Reviews and Comments Completed by:

- Town Manager: Russ Martin Department Head: _____
- Town Attorney Comments: N/A Risk Management: Reviewed and prepared the agreement.
- Finance Department No budget amount current exists for recycling costs.

Background Information: The Town was notified on May 1st that Sedona Recycles was no longer able to serve the community past May 31st because the truck they are using requires regular repair that limits the reach they were willing to go until a new truck or additional revenue to cover this expense becomes available. Staff has spent time looking at other options for Council consideration and presents the following as options, that may not be exhausting but hopefully will provide for enough discussion for ultimately a direction to be given.

Recommended Action (Motion): Select one or two options or variations of them for staff to further pursue:

- Option A: Work with the County transfer station here in Camp Verde to acquire/place bins for recycled material at the transfer station and then transferring them through contract or staff.
- Option B: Hire additional staff or reassign current staff to haul bins to Sedona Recycle or other locations that would accept the material.
- Option C: Do a request for proposal identifying a location (or NOT) that could be use by a private company to contact for collection and transfer.
- Option D: Do nothing, continue to allow those who pay or travel to sites in the valley and beyond to recycle.
