Northern AZ Audubon Society Presents

Birding 101 Class

Northern Arizona Audubon Society (NAAS) presents Birding 101, a backyard birding class and field trip. Here is your chance to learn to identify the birds in your own backyard from one of the best, Dr. Richard Armstrong. Dr. Armstrong will lead participants in a two-part class.

Start with a presentation inside the Library's 1st Floor Terracotta Room on day one, **Friday, March 31 at 1:00p.** On day two, **Saturday morning, April 1 at 7:00a** meet under the Ramada near Moser Lane at Rezzonico Family Park for a bird walk near the Verde River. Immediately after, carpool to the Camp Verde Sewer Treatment Plant for another bird walk. Never been birding before? Ask in the Children's Library to check out one of the [Birdwatching Kits](#) to try give it a try.

For the outdoor bird walk on **Saturday, April 1**, please register on the [Library's Events Calendar](#). Also be sure to

- *bring your own water*
- *wear sturdy shoes*
- *wear a hat or sun visor for shade*
- *remember the sunscreen*

About Dr. Richard Armstrong: Dr. Armstrong earned his Ph.D. in Nuclear Inorganic Chemistry from Stanford. He retired from the Army as a Major, spent 20 years working at Texaco, and has been married to Nanette for 34 years. He and his wife have been birding together in Texas, Oregon, most of North America, and now in Arizona for 9 years. He is the NAAS steward of the Sedona Wetlands where he has led many field trips.

Camp Verde Important Birding Area: The 17 mile stretch of the middle section of the Verde River from Parsons Park just west of I-17 to Rockin' River Ranch State Park provides important habitat for resident and migratory birds. The Verde River is one of Arizona's last remaining perennially flowing river systems, with healthy riparian vegetation, including the extremely rare Fremont Cottonwood-Gooding Willow gallery forest type. It provides a unique habitat that is preferred by bird species of concern, such as Yellow-billed Cuckoo, Southwestern Willow Flycatcher, Common Black Hawk, Bell's Vireo, Yellow Warbler, and Lucy's Warbler.
