## Department Staffing

- Economic Development Director (1) and one part time (18 hours/week) Visitor Center supervisor

## Accomplishments for the Fiscal Year 2012-13

5. Created an Entertainment District designation in the downtown to eliminate restrictions on certain types of business that serve alcohol
6. Hosted a visit from the Arizona Commerce Authority in October
7. Hired a new economic development director, Steve Ayers, who took over in February 2013
8. Transferred the Visitor Center from the Chamber of Commerce to the town and relocated it in the Camp Verde Historical Society Museum
9. Formed a group known informally as the Heritage Committee to explore better ways of carrying out special events and explore opportunities for citizen participation in heritage-based projects

## Performance Objectives for Fiscal Year 2013-14

1. Develop a long-term strategic economic development plan
2. Begin implementation of a heritage-based economic development model, to include, but not limited to, the list of projects outlined to the Town Council entitled "Town of Camp Verde Heritage Projects Survey"
3. Develop a Web-based presence for both tourism and economic development
4. Develop an overall tourism marketing campaign
5. Develop a long term agreement with ASP that will cooperatively manage Fort Verde SHP
6. Actively recruit new businesses, while specifically targeting ones that fit our heritage development model
7. Build capacity for the Economic Development Department through public and private partnerships
8. Create a master design plan for the Finnie Flat/Main Street Corridor
9. Develop a plan for sustaining our special events including their execution, funding and volunteer base
10. Work with the US Forest Service to bring jeep tours, market existing trails, enhance other trail opportunities and interpret archaeological sites at Clear Creek Ruin and the Verde Salt Mine.
11. Organize a Heritage Commission to carry out heritage-based projects with the long term goal of establishing a National Heritage Area
12. Begin a personal development program with the goal of obtaining a Certified Economic Developer certificate through the International Economic Development Council

## Budget Points of Interest

1. This year's budget reflects a shift from the department's focus on conventional economic development projects, such as the business incubator and an aggressive business attraction program, to the funding of cooperative projects that will enhance the Town's ability to tap into its cultural, agricultural and natural assets, as a way of developing a sense of place.
2. Flexibility will be the key, as not all of the opportunities that will arise have been clearly defined. Priorities will change as "targets of opportunity" arise.

## **Department Description**

The Code Enforcement Division investigates and seeks compliance with the Town's Zoning and Nuisance Ordinances. Courtesy and Violation Notices are issued by the Officers with a time line given for compliance. If compliance is not reached by the violator within the time line, citations can be issued for zoning violations or abatement can be initiated for nuisance violations.

### **Department Staffing (1.0)**

- Code Enforcement Officer (1.0). There are (2) Code Enforcement Officers with each having a ½ time responsibility to Code Enforcement.

### **Accomplishments for the Fiscal Year 2012-13**

1. Initiated a Pilot program that combined the Animal Control Officer's duties with the Code Enforcement Officer. This combination of duties eliminated one full time position and a vehicle expense for the Town providing a significant savings.
2. Responded to and resolved over 100 complaints issued to the division. Out of these 100 complaints, 7 of them were actual abatements where the property owners failed to meet compliance.

### **Performance Objectives for Fiscal Year 2013-14**

1. Signage enforcement has been somewhat held off until a full staff of (2) officers could be reinstated. Starting in April of 2013, a new Officer will start duty. A comprehensive sign enforcement initiative will begin sometime in May to remind violators of the Town requirements. Once the public has been noticed, full compliance requirements will be enacted.

### **Budget Points of Interest**

1. As mentioned above, savings have been recognized with the combination duties of the Animal Control and Code Enforcement Officers.

## Department Staffing

- Library Director (1)
- Children's Librarian (1)
- Library Specialist (3)
- Library Clerk (.85)

## Accomplishments for the Fiscal Year 2012-13

1. Start building up staffing levels in anticipation of a new library building – *The Library hired 2.5 positions to bring staffing levels up to 5.85 FTE.*
2. Open the library 5 days a week – *The Library opened on Fridays and began a series of Beginning Computer classes for adults in September 2012. We continue to be open Tuesday through Saturday for a total of 45.5 hours per week.*
3. Continue children's programs and expand adult programs under the concept of cost neutrality – *The Children's Library added a Saturday story time (in addition to regular Wednesday morning story time) and monthly dance and music programs for babies and young children. A Kid's book club and a teen book/movie club met monthly at the library and monthly school visits continued. Through the process of cleaning out storage spaces, rearranging office spaces and interfilling the collection, the Library opened up a new Large Print Room. This space has been used for the Brown Bag Lunch programs, books discussion groups, and for tween/teen programs. It is also a popular spot for those needing a quiet place to read or study.*
4. Plan for a new library building – *The town hired Architect, Joel Westervelt, to design the new Library and Shepard & Westnitzer, Inc. to develop the site plans. Approval for funding and the erection of a 17,000 square foot, two-story building on the property between the current library building and Rezzonico Park was granted by the Town Council on February 6, 2012. Demolition of the building at 33 W Moser Lane is scheduled to begin at the end of May 2014.*
5. *Library staff participated in National Night Out, Trick or Treat on Main Street and the Pecan & Wine Festival.*
6. *Spaces were provided for patrons to plug in and use their own wireless devices within the library during open hours.*
7. *All areas of the library have been culled of out-of-date materials, and genres have been integrated and rearranged for easier access on shelves that are lower at the top and further from the floor at the bottom. The series/genres in the Children's Library were integrated for easier access by patrons and volunteers. Shelving units were rearranged to accommodate the Children's Librarian's workstation which was removed from a back office and placed in the public area.*
8. *A part-time assistant was hired to help with Children's programming and services.*
