
MEMORANDUM

TO: RUSS MARTIN, TOWN MANAGER
FROM: KATHY HELLMAN, LIBRARY DIRECTOR
SUBJECT: MONTHLY REPORT APRIL 2022
DATE: APRIL 04, 2022
CC: DEPARTMENT HEADS, TOWN COUNCIL

Highlights from the Library:

- Technology classes offering a needed service in our community continue through May. We will work up a set new classes to start again after summer break.
- Thanks to participation from Ezra, Victor, and Austin (Town Maintenance and Grounds) we are getting ready to kick off an [Adopt-a-Plot program](#) on Saturday, June 11 at 8:00a.
- LEAP (Life Skills Enrichment Academic Program) of Yavapai County has returned to the Teen Library with participants sharing in our Maker Monday activities.
- Teen Librarian, Zack is planning a Schools Out celebration for teens at the library.
- Mark your calendars with **Music in the Stacks for the 2nd Thursday of the month** where we continue to see fresh faces along with the regulars that attend the concerts. The feeling of energy in the room from the crowds enjoying the show and the smiles on their faces tell us all we need to know about how much this popular program means to our community.
- April was a busy month as the Children's Library added two new programs which will continue through the summer: Drop-in & Play Legos on the 2nd Saturday of the month and Family Game Night every second and fourth Thursday. Plans for Summer Reading Program (SRP) 2022 are well under way with June 2nd as our kick-off: Oceans of Possibilities with Mother Goose and two weekly programs, SRP STREAM Hour and SRP Ocean Art for a total of six weeks.
- Inspired by [this video](#), the Children's Library will be working with Artist, Mary Rush to create our own community art project wall with the Summer Reading Program theme, Oceans of Possibilities.
