Note from the Library Director

We want to thank everyone who has expressed an interest in and/or support for the work we do in our community. Your notes and in-person encouragement remind us why we do what we do. Accurate information is essential to understanding. Understanding is necessary to make good choices.

It is our goal to advance understanding through accurate information. With that in mind, we presented a brief overview of library policy and activities at the Wednesday, August 23 Special Session. You can read our report [here](#).

MEET to EAT followed by a Star Party on the Community Field!

Enjoy dinner from a selection of Food Trucks at Redinger Ramada then move to the Community Field for the Star Party. **Food Trucks start serving at 5:00p.** Learn about the importance of preserving our dark skies. The **Star Party begins on the field at 7:00p and ends at 9:00p.**

What you should know:

- wear comfortable, close-toed shoes for walking on the field
- bring your own chair or blanket for sitting on the field
- flashlights should be covered with a red filter to protect your night vision for optimal star viewing
- evenings may be cool so dress appropriately and bring a light jacket

This event is a collaboration between Parks & Recreation, Camp Verde Community Library, and Camp Verde Dark Sky Committee with special guests from Astronomers of the Verde Valley.

Books & Media Display - September 2023

Library staff create new displays each month to highlight a particular theme or bring attention to materials that may otherwise be overlooked. The display is usually found on the first floor of the library, just past the lobby and routinely includes materials from all areas of the library. **Help us decide the theme of next month's display!**
