

# Notes from the Library

January 2015

## Note from the Director—Kathy D Hellman

No doubt you've heard by now... Wednesday, January 7, 2015 Camp Verde Town Council voted 7-0 in favor of building the new 17,000 square foot library designed by Architect, Joel Westervelt. It was a historic moment for Camp Verde and for the many volunteers and other community members who have worked toward this outcome over the past 10-15 years or more. Do you have a story to tell or experience to relay about the work accomplished to make the new library a reality? We'd love to hear it.

Speaking of reality... I am sure there are many folks out there who still won't believe it until they see it (can't really blame 'em). I know you, as volunteers at the front desk, field many questions and comments about the progress/status of the project. Starting in February, we will host a monthly informative talk centering around that month's construction phase as the work progresses. The public will have an opportunity to come and hear first-hand about what we are doing, how we are doing it and why we are doing it the way we are. Stay tuned.

## Tip of the Month

The most popular tax forms can be found to the right of the staff computer (140A, 1040A, 140EZ, 1040EZ, 140 and 1040). All other forms must be printed out for the patrons. If you need help with this, ask any staff person. Also, the complete Arizona State Tax forms binders are on the top hold shelf. This is for those who do not know exactly what form they need. You can let them look through the binder (but don't let them take it). If they find the form they need, you can make a copy for them. We do not charge for tax form copies, but if they want to print out the booklet, it is 10 cents a page.

## Featured Volunteer: Joel and Laura Kaiser!

I've known Joe Kaiser for 26 years, and he is still one of the nicest men I've ever met. That must be why I married him on September 27th of this year. I began volunteering for the library in May of 2013. I had worked for the Library system in California for quite a few years. After I moved here and started using the library, I got a fine that I wasn't sure that I owed. Upon going in, I spoke with Alice Gottschalk. She showed me the damage (which I was still sure I hadn't done) but I was willing to pay so I could use the Library. I started explaining why I was willing to pay for something I hadn't done to Joe. Through our discussion, Alice could see that I had experience. I explained about working for the Library in California and she talked me into working for Camp Verde Community Library, which wasn't very difficult. Joe started working a few months later. We have enjoyed the experience so very much. Everyone we work with, and all those we have gotten to know while working we enjoy so much. We are so happy to be able to help the community and the library. We work 4 hours on Wednesday mornings. We look forward to seeing all of you when you come in to the Library!
