Background Information

The Tentative Budget is the Town's proposed financial plan for the upcoming fiscal year and represents the first formal step in Arizona's budget adoption process. It outlines anticipated revenues, expenditures, capital projects, and operational priorities while establishing the maximum expenditure authority that may be adopted for the fiscal year.

Following publication of the Tentative Budget and the required public hearing, the Town Council may make adjustments before adopting the Final Budget on July 1, 2026. However, pursuant to Arizona State law, the total expenditures adopted in the Final Budget cannot exceed the amount established in the Tentative Budget. The Council may reduce expenditures or reallocate funding between departments, funds, or projects, but it may not increase the overall budget amount above the Tentative Budget.

Connection to the [FY27 Strategic Plan](#)

Supports the Strategic Plan priority of transparent and responsible government by ensuring fiscal accountability, compliance with state budgeting laws, and providing the public with clear insight into the Town's financial planning process.
