

ORDINANCE NO. 91A-52

AN ORDINANCE OF THE TOWN COUNCIL OF THE TOWN OF CAMP VERDE, ARIZONA APPROVING ZONING MAP CHANGE NO. 91-03 FOR THE PURPOSES OF REZONING A PORTION OF TAX PARCEL NO. 403-22-026E FROM R1L-70 TO C2-4 COMMERCIAL-GENERAL SALES AND SERVICES.

The Town Council of the Town of Camp Verde hereby ordains as follows:

I. The Town Council hereby finds as follows:

- A. An application was filed by Mr. Tom Barnett, agent for the Shill Revocable Trust, requesting approval for a Zoning Map Change (No. 91-03) from R1L-70 to C2-4 for a portion of Tax Parcel No. 403-22-026E as shown on Exhibit A attached hereto.
- B. The project was reviewed by the Planning Commission on February 7, 1991 and the Town Council on February 13, 1991 in public hearings that were advertized and posted according to state law.
- C. The purpose of the Zoning Map Change is to allow for the construction of a fast food restaurant as allowed by Section 109.H.2.m ("vending for on or off-site consumption of foods...through openings in buildings") on the property. This Zoning Map Change application is required prior to the issuance of any permits for commercial uses on the site and if approved by the Town Council, becomes effective 30 days after approval.
- D. The proposed rezoning will not constitute a threat to the health, safety, welfare or convenience to the general public and should be granted.
- E. The Zoning Map Change (No. 91-1) is recommended for approval, based upon the following findings:
 1. The Zoning Map Change, as proposed, will not injure the public health, safety, welfare or convenience.
 2. The property is located adjacent to existing C2-4 properties, therefore the proposed Zoning Map Change is consistent with State Planning Law and the requirements of the Camp Verde Planning and Zoning Ordinance.
 3. Prior to construction or placement of any new uses on the property, the project, with the conditions recommended by the Planning Commission contained in Exhibit B to this ordinance, will be required to meet all regulations of the reviewing agencies responsible for approving this project or portions thereof.

II. The Town Council of the Town of Camp Verde hereby approves Zoning Map Change No. 91-03 for rezoning a portion of Parcel No. 403-22-026E as shown in the attached exhibit A, from R1L-70 to C2-4 with the conditions contained in Exhibit B attached to this ordinance.

PASSED AND ADOPTED AT A REGULAR SESSION OF THE TOWN COUNCIL OF THE TOWN OF CAMP VERDE, ARIZONA ON FEBRUARY 13, 1991.

A. Carter Rogers, II
Mayor

attachment: Exhibit A and B

Exhibit A to Ordinance 91-A52
Zoning Change No. 91-03

Rezone from R1L-70 to C2-4

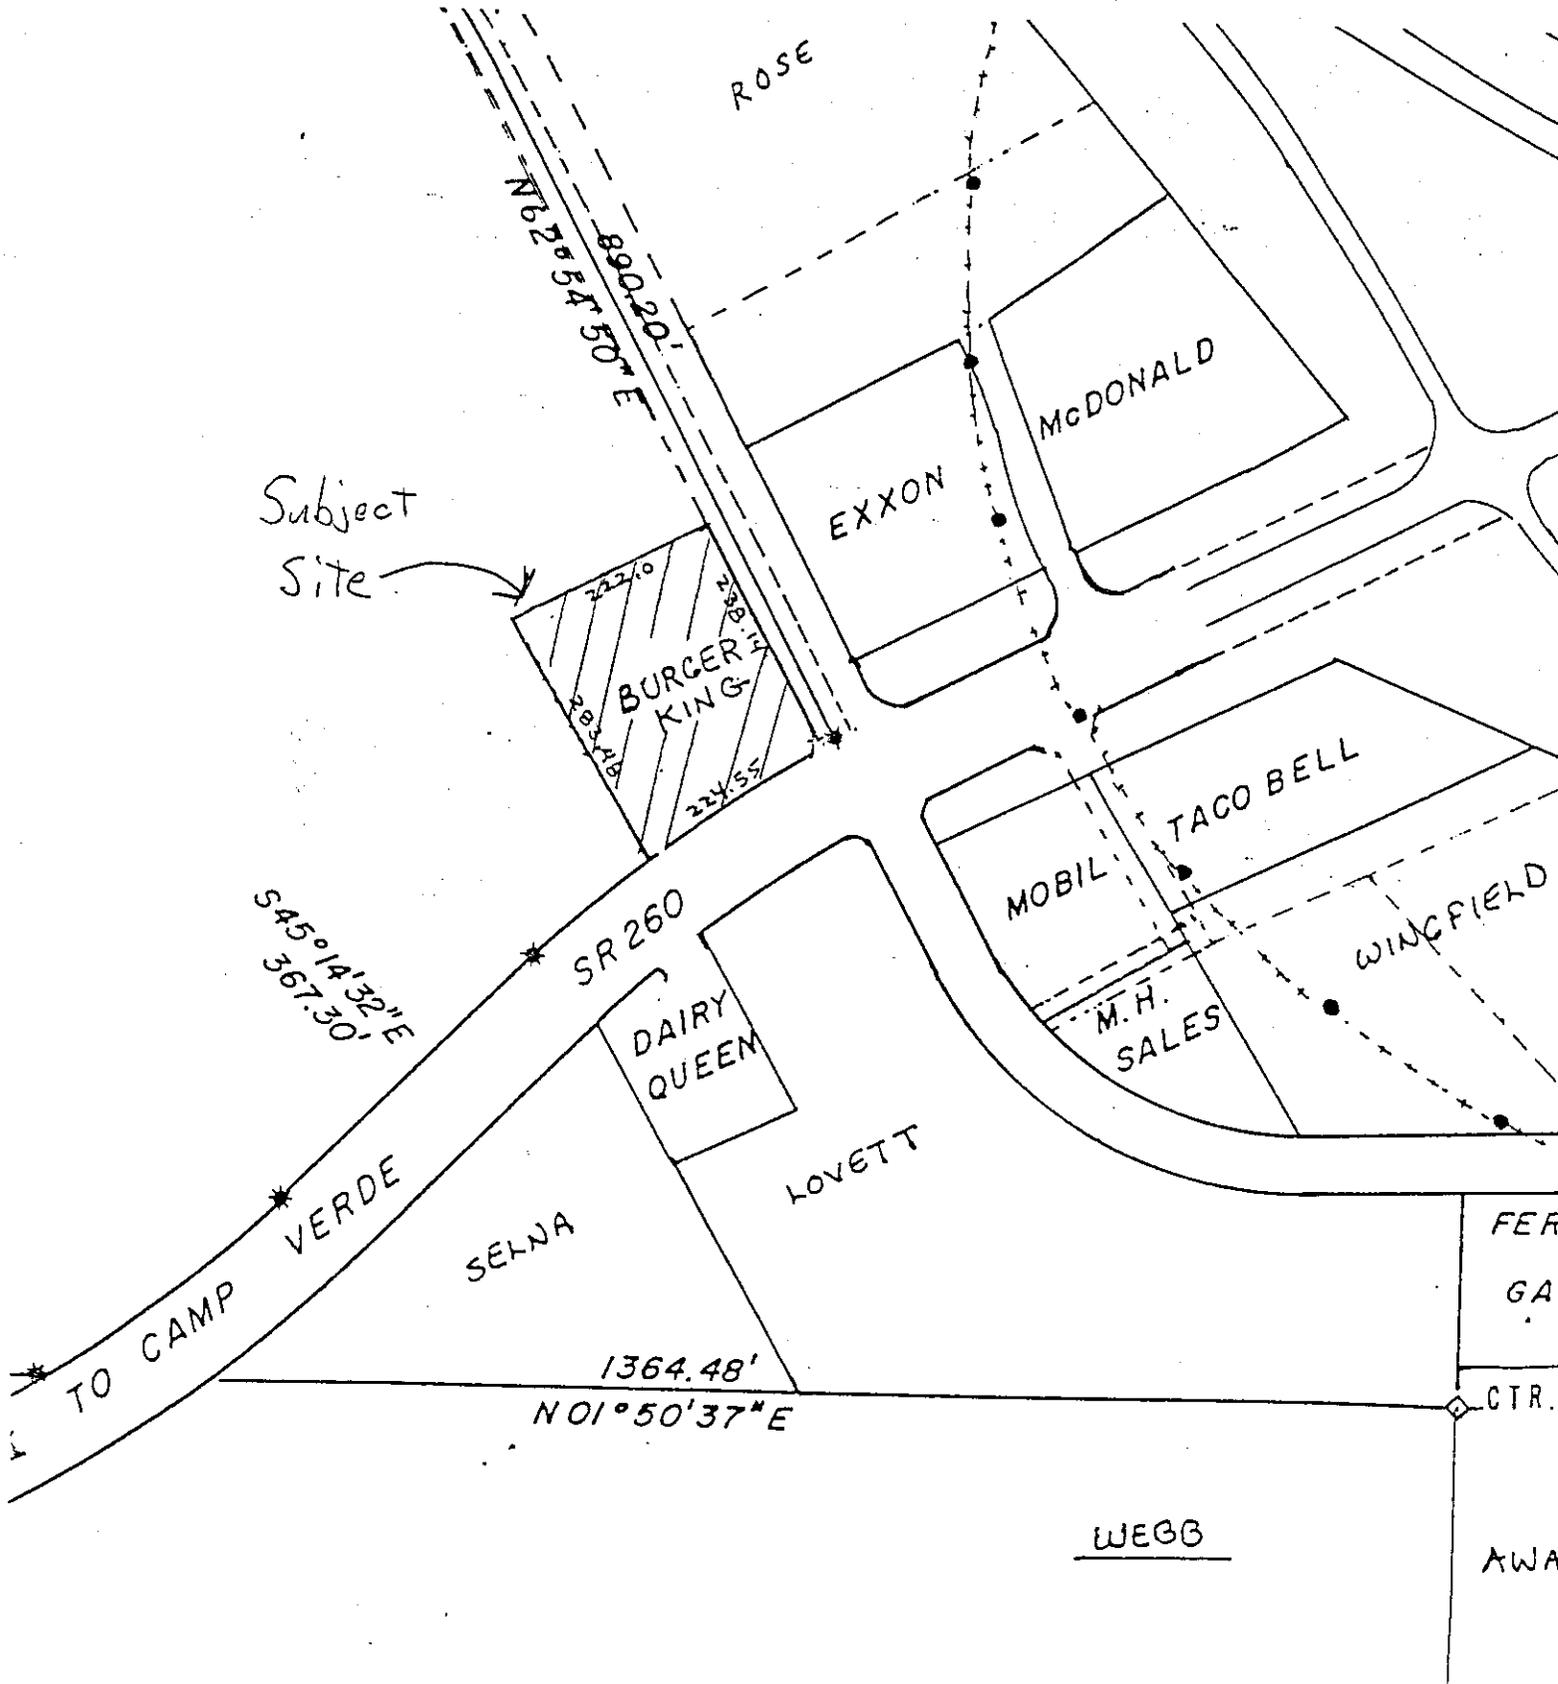

EXHIBIT B
ZONING MAP CHANGE NO. 91-03
CONDITIONS OF APPROVAL

1. Traffic/Access Control Plan - A traffic study is required prior to issuance of any development permits for this property. Any necessary improvements such as turn lanes, signals or other requirements determined by the study will be the responsibility of the developer or owner as appropriate. The Traffic Study will determine site access points and driveway widths.
2. Fire District - Prior to the operation of the facility, the applicant shall provide proof of approval from the Camp Verde Fire District and/or State Fire Marshal, as applicable, for all necessary permits. Any conditions on such permits and approvals are incorporated into this resolution by reference.
3. Sewer/Sanitation - If at some time in the future a sanitary sewer system is installed in the same area as this project, the applicant is required to hook-up to the system within not more than 180 days of activation of the collection system adjacent to them.
4. Signs - All necessary sign permits shall be obtained prior to installation of any signs on the premises as required by the Sign Ordinance of the Town of Camp Verde.
5. Freeway Signs - Site is located within the secondary freeway sign area. All signs shall be in conformance with the current requirements of the Sign Ordinance.
6. Ordinances/Agencies - The developer must meet all requirements of existing ordinances and other reviewing agencies prior to issuance of any development permits for this property.
7. Hydrology - A hydrology study must be completed to show compliance with CV701 (storm water drainage) prior to the issuance of permits.
8. Water - Site will be served by the Camp Verde Water System. The developer must meet all of the Camp Verde Water System requirements prior to commencement of service.
9. Site Design - All standard requirements of the Planning and Zoning Ordinance will be applied to development. This includes parking, landscaping, screening, building heights and separations, as well as lighting and signs.
