also been occupied with the pool and getting it ready for the season. We seem to have continuous heater problems, but it is up and running and ready for the school to use. A great deal of time has been spent on Butler Park now that Little League season has begun and also weed eating and watering at all Town sites and Main Street. As you may know we are short handed at the present time and I just want to say what a fantastic job our Parks & Maintenance Department are doing. We also had two staff members who attended asbestos training this month.
