On a motion by Vice Mayor George, seconded by Councilor Gordon, Council voted to enter into Executive Session at 5:14 pm. The record notes, Council Whatley opposed. The meeting resumed at 5:25 pm.

Town Manager Russ Martin indicated that there are two different versions of the agreement and recommended Council enter into Executive Session to discuss the matter with the Town Attorney and once information has been received, consider the matter again on January 16, 2016. Town Manager explained that the Camp Verde Water System's attorney was not present or available at the current time for further discussion on their part.

5. **Discussion, consideration and possible approval of Resolution 2015-944, a Resolution of the Mayor and Town Council of the Town of Camp Verde, Yavapai County, Arizona, deeming the granting of a franchise to Camp Verde Water System, Inc. beneficial to the Town, and calling a Special Election set for March 8, 2016 to submit the question to the qualified electors as to whether or not the franchise shall be granted.** Staff Resource: Russ Martin

This matter will be scheduled for January 16th, 2015.

6. **Discussion with Street Supervisor Stacy Perry, and possible direction to staff regarding, but not limited to, inventory of roads, future plans moving forward, the current road conditions, maintenance of private roads, what is allowed and what is not allowed.**
Stacy Perry

Mayor German indicated there have been complaints received regarding lack of maintenance to private roads which is the genesis of this matter being brought to Councils agenda.

Council Baker stated that she understood that private roads must be brought up to town standards before the Town would accept them.

Council discussed why the Town does not maintain private roads, and the liability the Town would have to assume.

Mayor German questioned why the town would not be responsible for damage done on a non-private roadway and Perry explained that on a private road, accidents are a civil matter and the liability is different for a public roadway, which is why it is the law for motorists to keep insurance on their vehicles. Perry also explained that it has to be an open and declared road for it to be a public roadway and there are certain specifications and federal standards met before a road to become public.

David White, member of the public, questioned the matter of Black Bridge and indicated that "overnight" the road went from private to public without the relinquishing of a right-of-way.

Vice Mayor George stated that minutes from March of 2001 stated the road had been maintained by the town, therefore, it was incorporated.

Council Baker stated that when the Town incorporated, they took on the roads that the County had previously maintained and the right-of-way was owned by the Library and Marshal's office.

Councilor Gordon explained that all they would need to do is look at the title report on the library to determine the answer to the question.

Stacy Perry handed out a packet of a program and road list for road maintenance. Perry explained that ideally a road should see some maintenance within 7 years and unfortunately most roads in Camp Verde have not been maintained for several years. Perry went through the packet explaining how many miles/feet of road exist and the maintenance required for each road. Because the roads have gone unmaintained for so long, two areas would need to be addressed at a time in order to bring roads up to good condition. Perry advised it is cheaper to maintain roads than to rehabilitate roads.

Mayor German stated he had questioned why some roads were not striped and discovered there is only one company in Northern Arizona that stripes roads and therefore it is difficult book services. Perry explained that the County and other Municipalities seem to wait for the end of a budget year before striping; he recommended not waiting to a certain point but booking whenever the company is available.

Councilor Gordon questioned Perry as to what he felt it would cost per area to maintain, Perry explained that due to the wavering price of oil it varies but estimated each area at \$300,000 for chip sealing. If roads were to be slurried, then the cost would be decreased but each area will require different applications.

Stacy Perry explained that having a GIS document to determine roadway right a ways is very helpful but the fact that County charges for the document, he doesn't have one and ADOT isn't responsible for providing the information either.

Councilor George questioned the current budget of road maintenance and if Town employees are able to accomplish the maintenance recommended. Perry explained that if a project is over \$50,000, then the project would be contracted out due to federal law.

Town Manager Russ Martin explained that the rough estimate of the road way department funding is \$150,000 and indicated the money would be budgeted from HURF funds and then the Town would need to supplement the project from there.

Councilor Jones-Murdock pointed out the maintenance is not just the road driven on but also includes ditches, culverts, trees, etc., that are in the right-of-way. Perry stated that 40-50% of the Departments time is spent on other matters than roadways and then explained it is difficult to balance out and address issues that require attention immediately.

Council members relayed compliments from the public to Perry regarding the work they have accomplished around Town of Camp Verde.

Perry informed Council that is costs approximately one million dollars per mile to rehabilitate a road due to federal specifications and requirements. Perry warned Council that in the next 2 years approximately 5-10% of the roads with in the Town would be beyond rehabilitation and within 15 years the roads would be going back to dirt and the cost of repaving is extreme.

7. **Adjournment**

The meeting adjourned at 6:27 pm.

Draft Minutes
SPECIAL SESSION
EXECUTIVE SESSION
MAYOR AND COUNCIL
473 S MAIN STREET, SUITE 106
WEDNESDAY, DECEMBER 16, 2015 at 5:30 P.M.

Minutes are a summary of the discussion. They are not verbatim.
Public input is placed after Council discussion to facilitate future research

1. **Call to Order**
Mayor German called the meeting to order at 5:30 p.m.
2. **Roll Call**
Mayor Charles German, Vice Mayor Bruce George, Councilors Robin Whatley, Brad Gordon, Jackie Baker, Jessie Jones-Murdock and at 5:34 p.m. Councilor Carol German arrived.
3. **Pledge of Allegiance**
Mayor German led the Pledge.
4. **Discussion, consideration and possible direction to staff and/or discussion or consultation with the Town Attorney and litigation counsel (Town's Attorney) for legal advice concerning litigations in Superior Court Case Number: P1300CV201580323 Camp Verde for Good Government, a political committee; Cheryl Wischmeyer, a natural person vs Town of Camp Verde. Note: Council may vote to go into Executive Session pursuant to ARS §38-431.03(A)(3)(4) for discussion or consultation with the Town's attorneys for legal advice and/or to give direction to the Town's attorneys and staff regarding the Town's position with respect to settlement discussions in order to resolve litigation.**

Mayor German explained to Council there were two options 1) Council could fight the litigation, in which case he would advise they go into executive session or 2) Council could agree to the terms and talk in open session. Mayor German stated he would prefer to keep it in open session so any Council member may talk freely to our citizens about it. Council unanimously agreed to remain in open session.

Manager Russ Martin called attorney's Jeff Murray and Bill Sims to join the discussion for advice if needed. Attorney Jeff Murray gave a brief timeline of how it stands right now: After a brief 1 day hearing the Judge ordered the Town of Camp Verde to hold a special election on March 8, 2016. The Town Clerk called the election for March 2016, *Camp Verde for Good Government* then filed for a fee application asking the Town to pay their attorney fees for \$42,500. Mr. Murray received a follow-up letter stating that *Camp Verde for Good Government* would settle for \$29,500.

Mayor German ask if the Judge had already approved the fee application. Attorney Murray advised that until the Council had made a decision the Judge would not be briefed on it. Gordon asked if the fees were reasonable and Attorney Murray stated that was up to the council. Attorney Sims stated that is a question that should be discussed in an Executive Session. Councilor Whatley and Gordon were concerned if the fees were genuine offers or was it inflated then a discount given to make it look like a good offer.

On a motion by Gordon and seconded by Baker the Council voted unanimously to pay *Camp Verde for Good Government* the amount of \$29,500. Manager Martin ask Council to modify the motion to include that it comes from the contingency fund as that is amount is over his spending limit. Gordon amended the motion to include that it be taken from the contingency fund.

Jones-Murdock asked the attorneys if the Town pays this bill will this portion of the lawsuit be finished, Murray stated yes.

George wanted to make it clear that even though the Town is paying \$29,500 fees to *Camp Verde for Good Government*, the Town will still have to pay approximately \$30,000 for the recall election plus the Town's Attorney fees.

5. **Discussion, consideration and possible approval of Camp Verde Water System, Inc. Franchise Agreement.** Note: Council may vote to go into Executive Session pursuant to ARS 38-431.03 (A)(3) for legal advice.

Mayor German let council know there had been no agreement with the Camp Verde Water System so there was little reason to go into Executive Session. They will continue to operate as they have and pay their fees until this can be resolved. Attorney Sims stated we had gotten an extension to assist the Water Company so they could share in the cost on our March election. The Water Company could get on a May ballot but would have to bare the entire cost which in turn would possibly mean higher water rates to the citizens to pay for it.

Councilor Whatley reminded everyone that the reason for having the election together was to help with the cost. Vice Mayor George agreed with Whatley. Jones-Murdock stated it is always the same thing, we try to save our citizens money and it ends up costing more. All the money is coming out of the same pockets and the citizens are the ones paying it.

6. **Adjournment** Mayor German adjourned the meeting at 5:57 p.m.

On a motion by Councilor Baker, seconded by Vice Mayor George, Council unanimously approved Resolution 2015-952, a Resolution of the Mayor and Common Council of the Town of Camp Verde, Yavapai County, Arizona, on Use Permit 20150310, an application submitted by Mr. Philip Moreau, managing member of the Verde River RV Resort-Sedona LLC, owner of parcels 403-19-205 which is 11.46 acres, 403-19-013H which is 3.7 acres, 403-19-013J which is 9.29 acres, 403-19-207 which is 1.81 acres, 403-19-013Q which is 2.46 acres, for a total of 28.72 acres located at 1472 W Horseshoe Bend Drive in Camp Verde, Yavapai County, Arizona. The property owner is requesting an amended Use Permit, in Perpetuity, for all parcels, for the Verde River RV Resort, formerly known as the Camp Verde RV Resort, which will consist of one hundred fifty (150) RV sites, three (3) bath houses, one (1) operations/reception center, one (1) recreation building, one (1) maintenance building, one (1) propane fill station, one (1) pump station, one (1) wastewater treatment plant or other approved sanitary system as approved by the Yavapai County Environmental Services Unit, one (1) elevated spa, one (1) miniature golf area, two (2) dog parks, two (2) pickle ball courts, one (1) playground with basketball court, one (1) horseshoe pits, and one (1) additional well. A recreational vehicle park is an allowed use under the R-R (Residential-Rural) District in the current Planning & Zoning Ordinance with a Use Permit. Included amended Exhibit B with referenced note.

Community Development Director Mike Jenkins gave a description of the application process followed by the Department recommendation by staff. Jenkins shared verbal comments that were received by a neighboring property owner, regarding the height of light poles and the sewer hookup. The applicant indicated that all regulations will be followed regarding lighting and the applicant would do everything possible to reduce the costs associated with sewer hookup that could affect the neighbors. Jenkins outlined the site plans and buffer restrictions and the compliance of the applicant as well as informing the Council of a building that was moved on the property after the applicant was notified by APS that the building was encroaching on power lines.

Applicant, Philip Moreau, spoke of his history in running recreational vehicle parks and the market he is catering towards. Moreau spoke of the quality of parks that are necessary and the opportunity to build a state-of-the-art recreational center in Camp Verde. Moreau spoke of the design of the site plan and that the quantity of spaces was not the objective but rather the quality of the design. Moreau explained how he accommodated the flood issue while still providing amenities to the park.

Marcus Lara, resident of Camp Verde, explained that his mother owns a neighboring property and expressed his concerns regarding the building of the Park. Lara requested the applicant be required to post

necessary no trespassing signage on neighboring properties due to hazards of the river and loose banks that could give way if people were to be walking on it. Lara expressed concerns regarding WIFI levels. Lara indicated that EMF pollutions are polluting the neighborhood and he will be asking for the existing WIFI tower removed from the area. Lara requested the applicant mask the WIFI at the Park, have a barrier put in place to protect neighboring properties as well as adding shrubbery for a property barrier.

Applicant Philip Moreau stated that he has dealt with issues before with neighbors being concerned of activities affecting their properties and assured the public and Council that He does take the concerns seriously and all areas will be well posted with proper no trespassing signage as well as verbal notification will be made to the park renters. Moreau also indicated that there would be plenty of hedges planted as a property barrier. Moreau indicated that regarding the WIFI, there would be a specific process followed to keep the signals low and stated they will do their best to keep the signal from affecting others in the area.

Councilor German questioned the proposal of park models and if they will be sold or rented. Applicant Moreau indicated they are nightly, weekly or monthly rentals but will not be sold, therefore, standards will be implemented and the park models will be maintained by the park owners.

Vice Mayor George commended the site plan and the applicant by dropping the space accommodation from 300 to 50 spaces and that he liked that the facility would be open to public use. Moreau explained there would be a day use procedure that would allow the public to use the facility without infringing on space renters.

Councilor Jones-Murdock stated she loved the idea and thanked the applicant for investing in the community.

Mayor German questioned the water usage regarding the spaces and if the well will be used to service the property. Moreau explained that the park will be hooking up to city water and using the well for irrigation.

Councilor Gordon noted that Council would admit and accept the amended Exhibit B.

8. **Public Hearing, Discussion consideration and possible approval of Ordinance 2015-A414, an Ordinance of the Mayor and Common Council of the Town of Camp Verde Planning & Zoning Ordinance, amending the requirements of part two – zoning classifications, section 203 – Use District, subsection D. Mayor German indicated this item is being removed from the Agenda and the Town will continue to conduct business under current operating agreement until the matter is addressed again, when the Town receives the new agreement from Camp Verde Water System.

10. **Update regarding the building progress of the new Library facility, followed by questions and answers. Staff Resource: Kathy Hellman**

Library Director Kathy Hellman indicated the Contractors are doing great work and have made suggestions during the building phases that have benefited the library. Hellman explained that due to the cold temperatures, the progress has been delayed for the pouring of the remaining cement necessary.

11. **Discussion, consideration and possible award of Camp Verde Community Library shelving contract to Arizona Furnishings for an amount not to exceed \$106,000.00. Staff Resource: Kathy Hellman.**

On a motion by George, seconded by Baker, Council unanimously approved the award of Camp Verde Community Library shelving contract to Arizona Furnishings for an amount not to exceed \$106,000.00.

Library Director, Kathy Hellman explained the current shelving is sub-par, mismatched and in poor condition. Hellman expressed that she would be taking what can be used to the new library without compromising the look of the new library. She explained they are working hard at being frugal but with forward thinking. Hellman showed samples of shelving, indicating that they would be working with the graphic design class at the high school, and utilize a local business for the printing. Hellman explained that rather than doing solar or landscaping, the money would be used toward shelving, and instead they would be working with the Tree Advisory Committee to create funding to complete the landscaping.

Councilor Gordon questioned if there were any fundraising activities in process, Hellman explained there are projects in place but she is not involved directly with the projects due to her heavy workload with other things. Councilor Gordon asked for an update on fundraising for the Councils information.

Councilor Whatley indicated that there were notifications sent in mail and that tax donation can be made by public to support the library.

Councilor German commended Kathy for including high school student for the panel design and commended Ms. Hartness for her continued fundraising efforts.

Hellman also expressed to Council that it has been difficult to get someone to work with them on a furnishing quote when there is no budget to work with.

located at the end of Homestead Parkway.

Community Development Director Steve Ayers explained to Council that Heritage Funding would come from Game and Fish and they recommended the road be split into a 2-year project and that the Town request \$50,000 on each year.

Councilor Jones-Murdock stated she looks forward to the project progression.

Councilor Baker expressed her appreciation that Ayers has been looking into funding sources for the Town to proceed.

Ayers indicated that if all worked out, \$250 to \$275,000 could be acquired by grants. Councilor Jones-Murdock asked about funding timelines, Ayers explained the Heritage Grant is granted in February and funded in May with a timeline of 3 years to use.

13. **Presentation followed by discussion, consideration and possible approval to utilize previously collected impact fees to purchase dispatch consoles, the radio equipment and computerized radio software for dispatching in an amount not to exceed \$44,800.00 This will also include two upgraded phone lines in dispatch, which is EOC (Emergency Operation Center) and major incident preparation for overflow incoming calls. Staff Resource: Nancy Gardner**

On a motion by George, seconded by Baker, Council unanimously approved to utilize previously collected impact fees to purchase dispatch consoles, the radio equipment and computerized radio software for dispatching in an amount not to exceed \$44,800.00 This will also include two upgraded phone lines in dispatch, which is EOC (Emergency Operation Center) and major incident preparation for overflow incoming calls.

Marshal, Nancy Gardner explained to Council that an opportunity was presented to her department when they were notified that Guardian Air was expanding their dispatch center. This expansion has provided furniture available for sale that is needed in the department and Gardner was able to negotiate the asking price from \$70,000 down to \$30,000. Gardner explained that there are Impact Funds available that need to be used by 2019 for \$59,000. Gardner also indicated there would be an installation fee of \$10,000 for the equipment. Gardner also notified that there is a required statewide upgrade for the 911 system that will cost \$4800.00 that was not expected, therefore, not budgeted in the Department budget previously that has been added to the requested amount.

Dispatch Supervisor Mary Newton displayed a slide show presentation of the current accommodations the Department is working with and the benefits of the new consoles.

Mayor German asked how old the used equipment is. Newton stated the equipment from Guardian Air is 7 years old and has a life expectancy of another 10 years. Newton explained the current radio system is outdated and many mechanics are required for usage. The new equipment consolidates the usages and streamlines the effect for the Dispatchers.

TOWN OF CAMP VERDE, a municipal corporation, (hereinafter called "Grantor"), is the owner of the following described real property located in Yavapai County, Arizona (hereinafter called "Grantor's Property"):

Grantor's Property as recorded in Book 197, Page 40-1 an amended ALTA/ACSM of Official Records of the County Recorder, Yavapai County, Arizona.

Grantor, for and in consideration of One Dollar (\$1.00) and other valuable consideration, receipt of which is hereby acknowledged, does hereby grant and convey to **ARIZONA PUBLIC SERVICE COMPANY**, an Arizona corporation, (hereinafter called "Grantee"), and to its successors and assigns, a non-exclusive right, privilege, and easement, 8 feet in width or as further described in attached exhibits at locations and elevations, in, upon, over, under, through and across, a portion of Grantor's Property described as follows (herein called the "Easement Premises"):

SEE EXHIBIT "A" ATTACHED HERETO AND MADE A PART HEREOF

Grantee is hereby granted the right to: construct, reconstruct, replace, repair, operate and maintain electrical lines, together with appurtenant facilities and fixtures for use in connection therewith, for the transmission and distribution of electricity to, through, across, and beyond Grantor's Property; and install, operate and maintain telecommunication wires, cables, conduits, fixtures and facilities solely for Grantee's own use incidental to supplying electricity (said electrical and telecommunication lines, facilities and fixtures collectively herein called "Grantee Facilities"). Grantee shall at all times have the right of full and free ingress and egress to and along the Easement Premises for the purposes herein specified.

Grantor shall not locate, erect or construct, or permit to be located, erected or constructed, any building or other structure or drill any well within the limits of the Easement Premises. However, Grantor reserves all other rights, interests and uses of the Easement Premises that are not inconsistent with Grantee's easement rights herein conveyed and which do not interfere with or endanger any of the Grantee Facilities, including, without limitation, granting others the right to use all or portions of the Easement Premises for utility or roadway purposes and constructing improvements within the Easement Premises such as paving, sidewalks, landscaping, driveways, and curbing. Notwithstanding the foregoing, Grantor shall not have the right to lower by more than one foot or raise by more than two feet the surface grade of the Easement Premises without the prior written consent of Grantee, and in no event shall a change in the grade compromise Grantee's minimum cover requirements or interfere with Grantee's operation, maintenance or repair.

Grantee shall not have the right to use the Easement Premises to store gasoline or petroleum products, hazardous or toxic substances, or flammable materials; provided however, that this prohibition shall not apply to any material, equipment or substance contained in, or a part of, the Grantee Facilities, provided that Grantee must comply with all applicable federal, state and local laws and regulations in connection therewith. Additionally, the Easement Premises may not be used for the storage of construction-related materials or to park or store construction-related vehicles or equipment except on a temporary basis to construct, reconstruct, replace, repair, operate, or maintain the Grantee Facilities.

Grantor shall maintain clear areas that extend: 1) 2 feet from and around all edges of transformer pad, and 2) a clear operational area that extends 10 feet immediately in front of transformer, and 3) a 6 feet by 6 feet hot-stick operating area off the front left corner of transformer. No obstructions, trees, shrubs, large landscape rocks, fences, fixtures, or permanent structures shall be placed by Grantor within said clear areas; nor shall Grantor install landscape irrigation or sprinkler systems within said clear areas. Landscape irrigation or sprinkler systems installed adjacent to the clear areas shall be installed and maintained so that the transformer or any other equipment do not get wet by spray or irrigation.

Grantee shall exercise reasonable care to avoid damage to the Easement Premises and all improvements thereon and agrees that following any installation, excavation, maintenance, repair, or other work by Grantee within the Easement Premises, the affected area, including without limitation, all pavement, landscaping, cement, and other improvements permitted within the Easement Premises pursuant to this easement will be restored by Grantee to as close to original condition as is reasonably possible, at the expense of Grantee.

Grantor reserves the right to require the relocation of Grantee Facilities to a new location within Grantor's Property; provided however, that: (1) Grantor pays the entire cost of redesigning and relocating Grantee Facilities; and (2) Grantor provides Grantee with a new easement in a form and location acceptable to Grantee and at no cost to Grantee. Upon the acceptance by Grantee of a new easement and after the relocation of Grantee Facilities to the new easement area, Grantee shall abandon its rights to use the Easement Premises granted in this easement. The easement granted herein shall not be deemed abandoned except upon Grantee's execution and recording of a formal instrument abandoning the easement.

If any of Grantee's electric facilities in this easement are not being used or are determined not to be useful, Grantor may request that the facilities that are no longer needed be removed and that portion of the

easement be abandoned. Grantee will execute and record a formal instrument abandoning the easement, or a portion thereof. Any facilities that are determined to still be needed for Grantee's electrical system can be relocated pursuant to the above relocation requirements.

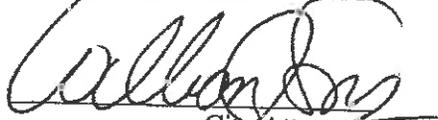

Grantee shall not have the right to transfer, convey or assign its interests in this easement to any individual, corporation, or other entity (other than to an affiliated entity of Grantee or an entity that acquires from Grantee substantially all of Grantee's electric distribution facilities within the area of Grantor's Property) without the prior written consent of Grantor, which consent shall not be unreasonably withheld. Grantee shall notify Grantor of the transfer, conveyance or assignment of any rights granted herein.

The covenants and agreements herein set forth shall extend and inure in favor and to the benefit of, and shall be binding on the heirs, administrators, executors, successors in ownership and estate, assigns and lessees of Grantor and Grantee.

ARTICLE 4-4

GENERAL DUTIES AND REQUIREMENTS

All boards and commissions are established by a separate document that conveys the specific duties and powers of the group. The following general duties and requirements apply to all members of boards and commissions.

- A. The board or commission must operate under the statutory requirements of the Arizona Revised Statutes. Upon appointment to a board or commission, such member shall obtain information regarding open meeting law and shall become familiar and abide by all statutory requirements. All members of a board or commission are to be provided with copies of this chapter upon appointment and shall become familiar with the duties and requirements of this chapter and other ordinances, resolutions, or information affecting the board or commission and the general subject matter/department which they discuss.
- B. Actions of a board or commission are recommendations only, and final action shall be taken by the Council upon items involving financial matters or other items affecting the duties of the staff or creation of new rules and regulations in accordance with state law. The decisions of the board of adjustments and appeals are final unless appealed to superior court.
- C. A subcommittee of members of the board or commission may meet to discuss special projects as long as such subcommittee is less than a majority of members, such special subcommittee may be assigned only from the membership and shall not be construed to allow for appointment of non-members to any special committee or group unless approved by the Council in advance of such action.
- D. Boards and commissions should review the proposed budget of the affected department where appropriate. Such review should provide general guidance to the department. No formal changes to the proposed budget can be made without the department head's approval. Should conflicts arise, such may be referred to the Town Manager in writing, if deemed appropriate.
- E. Boards and commissions shall annually review, as necessary, the operating policies and procedures for that activity within their purview. Changes deemed appropriate by the board or commission shall be forwarded, in writing, to the department head and Town Manager and may be provided for consideration by the Mayor and Council if necessary.
- F. Boards and commissions shall annually, if necessary, conduct a review of the facilities to include buildings, grounds or any other real property or facilities operated by the Town that are within their purview. A report of the review shall be issued for consideration by the department head and Town Manager and referred to the Council if necessary for formal consideration.
- G. A development plan may be developed by the board or commission regarding the department activities that they are empowered to act upon. Such plan should be forward-thinking (five years) and include considerations for the facilities, staffing, equipment, materials, and other items. The board or commission shall submit such report to the department head and Town Manager for review for final consideration.
- H. Members of boards and commissions are hereby encouraged to interact with persons serving in similar capacities in other communities as well as those regional and state officials whose duties include an advisory capacity to them. The purpose of this chapter is not to encumber each of the boards and commissions with specific duties and responsibilities as to interfere with the opportunity for expression of imagination and creativity. Rather, it is the intent of this chapter to assure the orderly and timely conduct of the business of boards and commissions. Structured activity, procedures, and policies are needed to ensure that the work of the board or commission is worthwhile, productive, and successful.
- I. A board or commission may vote to consider a request for scheduling a joint work session with the Council. Such request may be made in writing after approval of the board or commission and shall include a description of the reason(s) for the meeting. Such request shall then be presented to the Town Manager for consideration of the Council. The Council may also request joint work sessions with any board or commission and may set any items for discussion at such meeting.
- J. All powers and authorities of the Town are reserved to the Mayor and Council, except to the extent that they are specifically delegated to various members of the staff or board or commission by the Mayor and Council or by statute. Boards and commissions serve in an advisory capacity. Notwithstanding such reservation, the following powers and authorities are delegated to the boards or commissions:

1. Each board or commission shall have the power and the express authority to review those matters specifically assigned to it by ordinance or statute. They shall have the power and authority to issue reports and to discuss such reports with the manager and the Council and to hold any necessary public forums required to assist them in the development of any such reports. Said public forums may include discussion with the press, discussions with the public in general, special meetings and public hearings. In no case, however, shall a board or commission have the power or authority to enter into a contract or to obligate the Town to expend funds. Any such contract or obligation of funds shall be undertaken by request submitted to the Town Manager. Such request shall be responded to, in writing, either positively or negatively within thirty days of receipt of such request by the Town Manager.
2. Executive sessions, as may be allowed pursuant to ARS 38-431.03, as may be amended, to discuss legal matters or property acquisition, shall be requested by the chairman and scheduled jointly with the Council.

COMMITTEES (2004-A289)

The Council may appoint temporary *ad hoc* committees for limited purposes. All committees are required to follow the procedures for meetings as set forth in Article 4-3. A quorum for all *ad hoc* committees will consist of four (4) members present at any meeting.

30th meeting; and consultant interviews rescheduled to a date either prior to or after the July 30th Special Session.

The change in time to 6:00 p.m. from what had been previously discussed was acknowledged; requests were made to include on the agenda the Code of Ethics and Business Licenses. Manager Scannell confirmed that Marshal Smith had indicated he was comfortable with the current practice regarding the issuance of violations for parking in Handicapped spaces. Scannell added that he had suggested that Marshal Smith share that official stated position with his staff and the VIP's. It was also requested that a discussion be added for Per Diem and Travel, and review of State and local Code regarding the procurement process and the amounts restricted to Council and Mayor, elected officials specifically.

Scannell requested confirmation that an Executive Session can be scheduled prior to the July 30th Special Session pursuant to meeting statutory requirements, which Gioia confirmed. It was also agreed that Scannell could reschedule the date for the interviews for the consultant for the Park Master Plan; that date will be determined after setting the Executive Session, either ahead or behind.

Councilor Garrison requested items 9, 10, and 11:

9. **Discussion, consideration, and possible direction to staff to prepare a form to include with all Commission packets that must be signed and dated acknowledging that the Commission applicant or candidate has received and read the material that has been given to them. Commission members are currently provided with General Information, Meeting Schedule, Code of Ethics, Open Meeting Law, Chapter 4 of the Town Code, Agenda Handbook, and Duties & Requirements of all Commissions upon receiving the Oath of Office.**

Staff was directed to implement the following procedure: After Council appointment to a Commission, the appointee will be given the complete related information with a maximum of two weeks to study it, ask questions, and then after agreeing to follow the rules, the appointee will be sworn in.

Garrison outlined the problem of Commission appointees taking their oaths of office prior to being able to become familiar with the "rules of the game," citing her own past experiences, and input from some individual Commissioners. Garrison suggested that a complete packet of information pertaining to the role of any Commissioner be made available prior to appointment, with the individual signing a document acknowledging receipt of the information. During discussion, it was further suggested that such a complete packet of information be given to a new appointee prior to being sworn in; that would also give the applicant the opportunity to withdraw after studying the requirements. There was also a suggestion for setting up possible four-hour training sessions with the League of Cities & Towns.

PUBLIC INPUT

Robin Whatley, Parks & Rec Commissioner, agrees that prospective Commissioners should be aware of the expectations of that position, be given the packet after appointment but prior to being sworn in.

Tom Nielson, Library Commissioner, commented that the book sets out the protocol.

Chip Norton, Design Review Board member, felt it was a great idea to provide the information after selection, but prior to being sworn in.
