Re: Estimated Budget for Camp Verde Meals on Wheels

Dear Sirs/Madams:

I submit the following information for your enlightenment and consideration:

Our program is more than just a meal. Our menu is planned to provide 100% of the U.S. Nutritional Recommended Daily Allowance and is approved by a certified dietician. In addition to meals, clients benefit from the daily contact of delivery drivers, as well as the calls and visits from our net-worked case management team who regularly check on our clients' well-being. All clients enrolled in the home delivered meal program are assessed for health status and nutritional needs and case managed.

**BENEFITS & IMPACT**

Good Nutrition is the foundation of health, regardless of age. Research shows that older adults who participate in senior center programs can learn to manage and delay the onset of chronic disease and experience measurable improvements in their physical, social, spiritual, emotional, mental and economic well-being.

**ELIGIBILITY**

Following the guidelines under the "Older Americans Act," eligible clients of the Verde Valley Senior Center's Meals-on-Wheels program are:  
Home-bound and frail seniors (age 60 or older) that are so by reason of illness, disability or isolation.

Other eligible individuals include a "Spouse" and/or "Disabled Dependent" of a client (regardless of age or condition).

Residing in the Verde Valley Senior Center's contracted service area.

When routes are full and there are no open spaces for delivery or when funding prohibits adding additional elders, the priority for service is reviewed and the person is placed on a waiting list in order to meet the established criteria. Every possible effort is made to avoid placing any individual on a waiting list.

**COST**

Any donation, no matter how large or small is always greatly appreciated and accepted although no client will be turned away due to inability to contribute. The suggested contribution for qualified home delivered meals is \$5.00.

**REFERRALS FOR SERVICE:**

Referrals may be made by any concerned individual, family members, neighbors, social workers, physicians hospital discharge planners, or any other person by calling the NACOG - Area Agency on Aging, Intake for Meals-on-Wheels at 1-(877) 521-3500.

**PRIVATE PAY**

This program is available to individuals that do not meet the mandatory criteria for our donation based meals-on-wheels program. Anyone over age 60 is eligible for the Private Pay Program, depending on availability on routes.

**WHAT ARE THE MEALS LIKE?**

Clients receive a wholesome, nutritious, home-cooked meal prepared by a well-trained and certified dietary staff. The meals are considered to be a "no salt added" diet. Fresh fruits and vegetables are used whenever possible. Our meals are high in Vitamin A and C content, Fiber and Grains.

**DELIVERY**

Meals are delivered by our volunteer drivers Monday through Friday, between the hours of 11:30 a.m. and 1 p.m. All of our drivers are required to obtain a Level One Fingerprint Clearance Card and have complete background checks.

**VERDE VALLEY SENIOR CENTER SERVICES**

The Verde Valley Senior Center is a gateway to the nation's aging network - connecting older adults to vital community services that can help them stay healthy and independent.

We offer a wide variety of programs and services, including:

- Meal and nutrition programs
- Meals-on-Wheels program
- Information and assistance
- Health, fitness, and wellness programs
- Evidence-based health programs, e.g. Matter of Balance, Chronic Disease Self-Management, which helps people with conditions like diabetes, heart disease and arthritis learn how to reduce their symptoms, eat well and communicate with their doctors.
- Regular blood pressure and glucose screenings.
- Volunteer opportunities

Social and recreational activities  
Educational and arts programs  
Intergenerational programs  
Job training programs  
Greenhouse growing

**HOW ARE SENIOR CENTERS FUNDED?**

To maintain operations, senior centers must leverage resources from a variety of sources. These include federal, state, and local governments; special events; public and private grants; businesses; bequests; participant contributions; in-kind donations; and volunteer hours.

Regular surveys are conducted with our home-delivered meal clients to assist us in meeting their needs. Our trained volunteer drivers are an absolute lifeline to the client. We are networked with other agencies to ensure the continued service and care of our clients.

As aforementioned, the Verde Valley Senior Center is providing more than a meal.

I respectfully request consideration of an increase in funding from the Town of Camp Verde in support of the Meals-on-Wheels program at the former rate of \$12,500.00 per year. This would be an estimated cost of \$1.32 per meal.

I thank you for your continued consideration.
