This summer we are working "All Together Now!" to collaborate more with other libraries in the Verde Valley.

\*The Children's Summer Reading program includes opportunities for Camp Verde families to attend FREE events at the Cottonwood Rec Center and Sedona Public Library.

\*Library Specialist and PC Helpdesk Librarian, Wendy Cook-Roberts has taken our popular 1-2-1 Tech Time to Beaver Creek Library to share her troubleshooting expertise in helping patron's with their mobile devices.

\* This month's number of **Books, Magazines and A/V Items Added** is over twice as many as usual. This is because our Cataloger, Jaye, took advantage of the Yavapai College Verde Campus Library book giveaway! He added hundreds of new books and movies to our collection.

CONGRATULATIONS!! To **Wendy Cook-Roberts** who earned degrees from Yavapai College in May 2023. One is the Degree of Associate of Arts and one is a Certificate of Arizona General Education Curriculum-A. We wish her much luck as she continues her studies!

*Connecting people of all ages and walks of life to the expanding world of information, ideas, and creative experiences through free and equitable access to library resources*

Helping Households Connect

### Affordable Connectivity Program

The advertisement for the Affordable Connectivity Program (ACP) features a background image of a young woman with long dark hair looking towards the camera, with bookshelves visible in the background. The text is overlaid on the left side. At the bottom, there are logos for the FCC and Universal Service Administration Fund, a website URL, and a search icon.

**ACP** Affordable Connectivity Program

ACP is a new federal program that helps low income families afford the cost of having internet service at home.

Learn how your household can save up \$30 on your monthly internet bill.

  Universal Service Administration Fund

[www.affordableconnectivity.gov](http://www.affordableconnectivity.gov) 

The Affordable Connectivity Program (ACP), a Federal Communications Commission (FCC) program helps ensure that households can afford the broadband they need for work, school, healthcare and more.

The Affordable Connectivity Program provides a discount of up to a \$30 per month toward broadband service for eligible households and up to \$75 per month for qualifying households on qualifying Tribal lands. The benefit also provides up to a \$100 per household discount toward a one-time purchase of a computer, laptop, or tablet if the household contributes more than \$10 and less than \$50 toward the purchase through a participating broadband provider.

# The Village Troubadours Concert

The Village Troubadours are Jashan Blackwell and Chantal Harte.

Jashan grew up in the 1960's, fell in love with the music of the times, was the first kid on his block to have a Beatle haircut, and has been writing songs and playing the guitar since the mid-70's.

Chantal is a Mediterranean-born world traveler. Now that she's retired from her massage practice, she is fully embracing her lifelong passion for music: singing, playing the piano, several flutes, the ukulele, harmonica, etc.

Chantal and Jashan first met in a Sufi dance circle in Northern California. "I heard her voice before I even saw her," says Jashan. They got together to sing, married 18 years ago, and since then spent four years teaching in Africa and 11 years in Costa Rica before moving to The Village of Oak Creek full-time in 2020.

In the intimate setting of the **Fireside Room at Camp Verde Community Library**, the Village Troubadours will be sharing a new set of songs that Jashan has recently written and some French classics by Chantal.
