## **Tree Selection and Placement**

Every year, the Camp Verde Tree Advisory Committee (TAC) and the Town of Camp Verde staff identify tree-planting needs, including: target locations, types of trees, and quantity of trees to beautify the town's landscape. Celebration Tree planting occurs only twice a year, in April and September. Celebration Trees, upon purchase, become the exclusive property and responsibility of the Town of Camp Verde. Every effort will be made to establish a healthy tree that can be enjoyed for years to come.

**This program is brought to you by:** The [Camp Verde Tree Advisory Committee](#) (TAC), a Town Manager-appointed committee of tree-loving volunteers; the Town of Camp Verde Maintenance Division and Economic Development Department; and the Friends of the Camp Verde Library.
